TAX ASSESSOR/COLLECTOR STATISTICS

DESCRIPTION

Motor Vehicle

- Designated by statute as the agent for the state Department of Highways and Public Transportation, the Tax Assessor/Collector office is responsible for the collection of motor vehicle fees. Under the registration statutes, every owner of a motor vehicle is required to register it with the Tax Assessor in the county in which the owner resides.
- Motor Vehicle activities include registration, titling, and collection of fees.
- Monthly Stats are reported after the 20th of the month following the completion of the previous month.

Property Tax

- The net taxable values increased from \$56.2 billion in 2005 to \$68.7 billion in 2007.
- From FY 2007 to FY 2008, the average home in Collin County increased in value from \$221,701 to \$230,813, which is an increase of \$9,112 or 4.1%.
- With an average annual population growth rate of 5% and appraised values increasing steadily, property tax transactions and collections have increased gradually since fiscal year 2005, as illustrated in the accompanying charts.
- Property tax transactions as illustrated in the accompany charts include assessment of levies, attorney fees, and penalty and interest.
- Monthly Stats are reported after the 20th of the month following the completion of the previous month.
- *Note: Due to the property tax bills deadline of January 31st, the peak period for the division is from October to February annually.*
