JURY MANAGEMENT

The District Clerk, as Jury Administrator, will promote the most efficient and expeditious use of citizens' time when they are summoned to serve as a prospective juror. In fiscal year 2015, the District Clerk's office finished implementation of a new jury system that can better meet the needs of the citizens as prospective jurors. The new system allows for prospective jurors to complete their questionnaire on-line and receive notification by text or email if their service is no longer needed. Persons who report for jury service and discharge their daily duty may be reimbursed \$6.00 for the first day of service, and reimbursed \$40.00 per day thereafter or they may donate all or a portion of their pay to the Victims Crime Fund, Child Protective Services, or a non-profit agency approved by the Commissioners Court. The County receives partial reimbursement from the State for the payment to jurors.
