Collin County
Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Matt (First Name) _____ (Middle Initial) Nibbelin (Last Name)

Honoree's Job Title: Building Maintenance Tech I

Department: Facilities

Years of Service with the County: 8 years

Why the Honoree is receiving a GEM Award including dates:

In April 2023 the Adult Detention Center had major plumbing issues which required a contractor to cut through the concrete floor in the main kitchen to complete repairs to plumbing under the concrete slab. Greg Sullivan, Chris Beaty, John Zoski, and Matt Nibbelin traced and repaired multiple conduits that were cut during the process by the contractor who was cutting through the concrete.
Due to the location of the construction work, Greg, Chris, John, and Matt worked together to get multiple conduits repaired so the kitchen would have electricity, which avoided the kitchen being shut down for multiple weeks. Not only did they save time, they saved the county money by not having to outsource to get the repairs completed and which in turn was completed in a timely manner. Greg, Chris, John, and Matt went over and beyond expectations and Facilities is proud of the teamwork and how they pulled together to get the job completed.
