### Grand Jury & Intake Division

The Grand Jury Division includes 1 Felony Chief Prosecutors and 3 Felony Prosecutors. This Division receives almost all of the cases that are filed with our office from the law enforcement agencies within Collin County. The prosecutors review each case to make sure there is sufficient evidence to proceed with prosecution. If this standard is met, misdemeanor cases are directly filed with the Collin County Clerk and from there assigned to a court. Felony cases are presented to the Grand Jury for review. The Grand Jury hears evidence presented by the Grand Jury prosecutors and witnesses and then votes in secret to decide if a case should be indicted. Indicted cases are filed by the Collin County District Clerk into one of seven district courts.

### Goals & Objectives

1. Process, review, and evaluate all felony cases filed with the Grand Jury Division. Return cases to law enforcement agencies if more information is needed. Present cases to the Grand Jury.
2. Process, review, and evaluate all misdemeanor cases filed with the Grand Jury Division in a timely and just manner. Prepare and file cases that possess sufficient evidence for prosecution in the county courts at law.

## District Attorney Statistics

### Crimes Against Children Division

The CAC Division includes 1 Felony Chief Prosecutor and 5 Felony Prosecutors. They work in seven of the district courts in Collin County. The CAC Division prosecutes crimes committed against children who were abused at a young age, typically under 14 years of age. These cases involve laws and issues that are unique to child victim cases. The District Attorney is deeply devoted to pursuing justice for these especially vulnerable victims and also to protect the community from further harm. This division engages in "vertical prosecution," where prosecutors are assigned to cases during the investigation at the Children's Advocacy Center and the same prosecutor continues to handle the case through disposition. Early engagement by the prosecutor establishes a trusting relationship with a child victim, helps to minimize the trauma to a child victim, and helps achieve a just result.

### Goals & Objectives

1. Conduct the prosecution of CAC cases using a vertical prosecution model. Work closely with the detectives of the law enforcement agencies to aid and strategize in the ongoing investigations into these crimes.
2. Review and Evaluate all cases which have been filed by law enforcement agencies and prepare and present appropriate cases to the Grand Jury. Contact victims, determine restitution, when appropriate, and make plea bargain recommendations. Respond to discovery, prepare cases for trial, and demonstrate effective trial advocacy skills.
3. Emphasize and direct resources to prioritize the prosecution of criminals who present the greatest danger to the community, while minimizing the trauma to child victims. Attempt a net reduction in apprehended cases while still pursuing justice and protecting the community.

## District Attorney Statistics

### Civil Division

The Civil Division primarily handles four types of cases: Bond Forfeitures, Asset Forfeitures, Mental Commitments, & Public Information Act (PIA) requests). The Civil Division includes 1 Chief Felony Prosecutor and 1 Felony Prosecutor. The Civil Division also handles: out of state subpoenas; fraudulent lien advisory opinions, Bail Bond Board representation, Health Authority cases, Gambling seizures, PIA complaints, office subpoenas, and various other issues.

**Asset Forfeiture:** The Division reviews and, if appropriate, accepts cases filed by law enforcement agencies asking to forfeit property that was used in criminal activity or that is the proceeds of criminal activity. If sufficient evidence exists to support the request, a prosecutor will file a petition to seek a hearing to present evidence to the court showing that the assets should be forfeited.

**Bond Forfeiture:** These cases are filed by the Civil Division when a defendant who is on bond fails to show up at a required court appearance. The Civil Division files a Judgment Nisi, which is a substantively criminal case that is procedurally handled as a civil case. Forfeited sums are deposited into the county's general fund.

### **Goals & Objectives**

1. Process, review, and evaluate all cases brought to the District Attorney's office by law enforcement agencies for consideration of filing petitions for the forfeiture of assets.
2. Process, review, and evaluate all warrants & bond forfeiture notifications to determine if a Judgment Nisi should be filed. Follow through with each case to seek a final judgment of forfeiture of the bond to the county, when appropriate.
3. Send and respond to discovery, file summary judgments, settle or prepare cases for trial, and demonstrate effective advocacy trial skills.

### Victims Assistance Division

Victim Assistance Division staff serve as a compassionate and skillful liaison between the Collin County victims of violent crime and the complex criminal justice system. Our three Victims Assistance Coordinators (two budgeted and one grant) ensure that we comply with the State mandates in the Crime Victim's Bill of Rights and that each victim of a violent crime has the opportunity to have input into the ultimate decision of how the offender is prosecuted and punished. Each victim assistance coordinator helps victims by: informing them of their legal rights; assisting them with safety planning and making appropriate referrals, as needed; assisting them with applying for Crime Victims' Compensation; assisting them with completing the Victim Impact Statement; assisting them with protective orders and other paperwork, as needed; and accompanying them to meetings with the prosecutor and/or to court. The victim coordinator assists victims in cases of sexual assault, kidnapping, aggravated robbery, trafficking of persons, injury to a child, elderly or disabled individual, family violence, close family members of victims in death cases and assists victims in property crimes.

This area of the office provides a safe and comfortable place for victims to wait while their trial is taking place as often the victim is not allowed to remain in the courtroom. This safe place for victims carries the added security benefit of keeping victims separate from their attackers/abusers. The staff also has an open door for victims who have questions about their cases and for those that need information on available social services.

The Victims Assistance Coordinators also spearhead the District Attorney's commitment to educate the public about victims and their rights. The District Attorney helps sponsor the Tree of Angels in December of each year to remember and honor victims and their families. The District Attorney also helps sponsor the Victims Rights Week luncheon to honor victims, recognize their rights under the law, and foster a more equitable and supportive response to victims and their plight.
