## WRIT DIVISION

Specialized program that deals with the court ordered attempt to collect judgments handed down by the courts in Civil Law Cases. This needs to be a specialized division, requiring one full time Deputy Constable and requires specialized training on state statutes on what property the defendant has that is subject to levy and sale of the non exempt personal property. Writs carry a large amount of liability for the office, the Deputy and the County if the writ is incorrectly executed and property is not seized and sold, or if the incorrect property is seized and sold.

### FY 2022 Goals & Objectives

- To have well trained, well educated individuals that can work well under pressure and make good, sound, swift decisions when working writs and know how to research land deed records and other records to determine what property is subject to levy and sale.
- To work writs in a professional, efficient, diligent and effective manner and to treat all citizens fairly while working within the frame work of Texas Statutes and Laws.
