

FY 2020 Records Statistics

Records Retention

This function includes maintaining and updating retention schedules; monitoring destruction efforts including providing vendor onsite secure destruction services, training on records & information management; scanning county records for inclusion in the county's electronic records/document management system; providing secured storage for IT back up tapes and original backup microfilm; and reviewing records for preservation of historical and/or archival documents once their retention period has expired.

Goals & Objectives

1. To ensure that all records created and received by the County are maintained, preserved, and disposed of in accordance with County, State, and Federal rules and regulations.
2. Update Collin County retention schedule as per revised Texas State library and archives schedules.
3. To scan and/or import 8,000,000 pages annually.
