FY 2017
Adopted Budget

POPULATION

Prepared by the
Collin County Budget Office

Due to the passage of SB 656 during the 83rd Regular Legislative Session amending LGC 111.068, the following statement must be included as the cover page for the adopted budget document:

This budget will raise more revenue from property taxes than last year's budget by an amount of \$3,028,775, which is a 1.52 percent increase from last year's budget. The property tax revenue to be raised from new property added to the tax roll this year is \$7,007,315.83.

The members of the governing body voted on the budget as follows:

FOR:	Keith Self, County Judge Cheryl Williams, Commissioner Pct. 2	Susan Fletcher, Commissioner Pct. 1 Duncan Webb, Commissioner Pct. 4
AGAINST:	Chris Hill, Commissioner Pct. 3

Honorable Judge and Commissioners:

I am pleased to present the FY 2017 Adopted Budget for Collin County. This budget is submitted in accordance with all statutory requirements as well as a desire to produce a “no tax rate increase” budget. In addition, the FY 2017 Adopted Budget follows the 5-Year Plan as presented to Commissioners Court. With all improvements, and following the 5-Year Plan, the FY 2017 Adopted Budget reduces the tax rate to the Effective Tax Rate, providing no tax rate increase for the 24th consecutive year, and maintaining the homestead exemption for the 9th year.

The Adopted Combined Budget total for all funds (except bond funds) is \$328.8 million. This total includes the Operating Funds (General, Road & Bridge, and Permanent Improvement Funds \$221.4 million), Debt Service Funds (\$58.6 million) as well as all other funds (Grant, Insurance, etc. \$48.8 million). The General Fund budget accounts for the largest portion of the Adopted Budget with \$195.8 million. The Road and Bridge and Permanent Improvement Funds total \$25.5 million, which makes up the remainder of the operating funds.

Budget highlights include:

- Reducing the tax rate by \$0.016605 to \$0.208395 per \$100 of valuation, marking the 24th consecutive year without a tax rate increase. The total tax rate was reduced to the Effective Tax Rate. The Effective tax rate is a calculated rate that would provide Collin County with about the same amount of revenue it received in the year before on properties taxed in both years.
- Maintaining a homestead exemption of 5% with a \$5,000 minimum for the 9th year.
- Personnel Pay-for-Performance total increases of 4% of which 1% is for range movement and 3% is for Pay-for-Performance. The total will be distributed through Pay-for-Performance.
- A total of 23 new positions and an additional 9 in contingency. These positions will provide support to Human Resources, Information Technology, County Court at Law Clerk, Medical Examiner, District Clerk, County Auditor, District Attorney, Sheriff, Court Appointed Representation, Juvenile Detention, and Engineering.
- One-time capital outlay of \$7.5 million for implementing Phase 2 of a new Public Safety Radio Equipment.
- One-time capital outlay of \$6 million for Public Transportation.

Collin County is experiencing vibrant economic activity in many areas. The certified roll was up 12.6% or \$12.1 billion of which 3.5% or \$3.4 billion was for new construction while the remainder was increases in existing properties. This is higher than anticipated. The prior year Collin County experienced an 11.2% or \$9.7 billion increase with 3.2% or \$2.8 billion for new construction. While this year’s growth is good news, conservative assumptions continue for future planning purposes.

Awards and Acknowledgements

The Government Finance Officers Association of the United States and Canada (GFOA) presented the Distinguished Budget Presentation Award to Collin County, Texas for its annual budget for the fiscal year beginning October 1, 2015. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a

policy document, as an operational guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

The Adopted FY 2017 Budget addresses the many needs of the County while reducing the tax rate and balancing the budget. I look forward to working with you to ensure the budget represents the service level you and the citizens of Collin County expect.

Respectfully Submitted,

Executive Summary

FY 2017 Adopted Budget

Overview

The Adopted Budget for FY 2017 continues to hold to the established principles in Collin County of conservative fiscal planning and preparation for the future. Commissioners Court priorities with regards to the budget include producing a balanced budget while reducing the tax rate to the Effective Tax Rate of \$0.208395 per \$100 valuation for the citizens of Collin County.

The challenges faced by Collin County include the population increase as Collin County continues to be one of the fastest growing counties in the state of Texas with an estimated population increase of 16.8% since the 2010 Census. With an estimated 80 people moving into Collin County each day, the County is projected to reach 1 million in the coming year. Other challenges include the continued funding of programs mandated by the State of Texas and the strains on transportation as Collin County continues its rapid growth. The Adopted Budget represents strategies that bring recurring expenditures in line with revenues while continuing to provide a high level of services to constituents.

The Adopted Budget also provides for targeted initiatives in Commissioners Court priority areas. These initiatives are included in the Adopted Budget without the need for an increase in the overall property tax rate for the twenty-fourth consecutive year.

- Lowering the tax rate from \$0.225000 to \$0.208395 per \$100 of valuation, a reduction of \$0.016605, marking the 24th consecutive year with no tax rate increase. The total tax rate was reduced to the Effective Tax Rate. The Effective tax rate is a calculated rate that would provide Collin County with about the same amount of revenue it received in the year before on properties taxed in both years.

Economic Outlook

The economic base of Collin County consists of various manufacturing, computer technology, electronics, finance/insurance, construction, and agriculture. Major industries with headquarters or divisions located within the County include telecommunication, computer technology, electronics, retail, the food industry, automobile and insurance institutions. Collin County's economy continues to outperform the state and national economies in spite of the recent struggles with the national economy. New employers continue to seek out the high quality of life in Collin County every day.

Table 1 - Unemployment Rates

	October 2016	October 2015	October 2014	October 2013	October 2012	October 2011
Collin County	3.4%	3.5%	4.1%	5.4%	5.6%	6.7%
State of Texas	4.4%	4.4%	4.5%	6.1%	6.2%	7.6%
United States	4.7%	4.8%	5.5%	7.0%	7.5%	8.5%

Source: Texas Labor Market Review November 2016 – Texas Workforce Commission

Figure 1 – Unemployment Rates by County

Source: Texas Labor Market Review November 2016 – Texas Workforce Commission

Other indicators of future economic performance can be observed by the Gross Domestic Product (GDP) output. The Gross Domestic Product (GDP) is defined by the Department of Commerce as the measurement of all goods and services produced by workers and capital located within the United States, regardless of ownership. Real GDP increased at an annual rate of 3.2% in the third quarter of 2016, according to the “second” estimate released by the Bureau of Economic Analysis reported November 29, 2016. In the second quarter, real GDP increased by 1.4%.

Appraised adjusted taxable values in Collin County have increased 12.6% from 2015 to 2016. Because ad valorem taxes account for over 84% of the General Fund revenue for the County, new real estate construction is a vital component of the County’s ability to respond to demands for increasing services. Of the 12.6% increase in appraised value, 3.5% is from new construction. The other 9.1% is from increased appraisals on existing properties. Collin County has a long record of minimizing the burden County government places on its citizens. Despite the financial challenges faced by the County, the Adopted Budget does not increase the County’s tax rate for the twenty-fourth straight year and maintains the County’s homestead exemption for the ninth year.

Multi-Year Forecast

The County uses a Five-Year planning analysis to inform the Commissioners Court and the community of the medium and long-term effects of budgetary decisions as well as economic pressures. The funds included in the Five-Year Plan are the funds receiving tax dollars. This includes the General Fund, Road & Bridge Fund, Permanent Improvement Fund, and the Healthcare Foundation Fund. Other funds receive special revenues with restrictions on spending. Projects in those funds are limited to the revenues they receive.

The Five-Year Plan funding analysis includes the following assumptions:

- Conservative growth rate of 4% for the Adjusted Taxable Value of property taxes
- An average of 1% growth on other areas of revenue sources
- Replacement of the County’s Election System in FY 2018
- Replacement of the County Clerk’s Granicus System in FY 2018
- Expansion of the Medical Examiner’s Office in FY 2019
- Opening of a pod at the Jail in FY 2019
- Opening of a new Court in FY 2021
- Vehicle refresh is budgeted annually in the General Fund and the Road & Bridge Fund. Plan includes continued funding of annual budget for scheduled replacement vehicles
- Additional funding needed to maintain a 120-180 day fund balance in Healthcare Foundation Fund
- Assumption of expenses to cover the rising cost of employee medical insurance
- Assumption of bond election passage authorizing the sale of \$300 million to be sold over 5 years while maintaining the County’s current debt service tax rate of \$0.0552
- Maintaining the current tax rate of \$0.208395

Long-term Collin County General Fund Goals: (1) To maintain or lower the County's total tax rate while (a) maintaining the ability to sell Transportation and Parks & Open Space Bonds in the future, and (b) to absorb the Health Care Trust expenditures; (2) To maintain the County's AAA bond rating; (3) Maintain 180 days or more of fund balance.

Property Taxes: Property taxes continue to increase. They increased 9.3% in FY 2015, 11.2% in FY 2016, and 11.9% in FY 2017. With that said, the Commissioners Court maintains a conservative outlook for the future. The above model uses 4% growth in the tax base. The General Fund will receive \$0.149795 of the \$0.208395 tax rate in FY 2017, a drop of \$0.016005 from FY 2016.

General Fund 5-Year Forecast Model Assumptions Continued

Future Planned Large Expenditures:

FY 2017 - Phase 2 upgrade of Sheriff's Office Radio Infrastructure, \$6 million for Right-of-Way, and begin funding County's Mental Health System (recurring expense)

FY 2018 - Replacement of the Elections equipment and the County Clerk Granicus system.

FY 2019 - Opening of a Jail Pod

FY 2021 - Opening of a new court

Other Expenditures of note:

Technology refresh is budgeted annually in the General Fund. This includes servers, computers, printers, scanners, etc.

Vehicle refresh is budgeted annually in the General Fund. This includes Sheriff, Constable, ground maintenance and general county vehicles.

Road & Bridge Fund 5-Year Forecast Model Assumptions

Long-term Collin County Road & Bridge Fund Goals: (1) To maintain all 769.64 miles of county roads; (2) To maintain all 106 County bridges; (3) To continue to convert all county rock/dirt roads to asphalt while maintaining or lowering the County's total tax rate; (4) Maintain 180 or more days of fund balance.

Property Taxes: Property taxes continue to increase. They increased 9.3% in FY 2015, 11.2% in FY 2016, and 11.9% in FY 2017. With that said, the Commissioners Court maintains a conservative outlook for the future. The above model uses 4% growth in the tax base. The Road & Bridge Fund will receive \$0.0004 of the \$0.208395 tax rate in FY 2017, a drop of \$0.0036 from FY 2016. This is a planned reduction in the Road & Bridge Fund tax rate to bring down the fund balance to 180 days and maintain the 180 day fund balance in the future.

Other Expenditures of note:

In 2005, Collin County began a program to convert all rock/dirt roads to asphalt to reduce dust and to increase the useful life of the road. The program is geared to convert the roads at a rate of 50 miles per year. There are approximately 60.75 miles remaining to be resurfaced.

All county road, drainage, and bridge maintenance is funded annually.

Vehicle refresh is budgeted annually in the Road & Bridge Fund. This includes Public Works and Road & Bridge vehicles.

Permanent Improvement Fund 5-Year Forecast Model Assumptions

Long-term Collin County Permanent Improvement Fund: To continue to repair, equip, and/or improve County buildings while maintaining or lowering the County's total tax rate.

Property Taxes: Property taxes continue to increase. They increased 9.3% in FY 2015, 11.2% in FY 2016, and 11.9% in FY 2017. With that said, the Commissioners Court maintains a conservative outlook for the future. The above model uses 4% growth in the tax base. The Permanent Improvement Fund has not received property taxes since FY 2009 due to proceeds from the sale of County buildings being deposited into this fund. The Permanent Improvement Fund will receive property taxes in FY 2017 at \$0.003 of the \$0.208395 total tax rate with the intention of maintaining a \$3 million dollar fund balance annually.

Future Planned Large Expenditures:

FY 2019 - Potential expansion of the Medical Examiner's Office

Other Expenditures of note:

Annual expenditures of approximately \$3 million to repair, equip, and/or improve County buildings.

Healthcare Foundation Fund 5-Year Forecast Model Assumptions

Long-term Collin County Healthcare Foundation Goals: To continue to provide indigent healthcare for Collin County residents without increasing the County's total tax rate.

History of Healthcare Foundation: The Healthcare Foundation was created after the sale of the county hospital in 1983. The proceeds of the sale were used to purchase real estate office buildings in order to create investment earnings that, together with the charges for services and federal and state funding, are used to provide health care to indigent county residents. A portion of the funds from the sale have been used to purchase real property for rental to County departments and unrelated third parties.

Future of Healthcare Foundation: Grants and community agencies, that began in 2008 and continue today, have helped the county to provide preventative and minor medical care in cities where the indigent population is located. Increasing population and medical costs for medical care have contributed to the increasing demand as on County resources to provide the same level of services offered in prior years. The Healthcare Task Force continues to work with local providers and the County to ensure appropriate recommendations and decisions concerning the future availability of service and care. Medicaid 1115 plans continue, with Collin County as the anchor for RHP 18.

The Healthcare Foundation has lasted much longer than it was originally anticipated. The fund has continues to consume approximately \$2 million in fund balance a year. The fund is anticipated to expend its remaining fund balance in FY 2017. For FY 2017 forward the fund will need approximately \$500,000 growing to \$3.5 million by FY 2021 to maintain operations depending on rental revenue income and interest earnings. The annual transfer from the General Fund for indigent healthcare will maintain a 120 day fund balance as directed by policy. The County plans to absorb this expenditure without increasing the overall tax rate.

Budget Process

The budget is a financial plan for a fiscal year of operations that matches all planned revenues and expenditures with the services provided to the citizens of Collin County. The FY 2017 Adopted Budget covers a twelve-month period beginning October 1, 2016 through September 30, 2017.

The purpose of the budget preparation process is to develop a work program and financial plan for Collin County. The goal is to produce a budget document that clearly states what services and functions will be provided with given financial, personnel and other resources. The budget document must be clearly understandable by the taxpayers and citizens at large. It is a policy document that defines issues in such a manner that the Commissioners Court can make sound decisions regarding County programs and finances. The Commissioners Court must be given enough information to make funding choices between alternative programs and priorities. The budget document provides offices and departments with a work program to carry out their missions. It also provides the Budget Officer and the County Auditor with a financial plan with which to assure that the County operates within its financial means. Finally, the budget serves as an important reference document that provides extensive information on the nature and scope of County operations and services.

The process for developing the FY 2017 Adopted Budget involved the following overall steps:

- Setting of budget goals for the County in cooperation with Commissioners Court
- Budget Preparation workshops with County departments
- Preparation of Recommended Budget
- Commissioners Court Workshops and Public Hearings
- Preparation of the Proposed Budget
- Budget Adoption

The Annual Budget process begins with a workshop to establish the general direction of the FY 2017 Budget and to allow for the setting of budget goals for the County. This workshop is held in the context of a regular Commissioners Court meeting which is open to the public and where the opportunity for public comment does exist.

Department Directors and Elected Officials then have the opportunity to begin analyzing their current budgets and preparing requests for the upcoming fiscal year. Departments are given their baseline budgets based on current service requirements and allowed to submit expenditures proposed within baseline amounts. The baseline budgets submitted represent the departments' best judgment on how resources should be allocated based on their experience on the most effective method for delivering services.

Department improvement requests refer to requests to change the level of service or method of operation. Generally, department improvement requests are for new positions, technology, other equipment and associated supplies, and contractual services necessary to support a new

or expanded program. Information submitted in support of the department improvement describes how the proposal will improve services. Vehicles and heavy equipment are replaced based on the five-year fleet replacement schedule projections funded annually by the General Fund and the Road and Bridge Fund. Technology equipment is also replaced based on a five-year replacement schedule funded annually by the General Fund.

Major facility repairs and improvements are requested through the Permanent Improvement Request Process. A “Permanent Improvement” is defined as physical improvements to a facility, property and/or office. It is normally renovation and modifications to existing offices, buildings or grounds, etc. that are not considered normal repairs or maintenance. A walk-thru of each County facility is done every year. Maintenance and improvements to existing County facilities are funding through the Permanent Improvement Fund. This fund receives a small portion of the tax revenue and a fund balance is maintained high enough to fund future facility maintenance and improvements for the next five years.

Once the department improvement requests have been received, the Budget Office begins its review. The Budget Office utilizes revenue estimates provided by the County Auditor’s Office as well as tax roll information from the Collin County Central Appraisal District to formulate budget-balancing strategies. The Information Technology (IT) Department also reviews all budgetary requests for hardware and software, communication equipment and programming, and subsequently recommends the appropriate technology required to meet the needs identified by the office or department. Department directors are then provided with the opportunity to meet with Budget office staff and the County Budget Director during the weeks following submission of FY 2017 budget requests to further discuss and detail any requests for department improvements they have made.

Department Improvement requests are submitted to the Budget Office in priority order. Items required by statute are top priority followed by, annual maintenance of existing items, safety measures, requests to improve efficiency and processes, and lastly those items that would be nice to have. All requests are researched thoroughly for cost impact for this year and future years as well as other items each request could impact.

As an ongoing effort to improve the efficiency and effectiveness of Collin County, the Budget Office, as directed by Commissioners Court, has been continually working towards Performance Based Management since 2003. During the FY 2017 budget process, offices and departments were asked to submit performance measures as a way to demonstrate how performance will be improved in the upcoming fiscal year. Budget Office staff also worked with County offices and departments to develop systems to better track and manage data related to their performance measures. The Adopted Budget document reflects updated goals and objectives and performance measures for each department based on information provided by the Department Head or Elected Official.

The Recommended Budget document is completed in early August and submitted to the Commissioners Court as well as all Department Heads and Elected Officials. After receipt of the

Recommended Budget, the Commissioners Court holds a workshop to review the details of the department improvements requested, both those that were recommended by the County Budget Director for FY 2017 as well as those that were not recommended. Changes approved during the budget workshop are then reflected in the proposed budget document. Once the document is complete, the County Budget Director must file a copy of the proposed budget with the County Clerk and the Auditor (LGC 111.066). Upon receipt of the proposed budget, the Commissioners Court is required to set a date and place for a public hearing “*within 10 calendar days after the date the proposed budget is filed but before the last day of the first month of the fiscal year (LGC Sec. 111.067b).*” At a public hearing, the Commissioners Court gives all interested taxpayers of the County an opportunity to be heard for, or against, any expenditure or revenue estimate. Once the Commissioners Court completes its deliberations on the proposed budget, the Court votes to adopt a budget and a tax rate. The Court may make any changes to the proposed budget it deems necessary as long as the total expenditures do not exceed the total revenues estimated by the County Auditor.

Implementation of the Budget

Upon adoption of the budget by Commissioners Court, a copy of the budget is filed with the County Auditor and the County Clerk. The County Auditor will use the Adopted Budget to set up the appropriate budgetary accounts for each office and department. The County Auditor is responsible for the financial accounts of the County. The Budget Office is responsible for monitoring expenditures in accordance with the budget and for initiating appropriate budget transfers. Offices and departments are responsible for keeping expenditures within the budgeted amount and for tracking performance indicator data.

Amendments to the budget can be made after adoption. According to Section 111.070 of the Texas Local Government Code:

(b) The Commissioners Court may authorize an emergency expenditure as an amendment to the original budget only in a case of grave public necessity to meet an unusual and unforeseen condition that could not have been included in the original budget through the use of reasonably diligent thought and attention. If the court amends the original budget to meet an emergency, the court shall file a copy of its order amending the budget with the county clerk and the clerk shall attach the copy to the original budget.

According to local government code, the Commissioners Court is authorized to make inter-department and inter-fund transfers during the fiscal year, if necessary. Section 111.070c says,

“the Commissioners Court by order may: (1) amend the budget to transfer an amount budgeted for one item to another budgeted item without authorizing an emergency expenditure; or (2) designate the county budget officer or another officer or employee of the county who may, as appropriate and subject to conditions and directions provided by the court, amend the budget by transferring amounts budgeted for certain items to other budgeted items..”

The following briefly describes the process of approval for budget transfers: The office or department requests a transfer of funds from one expenditure group to another. The Budget Office evaluates the request to determine its appropriateness and the availability of funds. If approved by the Budget Office, items under \$5,000 are sent to the County Auditor to make the appropriate changes in the financial management system to reflect the approved transfer. The Budget Office forwards items over \$5,000 along with their recommendation to Commissioners Court for consideration. If approved by Commissioners Court, the County Auditor makes the appropriate changes.

In a case where the County receives grant or aid money, the budget may be amended to show receipt of the grant funds. Texas Local Government Code Section 1111.0706 states:

“The County Auditor shall certify to the Commissioners Court the receipt of all public or private grant or aid money that is available for disbursement in a fiscal year but not included in the budget for that fiscal year. On certification, the Court shall adopt a special budget for the limited purpose of spending the grant or aid money for its intended purpose.”

The same holds true for any revenues received from intergovernmental contracts. In the event that a contract is formed with the County after the budget has been adopted, the budget may be amended to reflect the special revenues. Section 111.0707 of the Texas Local Government Code states:

“The County Auditor shall certify to the Commissioners Court the receipt of all revenue from intergovernmental contract that is available for disbursement in a fiscal year but not included in the budget for that fiscal year. On certification, the Court shall adopt a special budget for the limited purpose of spending the revenue from intergovernmental contracts for its intended purpose.”

Accounting System

All County accounts are organized on the basis of funds (account groups). Using these accounts, the revenues and expenditures are approved before the beginning of each fiscal year by a budget adopted by Commissioners Court. Currently all County funds are grouped into two types, governmental funds and proprietary funds. Governmental funds include the General Fund, the Road and Bridge Fund, the Permanent Improvement Fund and the Debt Service Fund. The General Fund accounts for the main operating activities of the County. Proprietary funds (internal service funds) are used to account for the payment of employee insurance, flexible benefits, workers' compensation and similarly funded activities. These activities are funded on a cost-reimbursement basis, with the expenditure charged to the department incurring the expenditure.

The County's basis of budgeting for governmental funds and proprietary funds is maintained on a modified accrual basis. The County's basis of accounting records are also on a modified accrual basis with revenues being recorded when available and measurable and expenditures being recorded when the services or goods are received and the liabilities are incurred. Encumbrance accounting is used for all funds. Encumbrance accounting means that an estimated cost is recorded on the books at the time of an order of goods or services so that all obligations are booked. When the actual cost is known, it is booked, and the encumbrance is reversed.

Appropriations in the Capital Projects Funds are made on a project basis rather than on an annual basis and are carried forward until the projects are completed. Except for capital projects, grant and federal entitlement appropriations, or for encumbrances outstanding in any fund, unused appropriations lapse at the end of the each fiscal year.

The FY 2017 Adopted Budget appropriates expenditures into the following expenditure groups:

- Personnel
- Training & Travel
- Maintenance and Operations
- Capital Equipment

Each expenditure group is the sum of individual, similar line item allocations. This presentation of budget data is designed to provide offices and departments detailed information but with greater flexibility in the management and control of their budgets. This system reduces unnecessary bureaucratic control while continuing to provide sound financial and management information. Although budgetary data is presented in the budget document according to expenditure group, detailed line item information has been input into the County's financial management system.

Account Structure

As previously stated, the County maintains budgetary control of its operating accounts through the use of various funds. A “fund” is a self-balancing set of accounts with identifiable revenue sources and expenditures. It is segregated for the purposes of measuring a specific activity. Fund balance is the excess of revenues over expenditures and encumbrances. These fund balances are available for emergencies or unforeseen expenditures. Fund balances in the aggregate are a significant enough percentage of appropriations to meet unforeseen events or needs. The great majority of all County discretionary expenses are included in the following:

Capital Improvements Funds: Includes expenditures for capital projects related to the construction and renovation of County detention, courtroom, roads and office facilities. All proceeds come from the sale of debt instruments.

Debt Service Funds: Includes expenditures for principal and interest on all County debt.

General Fund: Accounts for most of the financial resources of the County, which may be used for any lawful purpose; includes expenditures for general administration, judicial, public safety, and health and welfare.

Road and Bridge Special Revenue Fund: Includes mainly expenditures for road projects and preventative maintenance on roads. This fund’s main source of revenue is property taxes and vehicle registration fees.

Permanent Improvement Fund: Includes expenditures associated with permanent improvement projects. A “Permanent Improvement” is defined as physical improvements to a facility, property and/or office. It is normally renovation and modifications to existing offices, buildings or grounds, etc. that are not considered normal repairs or maintenance.

Other County funds are used to provide valuable resources and services. The following are brief descriptions of some other County funds:

Records Archive Fund: Accounts for the collection of the records archive fee and the related expenditures for preservation and restoration services performed by the County Clerk in connection with maintaining the County Clerk’s records archive.

Court Reporters Fund: Accounts for the collection of statutory Court Reporter’s fee and the expenditures for Court Reporter services.

Law Library Fund: Includes maintenance and operations of a law library open to residents of the County.

County Clerk Records Management and Preservation Fund: Accounts for the collection of the County Clerk's statutory document preservation fee and the expenditures of those fees for records management and preservation services.

District Clerk Records Management and Preservation Fund: Accounts for the collection of the District Clerk's statutory document preservation fee and the expenditures of those fees for records management and preservation services.

Justice Court Technology Fund: Accounts for fees collected by the Justice of the Peace Courts and related expenditures for technology improvements in the Justice of the Peace Courts.

Courthouse Security Fund: Includes the collections and expenditures of fees for security services for buildings housing a court.

Contract Elections Fund: Accounts for funds received from local governments and related expenditures for public elections.

Healthcare Foundation Fund: Accounts for Healthcare Foundation which assumes the County's obligation to provide indigent healthcare for county residents.

County Records Management and Preservation Fund: Accounts for the collection of a statutory document preservation fee and the expenditure for records management and preservation services.

Drug Court Fund: Accounts for the participation fees paid by defendants required to maintain testing throughout their probation periods, and the expenditures for the program.

Justice Court Building Security Fund: Accounts for the collection of a portion of the Courthouse Security fee designated to provide security for a justice court in a building other than the courthouse and the expenditure of those funds as specifically designated by statute for security personnel, services and related items.

Animal Safety Fund: Accounts for animal shelter and control services for the County as well as other participating cities within the County.

[FY 2017 Combined Budget Summary](#)

Revenues

The total Collin County Adopted Budget for FY 2017 includes current revenue projections of \$317,293,015 plus \$11,463,791 of fund balance from various funds. The revenues to be received during the upcoming fiscal year are estimated by the County Auditor (Texas Local Government Code 111.062(b) (5)). The adopted revenue represents an increase of \$18,214,181 or 5.9% more

than FY 2016 adopted revenue. The FY 2017 adopted revenue represents an increase of \$8.8 million in tax revenue when compared to FY 2016 adopted revenue.

Other Financing Sources	\$330,000	\$411,500	\$398,000	\$398,000	\$1,248,000	213.6%
Other Revenue	\$876,000	\$609,000	\$708,000	\$830,000	\$723,500	-12.8%
Reserves	\$0	\$10,556,594	\$16,695,158	\$10,021,802	\$11,463,791	14.4%
	<u>\$260,900,125</u>	<u>\$279,797,754</u>	<u>\$301,450,396</u>	<u>\$310,542,625</u>	<u>\$328,756,806</u>	<u>5.9%</u>

The largest increase in revenue source is from Other Financing Sources with an increase of 213.6% or \$850,000. Additional revenues are needed for the Courthouse Security Fund as well as the Healthcare Foundation Fund. These departments received \$350,000 and \$500,000 respectively from the General Fund.

The Healthcare Foundation was created after the sale of the county hospital in 1983. The proceeds of the sale were used to purchase real estate office buildings in order to create investment earnings that, together with the charges for services and federal and state funding, are used to provide health care to indigent county residents. A portion of the funds from the sale have been used to purchase real property for rental to County departments and unrelated third parties. Grants and community agencies, that began in 2008 and continue today, have helped the county to provide preventative and minor medical care in cities where the indigent population is located. Increasing population and cost for medical care have contributed to the increasing demand on County resources to provide the same level of services offered in prior years. The Healthcare Task Force continues to work with local providers and the County to ensure appropriate recommendations and decisions concerning the future availability of service and care.

The Healthcare Foundation has lasted much longer than it was originally anticipated. The fund has continued to consume approximately \$2 million in fund balance a year. The fund is anticipated to expend its remaining fund balance in FY 2017. For FY 2017 forward the fund will need approximately \$500,000 growing to \$3.65 million by FY 2021 to maintain operations depending on rental revenue income and interest earnings. The annual transfer from the General Fund for indigent healthcare will maintain a 120 day fund balance as directed by policy. The County plans to absorb this expenditure without increasing the overall tax rate.

License and Permits Revenue increased by 68.4% due to an increase in permits, fees and licenses. Septic/Health permits increased \$120,000. Building Inspection fees increased \$140,000. This can be attributed to the population increase within the County.

Investment Revenue increased by 17.6%. Investment earnings have increased due to having more funds to invest and improving investment market.

The Reserves increased by 14.4%. The County is using \$1.4 million more in reserves in FY 2017 than in FY 2016.

Insurance and Employee Benefit Revenue increased by 13.9% due an increased transfer of funds to the Employee Insurance Fund from all funds containing County Employees. Collin County increased the employer contribution from \$900 per month per employee to \$1,050 due to increased cost in medical expenses.

Ad Valorem Taxes

Ad valorem tax revenue is determined by two components: the total appraised property value and the tax rate.

Figure 3 – Net Taxable Values

The Collin Central Appraisal District establishes the appraised property values within the County in accordance with State law. Appraised net taxable values in Collin County experienced double-digit increases throughout the late 1990s and through the year 2002. 2003 thru 2005 were years of more modest growth, whereas in 2006 and 2007 Collin County again experienced double digit increases of 10.2% and 10.9% respectively. In 2008 Collin County experienced a growth rate of 4.6% in net taxable property values in spite of the addition of a 5% homestead exemption (\$5,000 minimum), a 0.7% increase in 2009, and a 1.5% decrease in 2010. Steady growth began again in 2011. The Central Appraisal District's information for 2016 shows increase in total net taxable property values of 12.6% for a total net taxable value total of \$109,041,422,918, of which \$87,693,396,926 is for improvements.

The property tax rate consists of two components. The first is the debt service rate component that is determined by the County's debt service requirements. The current debt service rate for FY 2017 is 5.52 cents per \$100 of assessed value. Funds from this component are deposited in the debt service funds and are used exclusively to pay the principal and interest on debt. The second component of the tax rate is the amount for operating budget funds. The current operating fund tax rate for FY 2017 is 15.3195 cents per \$100 of assessed value. These two components taken together provided for a total tax rate for FY 2017 of 20.8395 cents per \$100 of assessed value.

The FY 2017 Adopted Budget is balanced with a decreased ad valorem property tax rate from FY 2016, which was 22.5 cents per \$100 valuation. ***FY 2017 marks the twenty-fourth straight year of no increase to the tax rate.*** From FY 2015 to FY 2016, the average home in Collin County increased in taxable value from \$285,292 to \$317,599, which is an increase of \$32,307 or 11.3%. The calculation of the average homestead taxable value takes into account improvements as well as changes to base valuation. The increase in the average taxable value means that the average homeowner will pay approximately \$18.96 more in county property taxes this year even with the decrease in the tax rate.

Figure 4 – Distribution by Taxing Unit

Other Revenue

Other sources of revenue to the County include charges for service, fees and permits, fines and forfeits, inter/intra-governmental funds, interest on investments and miscellaneous other revenues.

Charges for service: Includes those fees that are charged in return for a specific service required of the County. Some examples of these types of charges are copy fees, GIS services, patrol services, passport photograph services, and inmate housing services.

Fees and permits: Fees are collected from citizens in a variety of different areas. These fees include court fees, transportation fees, health fees, permit fees, general government fees, and public safety fees.

Fines and forfeits: Fine and forfeitures depend on the provisions of state law, and are usually mandatory, but occasionally optional with the Commissioners Court. This County has instituted all the optional court costs and receives the maximum amount from these sources. Revenues from this source depend on collections by departments, the actions of the courts, incidence of offenses and various other external factors.

Intergovernmental: Includes revenues from the state, federal or other governmental sources. They include state-shared revenues, inter-local contracts and federal grants. By their nature, this revenue source can be subject to substantial fluctuation. The County has adopted some measures to optimize federal and state reimbursements.

Interest: Interest earnings are a function of the rate of return and amount available for investment. The amount available for investment depends on a variety of factors, the largest of which is the cash balance available for investment. Proper planning can nearly always result in a greater amount available for investment and will increase the earnings relative to the current rate of return on investments.

Unclassified: Includes revenues that do not fit in any other category such as such as donations or insurance recovery.

The remaining revenue sources are projected to remain relatively flat from the previous year's estimates other than those noted above.

Expenditures

The FY 2017 Adopted Budget appropriation for all funds is \$328,756,806 (excluding bond funds). Figures 3, 4, and 5, as well as Tables 2 and 3 show operating appropriations and revenues for all funds for FY 2017. This represents an increase of \$18,214,181 or 5.9% more than in expenditures from FY 2016.

The largest area of growth is the Unclassified function area. The Unclassified function area has grown by 25.1% or approximately \$5,510,000. Collin County increased the employer contribution from \$900 per month per employee to \$1,050 due to increased cost in medical expenses. Additional revenues are also needed for the Courthouse Security Fund as well as the Healthcare Foundation Fund. These departments received \$350,000 and \$500,000 respectively from the General Fund resulting in an increase in Transfer-Outs from the General Fund.

Other large areas of growth include the Legal function area with an increase of 15.3%. This is attributed to an increase for Court Appointed Prosecutor as well as new positions for the District Attorney's Office.

The Debt Service function area increased by 12.1%. The County continues to sell bonds from the 2007 bond authorization for roads and parks. This past year the bonds were structured to front load the principal due to the increase in growth projected by the Collin County Central Appraisal District. This resulted in the County being able to sell 3 year bonds rather than 20 year with an estimated savings in interest payments of \$9 million.

The largest decrease is in the Culture and Recreation function area. The Culture and Recreation function area has decreased by 14.8% from FY 2016. This decrease is attributed to a one-time capital outlay of \$96,000 as well as a decrease in Library Association payments.

Another large decrease is in the Equipment Services function area with a decrease of 12.2%. Less equipment is scheduled to be replaced in FY 2017 compared to FY 2016.

General Fund

Revenues

Total General Fund FY 2017 adopted revenues are \$195,819,243. This represents an \$11,307,510 or a 6.1% increase from FY 2016 adopted revenues. The estimated ad valorem property tax revenue of \$161,263,086 is an increase of \$2,312,153 or 1.5% from FY 2016 estimated ad valorem property tax revenue. As stated above, property values increased overall by 12.6 percent.

The largest increase in revenue source is from Licenses and Permits with an increase of 68.4% or \$256,000 based on projections provided by the County Auditor. This is due to an increase in permits, fees and licenses. Septic/Health permits increased \$120,000. Building Inspection fees increased \$140,000. This can be attributed to the population increase within the County.

The Inter/Intra Governmental revenue source increased by 16.9%. Mixed Beverage Tax revenue increased and surpassed revenue estimates in FY 2016. The revenue estimate was adjusted for FY 2017. Juror payment reimbursement from the State also increased as well as the County Court at Law Judges Supplement.

The Investment Revenue source increased by 10.2%. Investment earnings have increased due to having more funds to invest and improving investment market.

The Other revenue source decreased by 13.4% due to a decrease in Indigent Legal Reimbursements.

The County makes a concerted effort to maximize all revenue opportunities. With the growing population in the County, the County continues to pursue all grant opportunities, and focuses on collecting all fines and fees due to the County.

The largest area of growth is Public Transportation. This is the first time the Commissioners Court has placed an expenditure budget for this function in the General Fund. The \$6 million budget is for a one-time capital outlay of \$6 million for the purchase of Right-of-Way.

The Unclassified function area has grown by 213.6% or approximately \$850,000. Additional revenues are needed for the Courthouse Security Fund as well as the Healthcare Foundation Fund. These departments received \$350,000 and \$500,000 respectively from the General Fund resulting in an increase in Transfer-Outs.

Permanent Improvement Fund

The Permanent Improvement fund is also financed by a portion of the property tax levy as required in the Texas Constitution. Projects in the Permanent Improvement fund are those capital projects that do not necessarily warrant the expenditure of bond funds but are still necessary to the efficient operation of the County. A “Permanent Improvement” is defined as physical improvements to a facility, property and/or office. It is normally renovation and modifications to existing offices, buildings or grounds, etc. that are not considered normal repairs or maintenance. A walk-thru of each County facility is done every year. Maintenance and improvements to existing County facilities are funded through the Permanent Improvement Fund. Total estimated revenues in the Permanent Improvement fund for FY 2017 are \$3,248,075. Total expenditures adopted for FY 2017 are \$2,804,500.

Capital Improvement Program

Long Term Debt

Collin County recognizes the importance of developing long-range capital investment planning to maintain the growth and vitality of the community. The County’s Capital Improvement Program is a multi-year infrastructure plan which matches the County’s highest priority capital needs with a financing schedule. The plan includes investments in roads, highways, bridges, parks, open space and government facilities.

Collin County issues general obligation bonds and tax notes to finance major capital projects. Capital Projects funded with bonds or other indebtedness will be managed during construction by a multiyear budget.

Capital Financing

The County's legal limits on debt are stated in the Constitution of the State of Texas, Article 3, Section 52. It says that by an affirmative vote of two-thirds majority of the voting qualified voters of the county, the County may issue bonds or otherwise lend its credit in any amount not to exceed one-fourth of the assessed valuation of the real property of the County. The County must set up a sinking fund and levy and collect taxes to pay the interest and principal of the annual required debt service until the debt is retired.

The County's debt limit is 25% of assessed value of real property. The assessed value of the real property in the County is \$99.4 Billion and one quarter of this amount is \$24.9 Billion. The total debt of the County is \$395.6 Million to be paid over the years until 2036. Both bond-rating agencies have rated the County the highest possible, with Moody's Investors Services rating Collin County their highest rating of AAA and Standard and Poor's rating the County at AAA.

The County relies on the advice of a professional outside financial advisor and its own financial officers about when it is advisable to issue new debt. A guiding principle on the issuance of new debt is the desire of the County to continue to maintain AAA bond ratings. We are well within the permissible limits set out by these advisors to continue with this goal.

Impact of Capital Budget/Bond Program on Operating Budget

Collin County has four types of active capital projects: transportation infrastructure, open space, facilities and information technology. The transportation projects consist of rebuilding bridges and improving roads on the County's Thoroughfare Plan. The majority of road projects are participation projects with cities or the state to assist with funding roads within their jurisdiction. Open space projects are a partnership with cities to assist with the improvements of land for public use for parks and recreation. The majority of the parks belongs to the cities and do not require County maintenance. Neither transportation infrastructure nor open space projects impact the 2017 budget.

Facility projects consist of improving, expanding or constructing facilities. The completion of the Administrative Building decreased the FY 2010 operating budget by \$313,180 from FY 2009 because the old facility is no longer in service and no longer requires an operating budget since it has been sold to the City of McKinney. The next phase of construction on the Collin County Courthouse broke ground in FY 2010 as did the construction on the Juvenile Justice Alternative Education Facility. The Juvenile Justice Alternative Education Facility opened in summer of 2011 and the expansion of the Collin County Courthouse was completed and opened in the summer of FY 2012. Staff from The County's University Drive Courthouse Facility (UDCF) moved into these two buildings. The UDCF is no longer in service and has been sold.

Information technology projects involve improvements to technology within the County to better serve its citizens. Plans to decommission the I-series and legacy software with the implementation of a new financial system will help to balance expenditures for hardware and software maintenance in FY 2017. Maintenance for all technology is included in the General Fund once the project is live.

2003 Bond Status

Each 2003 bond proposition was developed by a citizens committee, which evaluated and determined viable projects for the program. Committee members were nominated by the Commissioners Court and included representatives from municipalities and unincorporated areas of the County. Engineers, architects, urban planners and other specialists supported the committee. The mission of the citizens' committee was to make recommendations that would enhance the quality of life in Collin County while taking into consideration the County's future growth. After months of meetings, the committee made recommendations to the Commissioners Court on which projects they would like to see considered as a part of the 2003 Bond Program.

On November 3, 2003, Collin County called a bond election totaling \$229 million on three propositions. Proposition One was to issue bonds in the amount of \$142 million for construction, maintenance and operation of roads and turnpikes throughout the County, including participation in the cost of joint State Highway and joint city projects. Proposition Two was to issue bonds in the amount of \$11 million for the purpose of acquiring and improving land for park and open space purposes, including joint county-city projects. Proposition Three was to issue bonds in the amount of \$76 million to acquire, construct, improve, renovate and equip juvenile and adult detention facilities, including court facilities and acquisition of land. The voters of Collin County approved all three propositions. The schedule for the construction of the projects approved in this bond election was coordinated with the County's Debt Management Plan to ensure that projected capital funding requirements were consistent with plans for the sale of authorized General Obligation bonds and tax notes.

Tax Notes

In addition to the \$229,000,000 from the 2003 Bond Program, short-term debt was sold to fund important acquisitions and projects for the County. Some of the items funded with short-term tax notes include court imaging, the web project, fiber and the voice over internet protocol phone system. \$25,000,000 in short term debt was sold to purchase an Enterprise Resource Planning System and a Judicial System. The Enterprise Resource Planning System will include accounting, reporting, purchasing, human resources, budgeting, fleet, building permits and other core software needs. The new Judicial System integrates the District, County and Justice of the Peace Courts with the District and County Clerks offices as well as the District Attorney.

2007 Bond Status

On November 6, 2007, Collin County called a bond election totaling \$328.9 million on three propositions. The Commissioners Court set the funding for the 2007 Transportation Bond at \$235.6 million, the Facilities Bond at \$76.3 million and the Parks & Open Space Bond at \$17 million.

The 2007 bond propositions were developed by citizen committees, which evaluated and determined viable projects for the program. Committee members were nominated by the Commissioners Court and include representatives from municipalities and unincorporated areas of the county. The committees were supported by engineers, architects, urban planners and other specialists. The mission of the citizen committees was to make recommendations that would enhance Collin County residents' quality of life, while taking into consideration the county's future growth. After months of meetings, the committees made recommendations to the Commissioners Court on which projects would be considered as part of the 2007 Bond Program.

The transportation bond funded 113 projects that represent transportation needs in Collin County, including roads within both city limits and in unincorporated areas. An additional 66 projects have been identified and have been funded under this bond program. For transportation improvements within any city's jurisdiction, the county's participation is a fixed amount, so cost overruns will not result in an increase in the county's share of the cost. In order to encourage local participation, county funding will not exceed 50% of a project's total cost. Should a city be unable to provide matching funds to pay for a project within its jurisdiction, the county's contribution from this bond program will be diverted to another approved project.

The transportation bond committee relied heavily on the cities' recommendations in developing the list of road projects to fund. In addition, extensive traffic, population and commerce projections were collected from the North Central Texas Council of Governments in order to develop future county mobility needs. Collin County is one of the fastest growing areas in Texas in terms of population and business, now and in the foreseeable future, and our transportation needs reflect this increasing pressure on our infrastructure.

The facilities bond funded four facilities projects: expansion of the county courthouse, construction of a new juvenile alternative education facility, expansion of the juvenile detention facility, and expansion of the adult minimum security detention facility. The second phase of the new courthouse expansion has allowed court administrative offices and county courts-at-law in the older courthouses to acquire needed additional space in a centralized location. The expansion included an upgrade to the Central Plant (new piping, heat exchangers, a chiller and a cooling tower), the addition of 170,000 square feet of office space, which opened in August 2011, and remodeling of the existing office space to Courtrooms.

The facilities bond program has also provided funds for a new Juvenile Justice Alternative Education Facility, which meets current and future needs for the education and mainstreaming of troubled youth. The school was located in temporary office space at the University Drive Courthouse, and was inadequate as a secure and monitored school environment for the current enrollment. The new permanent facility is located on the county government campus on Community Drive. Construction began for the new Juvenile Justice Alternative Education Facility in 2010 and opened in the summer of 2011.

The third component of the Facilities bond program is the expansion of the adult minimum security detention center. The center, located adjacent to the Sheriff's Department and the Collin County Jail complex, will double its bed space to meet projected needs. Expansion of the Collin County Minimum Security Detention Center is projected to cost \$10.2 million. The expansion of the Minimum Security Detention Center is currently on hold. The County continues to monitor daily inmate population and will start this project when the statistics show it will be needed.

Finally, the facilities bond program will fund an expansion of the Juvenile Detention Facility in order to meet projected county population growth. The construction of an additional 48-bed housing unit (bringing the total bed count to 192) is estimated at \$8,500,000. The expansion of the Juvenile Detention expansion is currently on hold. The County continues to monitor monthly population and will start this project when the statistics show it will be needed.

For parks improvements throughout the county, bond proceeds will be used assist cities to acquire land for open space and recreational facilities and to construct and improve parks and recreational opportunities within the county, but not necessarily owned by the County. Bond proceeds will provide 50% of the funding for each eligible project, with the balance provided by cities and non-profit organizations.

The 1999, 2003, and 2007 parks and open space bond programs have returned over twice the investment of funds into them. A total of \$29,344,488.25 has been awarded since 1999.

The voters of Collin County approved all three propositions. The schedule for the construction of the projects approved in this bond election will be coordinated with the County's Debt Management Plan to ensure that projected capital funding requirements are consistent with plans for the sale of authorized General Obligation bonds and tax notes. Funding for these three programs was set based on anticipated bond capacity necessary without raising County taxes.

Conclusion

The Adopted Budget for FY 2017 represents a program of revenues and expenditures, which provide for as high a level of basic services to the community as possible within the limits of available resources. While lowering the tax rate to the Effective Tax Rate, the Adopted Budget provides for added targeted investments in priority areas. The Adopted Budget requires no increase in the overall property tax rate for the twenty-fourth consecutive year.

In summary, the County remains in excellent financial health in spite of a sluggish national economy. Collin County continues to maintain a high standard of living for its residents so the increase in population and economic growth shows no signs of abatement. We are continuing to strengthen financial controls in the County, and this will enhance our financial strength.

Community Profile

History

Collin County is located in northeastern Texas, thirty miles south of the Red River. McKinney, the county seat, is thirty-four miles northeast of Dallas. The county's center lies at approximately 33°11' north latitude and 96°34' west longitude. With the exception of a small portion of its western edge, Collin County's area of 851 square miles lies entirely within the Black land Prairie region of Texas. The surface of the county is generally level to gently rolling, with an elevation ranging from 450 to 700 feet above sea level. Deep clayey soils over marl and chalk surface the central and western part of the county. Dark loamy alluvial soils, subject to flooding during the rainy season, lie in the eastern section. The western and central portions of the county are drained by the East fork of the Trinity River. The Elm fork of the Trinity drains the eastern section. Bois d' arc, oak, elm, ash, pecan, and post oak trees grow along the streams of the county but not in sufficient quantity for commercial use. Limestone and sand for making cement are the only mineral resources. Temperatures range from an average high of 96° F in July to an average low of 34° in January. Rainfall averages just under thirty-five inches a year, and the growing season extends for 237 days.

Branches of the Caddo Indians inhabited the area before the arrival of the first white settlers. Occasional outbreaks of violence occurred between the two groups, but there was no extended period of conflict since the Caddos withdrew from the county by the mid-1850s. The absence of organized Indian resistance, combined with the county's fertile soil and an offer of land grants by the Peters colony attracted settlers to the area in the early 1840s. Even with the offer of free land, the estimated population of the county was only 150 when it was demarked from Fannin County on April 3, 1846, and named for Collin McKinney, one of the first settlers of the county and a signer of the Texas Declaration of Independence. The original county seat was Buckner. Because this town Buckner was not within three miles of the center of the county, however, McKinney became the county seat in 1848. Like the county, McKinney was named for Collin McKinney.

The settlement of Collin County can be divided into two phases. The first occurred during the early period of the county's history, from 1840 to 1860. The second phase took place during and after the arrival of railroads. The settlements established before the construction of rail lines seldom survived if the railroads bypassed them. The majority of the first settlers of Collin County were farmers who lived near streams, where water and wood were easily obtained. They established small, family-operated farms that produced mostly wheat and corn. The slave and cotton economy that characterized most of the South, with its large plantations, failed to take hold in the county. In part this was a result of the lack of navigable rivers and railroads to transport cash crops to retail centers. The nearest market was Jefferson, more than 150 miles to the east. In addition, the farmers who settled the county were from the upper South and had little experience in slaveholding or raising cotton. In 1860 only 1,047 of the 9,264 residents were black, and the cotton harvest was of no significance.

These factors, plus the influence of James W. Throckmorton, a native of McKinney and Texas state senator, resulted in Collin County's vote against secession, 948 to 405, in 1861. Once Texas joined the Confederacy, however, more than 1,500 residents of the county enlisted in the defense of the South, led by Throckmorton, who rose to the rank of brigadier general. During the war isolated incidents of violence occurred between Union sympathizers and Confederates, including the participation of an undetermined number of county residents in the events that led to the Great Hanging at Gainesville in 1862. Outbreaks of violence continued after the war. Farmersville, twelve miles east of McKinney, was the site of one of the killings that took place during the Lee-Peacock feud. By 1869 gunplay between the two groups had ended. Except for the military appointments of a few public officials in 1867–68, the county remained under the control of the Democratic Party during Reconstruction.

For the first thirty years of the county's history farmers had little incentive to take advantage of the fertile soil of the Black land Prairie, considered the richest agricultural region of Texas. Between the 1840s and 1870s the lack of transportation facilities, limited markets, and absence of mechanized farm equipment restricted the agricultural production of the county. The arrival of the railroad removed these obstacles and initiated a fifty-year period of economic growth. In 1872 the Houston and Texas Central Railway, the first to reach the county, connected McKinney and Plano to tracks that reached as far south as Houston. The Missouri, Kansas and Texas followed four years later and was joined in a decade by the Gulf, Colorado and Santa Fe. By the mid-1890s six railroads crisscrossed the county, connecting farmers to retail markets throughout Texas. With an outlet for their products farmers began to cultivate the unplowed fertile land in the eastern and central sections of the county. Between 1870 and 1920 the number of farms and crop production increased dramatically. In 1870, 903 farms valued at just over three million dollars produced 674,565 bushels of corn, 4,371 bales of cotton, and 42,827 bushels of wheat. In 1920 the number of farms had increased to 6,001, with a value estimated at well over \$84 million. Production of corn had increased to 2,574,689 bushels, cotton to 49,311 bales, and wheat to 956,412 bushels.

By the 1920s, twenty-three Collin County communities had voted road bonds totaling just under \$4 million. New roads, combined with State Highway 289, provided county residents with easy access to Dallas, Fort Worth, and Waco. By the end of the decade thirteen communities had electricity, natural gas, and a telephone exchange. Three had a population of over 1,000. In 1920 the county seat had 6,677 residents, and the population of the county was 49,609.

During the next forty years, however, the population declined. The Great Depression, mechanization of farms, and employment opportunities outside the county contributed to the drop in population. Although Collin County did not suffer the extreme hardships that befell other areas of Texas, the number of county farms declined from 6,069 in 1930 to 4,771 by 1940. The value of all crops harvested dropped from just over \$10 million to just over \$6.5 million during the same period. As late as 1940 Collin County's unemployment rate stood at 19 percent.

By the mid-1950s the economy had recovered. The average value of farmland per acre increased from \$58.91 in 1940 to \$145.52 in 1954. In part this improvement was a result of the efforts of the Texas Research Foundation and the Collin County Soil Conservation District. The Texas

Research Foundation, established at Renner in 1944, used the latest scientific discoveries to improve farming practices. In 1946 the Collin County Soil Conservation District was formed and planned the construction of 144 flood-retarding structures, including Lake Lavon, to prevent the flooding of thousands of acres of rich bottomland in southeastern Collin County. Farmers also benefited from the electric cooperatives established by the Rural Electrification Administration in the late 1930s. The Hunt-Collin Co-operative (1937), the Fannin County Electric Co-operative (1939), and the Grayson-Collin Electric Co-operative (1937) combined to bring electricity to the isolated communities of the county. New roads also assisted county farmers. In 1946 the county had 138 miles of paved roads. By the early 1970s the paved miles had increased to 2,333. The work of the Texas Research Foundation and improved soil-conservation practices increased the production of wheat, the county's primary cash crop, from 352,229 bushels in 1949 to 1,224,664 bushels in 1959.

The mechanization of farming, however, reduced the number of farms from 3,166 in 1950 to 2,001 in 1960. A corresponding decline in the county's population occurred. Historically the percentage of tenant farmers in Collin County was high; it reached a peak of 74 percent in 1925. By 1960 that figure had dropped to 38 percent. Because of the lack of business opportunities outside farming in the county, the majority of those forced to leave farming also left the county. The population decreased from 47,190 in 1940 to 41,247 in 1960.

Although agriculture, especially developing dairy farming, continued to be an important factor in the county's economy, by 1980 the introduction of light industry, combined with the growth of the Dallas metropolitan area, produced a successful diversified economy. In 1980 the number of business establishments totaled 2,388; 25 percent of the population was employed in manufacturing and 23 percent in wholesale and retail trade. Most of the population, 59 percent, worked outside the county. The economic growth between 1960 and 1980 accompanied a comparable population growth. Plano, eighteen miles northeast of Dallas, had the most dramatic increase of all Collin County towns: in 1960 Plano's population was 3,695, and twenty years later it was 72,331. Overall, Collin County's population increased from 41,692 in 1960 to 144,576 in 1980. Subsequently it continued to grow, largely as a result of the development of the suburbs in and around Plano. By 1990 the number of residents in Plano increased to 128,673, and the population of the county as a whole grew to 264,036, nearly double what it had been only a decade before. Many of the new arrivals in the county are from areas outside of Texas.

Though before 1970 the voters of the county were staunchly Democratic, from 1972 to 1992 they consistently chose Republican presidential candidates, and Republicans also made inroads in state and local races. Other changes have occurred. Due to the large number of young families that have moved to the area, the average age has dropped considerably, and education levels have been steadily rising. Hispanics, traditionally only a small minority in the county, now outnumber African-Americans, and the number of Asians is increasing rapidly. In 2014 about 61.2 percent of the population was Anglo, 15 percent Hispanic, 9.4 percent African American, and 12.3 percent Asian. Collin County is well on its way to being one of the most densely populated counties in Texas. The largest city, Plano, overshadows the county seat as the business and educational center of the county. The diversified economy continues to diminish the number of farms. At its 150th anniversary the county little resembled what was settled in the 1840s.

Economy

Figure 17 – Employment by Industry

Estimated in 2015, for the employed population sixteen years and older, the leading industries in Collin County were Education, Health, and Social Services (20.1%) as well as Professional and Business Services (16.7%). Among the most common occupations were management, business, science, and art related occupations. Second would be service occupations. Eighty-four percent of the people employed were private wage and salary workers; ten percent federal, state or local government workers; and six percent were self-employed.

Eighty-two percent of Collin County workers drove to work alone in 2015, six percent carpooled, one percent took public transportation, one percent walked, and one percent used other means. The remaining eight percent worked at home. Among those who commuted to work, it took them on average twenty-nine minutes to get to work.

The median income of households in Collin County was \$86,217. Ninety percent of households received earnings and twelve percent received retirement income other than Social Security.

Eighteen percent of the households received Social Security. These income sources are not mutually exclusive.

In 2015, ninety-three percent of people twenty-five years and over had at least graduated from high school and fifty percent had a bachelor's degree or higher. The total school enrollment in Collin County was 258,697 in 2015. Preprimary school enrollment was 16,045 and elementary or high school enrollment was 170,919 children. College enrollment was 53,885.

PURPOSE

Administrative Services manages the day-to-day operations and infrastructure of the County and acts as an advisor to the Commissioners Court on fiscal, functional, and legal matters. The Commissioners Court sets policy while Administrative Services implements that policy. Administrative Services works as a facilitator, coordinator and catalyst, developing good working relationships, and counting on and seeking out the support of the experts - department heads, appointed officials, elected officials, staff, and the community.

MAJOR PROGRAMS**MANAGEMENT****CUSTOMER SERVICE****PUBLIC INFORMATION****COMMISSIONERS COURT****TEEN COURT****FY 2017 Goals & Objectives**

- Manage existing and future capital projects including the administration of bond elections.
- Monitor federal, state, and local legislation to insure County compliance.
- Manage the selection, financing, installation, and operation of IT hardware and software.
- Provide adequate facility and infrastructure resources to support the operations of the County.
- Develop a working and professional dialogue between the County and all governmental entities in the County.
- Provide standardized personnel and payroll policies and manage their compliance.
- Support the development and implementation of County transportation plans.
- Develop and implement a proactive health policy for County residents.

PURPOSE

To ensure financial integrity of the County; enforce financial laws, policies and procedures; protect County assets, and maintain accurate and timely financial and accounting records.

MAJOR PROGRAMS**ADMINISTRATIVE**

To provide direction and support to all areas of the Office of the County Auditor.

INTERNAL AUDIT

To perform audits under the direction of the County Auditor of County offices and departments to identify and address risks and ensure compliance with all laws, policies and procedures. Authority for these audits are found in the following State statutes: L.G.C. 112.002, 112.005, 112.006, 112.007, 113.043, 113.046, 113.064, 113.901, 114.023, 114.025, 114.043, 115.001, 115.002, 115.003, 115.0035, 115.0036, 115.004, 115.901, 117.058, 117.123, 140.003(g), 140.004(d), and 154.044.

ACCOUNTING

To account for and report on all financial activities of the County including budget and expenditures, revenues, capital assets and investments while ensuring compliance with the Governmental Accounting Standards Board (GASB) and all laws, policies and procedures. Authority for this activity by the County Auditor comes from the following State statutes: L.G.C. 112.002, 112.005, 112.006, 112.007, 113.901, 114.023, 114.024, 114.025, 114.043, 115.001, 115.002, 115.003, 115.035, 115.004, 115.901, 140.003(g), 140.004(d), and 154.044.

GRANTS AND PAYROLL

To account for and report all payroll and grant activities of the County. This includes searching and applying for grants for all departments of the County as well as preparing and submitting payment requests for grants. The payroll activity in the Human Resources Department is monitored to ensure accuracy of payroll activities. Authority requiring the County Auditor for this comes from the following State statutes: L.G.C. 112.002, 112.005, 112.006, 112.007, 113.901, 114.023, 114.024, 114.025, 114.043, 115.001, 115.002, 115.003, 115.035, 115.004, 115.901, 140.003(g), 140.004(d), and 154.044.

ACCOUNTS PAYABLE

To audit and prepare payments for all expenses of Collin County as prescribed by state statute in L.G.C. 112.002, 112.005, 112.007, 113.043, 113.046, 113.064 and 113.901.

DEPARTMENT IMPROVEMENTS

The Auditor's Office received approval for additional personnel. An Accountant/Auditor is needed not only to carry on the duties of a functional analyst for the new financial system (Munis by Tyler), but to perform as the accounting subject matter expert for all future system implementations in other departments to develop internal controls and interfaces with the new financial system; this person will also create dynamic financial reports for internal/external use. The cost of this department improvement to Collin County is \$85,297 in recurring expenditures and \$3,580 in one-time expenditures.

BAILIFF/COURT SECURITY

The goal of this organization is to provide the Justice of the Peace Court Precinct 1 with trained and qualified deputies, as bailiffs, to ensure the safety of the court, employees and the public as they conduct business with and for Collin County. The Local Government Code Section 86.021e requires that a Constable shall attend each session of Justice Court held in the Constable's Precinct.

BAILIFF/COURT SECURITY CONTINUED

FY 2017 Goals & Objectives

- To provide security for staff and citizens by attending Justice of the Peace court sessions.
-

ADMINISTRATION

Administration is responsible to provide the employees of department supervision and direction which enables programs to operate on a daily basis. Oversees all functions, operations, and duties of the department.

FY 2017 Goals & Objectives

- Continue with education within the department utilizing information technology in an effort to maximize efficiency.
-

DEPARTMENT IMPROVEMENTS

Constable 1 received an increase in Education and Conference. This additional funding is needed to send at least one person to the annual Tyler Technologies conference, which allows that individual to get critical training and updates regarding the Odyssey court system that is used daily by the department. The cost of this department improvement to Collin County is \$1,200 in recurring expenditures.

Constable 1 received funding to purchase Plate Carrier Vests and Rifle Helmets, 6 of each. The cost of this department improvement to Collin County is \$9,990 in one-time expenditures.

PURPOSE

To efficiently fulfill the Constitutional responsibilities of the Office of Constable by legally serving all civil process for the courts, serving the Justice Court as bailiff, and enforcing the laws of the State of Texas.

MAJOR PROGRAMS**CIVIL**

Civil Process is our primary function. The courts need us to serve their process in order for them to function properly. The plaintiffs have paid their money for "service" and deserve to have their cases go forward. On average we make 2.5 trips to an address per paper.

FY 2017 Goals & Objectives

WARRANT

The courts issue orders in the form of arrest warrants. If those orders were not carried out by law enforcement organizations, the courts would have no value and justice could not be served. We execute the arrest warrants in order to bring offenders before the Court of Adjudication.

FY 2017 Goals & Objectives

- To ensure the ends of justice are served by the guilty knowing there are consequences for their actions.
- To assure the merchants that the system is working for them when they are victimized by hot check writers.

ADMINISTRATIVE

The administrative program is designed to monitor all office activities in order to attain the most effective, efficient, and professional operation possible. The office is broken down into different divisions to make monitoring each more effective. The administrative staff has set out policies, procedures and objectives so each employee is clear on their function within the organization.

FY 2017 Goals & Objectives

•The goal of this organization is to provide quality public service in a cost effective manner by monitoring the day to day operations of this organization, projecting activity and making adjustments in areas of responsibility, projecting costs to operate and planning accordingly in the budget process.

•It is a goal of this organization to perform our job related duties in a professional, courteous manner with accuracy and efficiency and to conduct our daily business in accordance with all State and Local rules, laws and statutes.

WRIT DIVISION

Specialized program that deals with the court ordered attempt to collect judgments handed down by the courts in Civil Law Cases. This needs to be a specialized division, requiring one full time Deputy Constable and requires specialized training on state statutes on what property the defendant has that is subject to levy and sale of the non exempt personal property. Writs carry a large amount of liability for the office, the Deputy and the County if the writ is incorrectly executed and property is not seized and sold, or if the incorrect property is seized and sold.

WRIT DIVISION CONTINUED

FY 2017 Goals & Objectives

- To have well trained, well educated individuals that can work well under pressure and make good, sound, swift decisions when working writs and know how to research land deed records and other records to determine what property is subject to levy and sale.
- To work writs in a professional, efficient, diligent and effective manner and to treat all citizens fairly while working within the frame work of Texas Statutes and Laws.

PAYMENT DELINQUENT ORDER

Designed to Attempt to collect “hot checks” written to the Collin County Tax Assessor for registration of motor vehicles (for license plates). If the “hot checks” go uncollected, the fees are charges off to the State of Texas. By statute, any Sheriff, Constable or State Trooper may work these cases. If the person who issues the “hot check” can be located in our county and cannot/does not make restitution on the check, one option we have is to remove the license number plates from the vehicle and return them to the Tax assessor Collector. Collin County also collects a \$30.00 return check fee on each case collected.

FY 2017 Goals & Objectives

- To collect the registration and return check fees on each and every case by effective and efficient methods such as sending letters to the person that issued the “hot check”, making visits to the known addresses and by seizing the license number plates, if necessary.
- To complete our assigned task in a professional, effective and efficient manner.

PURPOSE

Construction & Projects is responsible for planning and construction of Collin County's permanent improvements, Facilities Bond Program and leases of County owned buildings and County occupied spaces.

MAJOR PROGRAMS

ADMINISTRATION

Monthly reports measuring budget and schedules of Court approved Permanent Improvement Projects, Long Term Projects and Bond Projects are submitted. Quarterly PBM reports measuring goals, accomplishments and objectives for budget and schedules of Court approved Permanent Improvement Projects, Long Term Projects, Bond Projects and Leases are submitted.

PERMANENT IMPROVEMENTS

Through this aspect of our department we plan, design, review and oversee building projects through to completion. Projects are requested by Department Heads during the budget process and we research the best & most economical way to process as well as recommending & prioritizing them into categories such as safety, efficiency and new personnel requirements. We coordinate with General Contractors, Sub-Contractors, Engineers, Architects, Consultants, Materials Testing Labs as well as internal County Staff to assure projects are adequately managed and built within code and comply with regulations such as Americans with Disability Act.

FY 2017 Goals & Objectives

- To keep approved projects within budget 90% of the time.
- To keep approved projects on schedule 90% of the time.
- To improve the annual processing of construction budget requests submittals from county department heads. Ensure reviewing and responding to each submittal within 60 days 90% of the time.

LEASES

Collin County in coordination with the Collin County Health Care Foundation oversees the space we as landlords lease as well as what we lease as tenants. Once a tenant has made an agreement to lease a space from Collin County, we investigate the tenant for type of business, financials and references. If renovations are required to satisfy the tenant's needs, we design and oversee renovations to their satisfaction. In addition, we also work with the tenant on a pay back plan for construction cost and amend rental payments for the time duration of the lease. We receive and track monthly rental payments and prepare monthly reports.

PURPOSE

The MHMC office mission is to seek systemic solutions to get and keep mentally ill defendants out of the criminal justice system. The program works to improve the quality of representation to indigent defendants with mental illness, streamline coordination of defendant competency restoration or stabilization and coordinate case managers to assist attorneys through mental health case management, mitigation strategy assistance and defense advocacy. The Department is responsible for ensuring any individual who has been arrested is given the choice of legal representation. Individuals who meet qualifications of indigency will be appointed counsel under the Texas Fair Defense Act of 2001.

MAJOR PROGRAMS

MHMC-Appointment of counsel and case management services for inmates with MH issues.

Indigent Defense Attorney Appointments-Legal and formal process provided to all persons arrested in Collin County, to be formally informed of the charge against them by a Magistrate Judge. All arrests are processed by the office of Indigent Defense as this office supports the Justice of the Peace Judge in the arraignment proceedings.

FY 2017 Goals & Objectives

- To improve the quality of representation to indigent defendants with mental illness.
- Streamline coordination of defendant competency restoration or stabilization.
- Coordinate Case Managers to assist attorneys through mental health case management, mitigation strategy assistance and defense advocacy.
- To support the Judge in the arraignment process by completing the magistrate certificate, DLD orders, completing bond forms, sharing data with arresting agencies, processing CPF warrants and other tasks as assigned by the Magistrate Judge.

DEPARTMENT IMPROVEMENTS

The Court Appointed Representation-Indigent Defense Coordinator received funding for newly created FY2017 budget. The personnel includes a Chief MHMC Attorney, Case Coordinator and a Secretary as well as maintenance and operating funds. Cost of this department improvement to Collin County is \$250,449 in recurring and \$16,210 in one-time expenditures.

The Court Appointed Representation-Indigent Defense Coordinator took over the County Clerk Indigent Defense Coordinator. The personnel includes an Indigent Eligibility Specialist, Legal Clerk I and additional Legal Clerk I position as well as maintenance and operating funds. No budget impact to Collin County.

DEPARTMENT IMPROVEMENTS

Development Services received funding for contract labor. The department is required by law to have a licensed plumbing inspector to conduct all plumbing inspections. Cost of this department improvement to Collin County is \$2,300 in recurring expenditures.

Development Services received funding for a MiFi and portable printer. The addition of these items will allow them to enter information in the field and eliminates the need to hand write notes and then spend time entering them into the sysyem later. Cost of this department improvement to Collin County is \$480 in recurring expenditures and \$250 in one-time expenditures.

PURPOSE

The Criminal District Attorney's mission is to pursue justice and protect the community. The Criminal District Attorney ("District Attorney") and his 66 assistant district attorneys represent the State of Texas in all criminal prosecutions in Collin County. They exercise that authority and discharge those responsibilities granted to the District Attorney by Texas law (including the Constitution of the State of Texas, Texas Code of Criminal Procedure, Texas Local Government Code, and many others). As an administrator of justice and advocate for the rule of law, the District Attorney employs those of the highest integrity, skill, and courage. All staff members are committed to accomplishing the mission of the District Attorney through professional excellence, fairness to the accused, compassion and respect for victims and witnesses, and respect for the court and opposing counsel.

MAJOR PROGRAMS

To more effectively pursue justice and protect the community, the District Attorney has organized the office into separate divisions. These divisions reflect the varying nature of cases filed with the District Attorney by law enforcement. These criminal divisions are Felony Trial, Misdemeanor Trial, Grand Jury/Intake, Family Justice, Crimes Against Children, Domestic Violence, Special Prosecutions, Appellate, Hot Checks (the Hot Check Loss Prevention Program) and Victims Assistance. The District Attorney also represents the State of Texas in all civil cases in the courts of Collin County unless otherwise provided by law. The District Attorney has two divisions with responsibility in civil cases: the Civil Division (for Bond Forfeiture cases, and Asset Forfeiture cases) and the Family Justice Division (for Adult and Child Protective Services cases and Juvenile cases).

FELONY TRIAL DIVISION

The District Attorney's Felony Trial Division includes a Chief Prosecutor of the division, three Felony Chief Prosecutors, and 11 Felony Prosecutors. They work in seven of the District Courts in Collin County. They are responsible for all felony cases in these courts except those cases assigned to Crimes Against Children, Special Prosecution, and Domestic Violence.. Examples of Felony Trial Division cases includes felony DWI, drug manufacture and distribution, home and office burglaries, aggravated sexual assault (rape), aggravated assault causing serious bodily injury, murder, and capital murder cases.

FY 2017 Goals & Objectives

- Process all felony cases filed with the District Attorney from all law enforcement agencies operating in Collin County in a manner that pursues justice and protects our community.
- Emphasize and direct resources to prioritize the prosecution of criminals who present the greatest danger to the community.

PERFORMANCE MEASURES	FY 2012 ACTUAL	FY 2013 ACTUAL	FY 2014 ACTUAL	FY 2015 ACTUAL	FY 2016 YTD ACTUAL

Felony Cases Disposed	3,252	2,964	3,022	3,031	5,082

MISDEMEANOR TRIAL DIVISION

The Misdemeanor Trial Division prosecutes all of the Class A and B misdemeanor offenses in Collin County. Class "A" and "B" misdemeanors are those for which jail time is part of the range of punishment. In addition, they prosecute all Class C offenses ("fine only" offenses like traffic tickets and ordinance violations) that are appealed to the county courts. The Misdemeanor Prosecutors also travel to the five Justice Courts in Collin County to prosecute the Class C misdemeanor cases that get set for court hearings and trial. There are 18 Trial Prosecutors in this Division assigned to seven different County Courts at Law. There is also a Misdemeanor Prosecutor assigned to handle the agreed pleas of guilt that are processed through the auxiliary court and another prosecutor working in the Domestic Violence Unit. On occasion, a Misdemeanor Chief will receive training and assist in a felony prosecution.

MISDEMEANOR TRIAL DIVISION CONTINUED

FY 2017 Goals & Objectives

- Process all misdemeanor cases filed with the District Attorney from all law enforcement agencies operating in Collin County in a manner that pursues justice and protects our community.
- Participate and coordinate the DWI Blood Grant/ District Attorney's No Refusal Program. This provides for health care professionals to be available for law enforcement agencies to obtain blood draws from DWI drivers (when ordered by a warrant issued by a Collin County judge).

THE CRIMES AGAINST CHILDREN DIVISION ("CAC")

The Crimes Against Children Division prosecutes crimes committed against children who were abused at a young age, typically under 14 years of age. These cases involve laws and issues that are unique to child victim cases. The District Attorney is deeply devoted to pursuing justice for these especially vulnerable victims and also to protect the community from further harm. The CAC team now includes one Chief Prosecutor, five Felony Prosecutors, two Felony Investigators, and two Legal Secretaries. These prosecutors are typically in the courtroom more often than non-CAC felony prosecutors. This division engages in "vertical prosecution," where prosecutors work with the cases at the Children's Advocacy Center soon after the crime is reported, and the same prosecutor handles the case pre-indictment through disposition. Victims of sexual abuse, especially children, often have difficulty relating a traumatic event. Early engagement by the prosecutor establishes trust with the child and provides a more complete and thorough understanding of the facts of the case leading to more just results. The "vertical prosecution" model is designed to maximize the amount of evidence collected, ensure the evidence is collected according to best practices, maximize the help that is available for the young victims of these crimes, and minimize the trauma for the child as the case is prosecuted.

FY 2017 Goals & Objectives

- Conduct the prosecution of Crimes Against Children cases using a vertical prosecution model. Work closely with the detectives of the law enforcement agencies to aid and strategize in the ongoing investigations into these crimes.
- Prepare all CAC cases that are filed with our office for Grand Jury review.
- Process all felony cases filed with the District Attorney from all law enforcement agencies operating in Collin County in a manner that pursues justice and protects the community.

GRAND JURY AND INTAKE DIVISION

This Division receives almost all of the cases that are filed with our office from the police agencies within Collin County. The prosecutors review each case to make sure there is sufficient evidence to proceed with prosecution. If this standard is met, misdemeanor cases will be directly filed with the Collin County Clerk and from there assigned to a court. Felony cases are presented to the Grand Jury for review. The Grand Jury hears evidence presented by the Grand Jury prosecutors and witnesses and then votes in secret to decide if a case should be indicted. Indicted cases are filed by the Collin County District Clerk into one of the District Courts. The Division consists of one Chief Felony Prosecutor, two Felony Prosecutors, and four Legal Secretaries.

One prosecutor in the division is the coordinator for the Diversion Program, created by the District Attorney in 2011. This program is designed for low level offenders (first-time, non-violent, usually young) who have learned their lessons by merely being arrested and taken to jail. If they qualify for this program and they admit their guilt, these offenders can be placed on a low level probation. If they successfully complete the program, the case against them is dismissed and they are eligible to have their criminal records expunged. For FY2016 there were 484 people admitted into the program.

FY 2017 Goals & Objectives

- Process, review, and evaluate all felony cases filed with the District Attorney. Present cases to the Grand Jury for consideration of indictment.
- Process, review, and evaluate all misdemeanor cases received from law enforcement agencies in a timely and just manner. Prepare and file cases that possess sufficient evidence for prosecution in the county courts.
- Evaluate cases for the District Attorney's Diversion Program. Collaborate with the probation department in evaluating candidates for program suitability.

FAMILY JUSTICE DIVISION

Juvenile cases: Prosecutors assigned to the Family Justice Division prosecute all Collin County juvenile offenses. Juvenile cases are essentially criminal cases where the actor is younger than 17 but no younger than 10 years of age. These crimes consist of the same types of crimes committed by adults, everything from misdemeanor theft to murder. Juvenile cases are also different from adult cases as they are filed as civil cases under the Texas Family Code. The Family Justice Division includes one Chief Felony Prosecutor, three Felony Juvenile Prosecutors, three Felony CPS Prosecutors, three Investigators, and three Legal Secretaries.

CPS cases: This Division also represents the State of Texas in Child Protective Services ("CPS") cases. These are cases where a child has been abused or is in danger of abuse, and a civil case is filed with the objective to find a safe harbor for the child.

FY 2017 Goals & Objectives

- Process, review, and evaluate all juvenile cases for appropriate disposition that will pursue justice and protect the community. File petitions in appropriate juvenile cases. Represent the State of Texas in juvenile detention hearings and in any pre-petition hearings necessary for the case.
- Process, review, and evaluate all cases presented to the District Attorney for removal of a child and file petitions in appropriate cases if the evidence shows that the child needs to be protected.

DOMESTIC VIOLENCE AND PROTECTIVE ORDERS

Most misdemeanor and felony domestic violence cases are now handled by a newly created Domestic Violence Unit. The DVU includes one Chief Felony Prosecutor, one Felony Prosecutor, one Misdemeanor Chief, a Felony Investigator, and a Legal Secretary. These cases can include assault/family violence, aggravated assault, continuous family violence, enhanced family violence, assault by impeding breath or circulation and stalking. Protective order applications and prosecution of violations of protective orders are also handled by these prosecutors. An investigator and secretary assist in the preparation and management of these cases.

FY 2017 Goals & Objectives

- Process, review, and evaluate all domestic violence cases brought to the District Attorney by law enforcement agencies. File by information (misdemeanor) or present to the Grand Jury (felony) in appropriate cases. Prosecute those cases filed in a manner consistent with pursuing justice and protection of the victim and our community.
- Process, review, and evaluate all application for protective orders and file petitions for protective orders for situations that qualify for the District Attorney to represent the applicant.

CIVIL DIVISION

The District Attorney represents the State of Texas in all civil cases in the courts of Collin County unless otherwise provided by law. In order to perform the duties imposed by law arising from this authority, the Criminal District Attorney has two divisions with responsibility in civil cases: Family Justice (for Adult and Child Protective Services cases, and Juvenile cases), and the Civil Division (for Bond Forfeiture cases, and Asset Forfeiture cases). The Civil Division consists of one Chief Felony Prosecutor and one Felony Prosecutor. They are supported by two Legal Secretaries.

Asset Forfeiture: The Division reviews and, if appropriate, accepts cases filed by law enforcement agencies asking to forfeit property that was used in criminal activity or that is the proceeds of criminal activity. If sufficient evidence exists to support the request, a prosecutor will file a petition to seek a hearing to present evidence to the court showing that the assets should be forfeited.

Bond Forfeiture: These cases are filed by the Civil Division when a defendant who is on bond fails to show up at a court required appearance. If the judge initially orders the bond to be forfeited, the Civil Division will file a case to ask the court to enter an order that the bond be forfeited and that the funds from that forfeiture be paid to the county. This Division also handles all Public Information Requests received by the District Attorney, as well as mental health hearings brought before the Probate Court.

FY 2017 Goals & Objectives

- Process, review, and evaluate all cases brought to the District Attorney's office by law enforcement agencies for consideration of filing petitions for forfeiture of assets that are used to commit felony crimes (specified by statute) or assets that are proceeds of felony crimes (specified by statute).

CIVIL DIVISION CONTINUED

FY 2017 Goals & Objectives

- Process, review, and evaluate all felony and misdemeanor judgment findings from the courts of Collin County for the consideration of filing a bond forfeiture action to recover the amount of the bond.

VICTIMS ASSISTANCE DIVISION

Victim Assistance Division staff serve as a compassionate and skillful liaison between the Collin County victims of violent crime and the complex criminal justice system. Our three Victims Assistance Coordinators (two budgeted and one grant) and one legal secretary ensure that we comply with the State mandates in the Crime Victim's Bill of Rights and that each victim of a violent crime has the opportunity to have input into the ultimate decision of how the offender is prosecuted and punished. Each victim assistance coordinator helps victims by informing them of their legal rights, assisting them with safety planning and making appropriate referrals, as needed, assisting them with applying for Crime Victims' Compensation, assisting them with completing the Victim Impact Statement, assisting them with protective orders and other paperwork, as needed, and accompanying them to meetings with their prosecutor and/or to court. The victim coordinator assists victims in cases of sexual assault, kidnapping, aggravated robbery, trafficking of persons, injury to a child, elderly or disabled individual, family violence, close family members of victims in death cases and assists victims in property crimes.

This area of the office provides a safe and comfortable place for victims to wait while their trial is taking place as often the victim is not allowed to remain in the courtroom. This safe place for victims carries the added security benefit of keeping victims separate from their attackers/abusers. The staff also has an open door for victims who have questions about their cases and for those that need information on available social services.

The Victims Assistance Coordinators also spearhead the District Attorney's commitment to educate the public about victims and their rights. The District Attorney helps sponsor the Tree of Angels in December of each year to remember and honor victims and their families. The District Attorney also helps sponsor the Victims Rights Week luncheon to honor victims, recognize their rights under the law, and foster a more equitable and supportive response to victims and their plight.

FY 2017 Goals & Objectives

- Victims of violent crime will receive assistance and information from victim advocates that empowers them to make informed decisions not only in their personal lives but also in relation to their participation in the criminal justice system and the exercise of their rights.
- Send and provide information packets to victims that include the "Rights of Crime Victims" as required set out in the Texas Code of Criminal Procedure. Help crime victims apply for Crime Victim Compensation for those situations where the victim is eligible for relief. Help subpoenaed, out-of-county witnesses with reimbursement of qualifying expenses incurred because of their testimony at trial.
- Provide victims with community resources and safety planning.
- Provide a safe and comfortable area for the victims of crimes to wait while their trials are taking place.

APPELLATE DIVISION

The District Attorney represents the State of Texas on cases that have been appealed to the Court of Appeals and the Court of Criminal Appeals. He accomplishes this through his Appellate Division's Chief Felony Prosecutor, four Felony Prosecutors, and two Legal Secretaries. They also represent the District Attorney in post-conviction writs that are filed in criminal cases that have been prosecuted in Collin County. The prosecutors also are responsible for evaluating and prosecuting motions for non-disclosure and motions to expunge.

FY 2017 Goals & Objectives

- Represent the State of Texas for all cases appealed that are handled by the District Attorney.
- Represent the State of Texas for all writs that are filed within the jurisdiction of the Collin County District Attorney.
- Provide legal analysis to other District Attorney prosecutors as appropriate and necessary.
- Represent the State of Texas for all expunctions and non-disclosure motions filed in County or District Courts of Collin County.

ADMINISTRATION

The Administration Division has responsibility for the leadership, operations, and support of the office. The Administration Division includes Operations and Investigations.

DEPARTMENT IMPROVEMENTS

The District Attorney's office received funding to increase a part time position to a full time position in the Civil Division. The part time to full time position was a Chief Felony Prosecutor due to the tremendous growth in the Civil Division. Cost of this department improvement to Collin County is \$86,051 in recurring expenditures.

The District Attorney's office received funding for two new personnel in the newly created Domestic Violence Unit. The personnel includes a Chief Felony Prosecutor and a Victims Assistance Coordinator. Cost of this department improvement to Collin County is \$185,232 in recurring and \$20,950 in one-time expenditures.

The District Attorney's office received funding to increase a part time position to a full time position in the Grand Jury Division. The part time to full time position was a Felony Prosecutor due to the increasing case load and complexity of the cases. Cost of this department improvement to Collin County is \$56,886 in recurring expenditures.

The District Attorney's office received funding for four file cabinets. The file cabinets are needed due to the addition of County Court at Law No. 7. Cost of this department improvement to Collin County is \$2,400 in one-time expenditures.

PURPOSE

The District Clerk is a constitutional office created for the custodial care and management of all Collin County District Court legal records, filings, and indexes. This is accomplished by providing efficient and cost effective professional service to the District Courts, legal professionals and citizens.

MAJOR PROGRAMS**CRIMINAL**

The District Clerk is statutorily responsible for all felony indictments and shall maintain an accurate record of all related documents. Indictments are received by the District Clerk from two grand juries, twice each week, during a six month term. The criminal deputy clerks shall have an understanding of the Texas Criminal Procedure Code and Rules and the Texas Penal Code as applied to the filing of an indictment, bond, judgment and any other pertinent information for the proper execution of said documents. Each clerk is responsible for the accuracy and organization of all material relating to processing a felony judgment and fulfilling all state reporting requirements.

FY 2017 Goals & Objectives

- Filing of all criminal indictments, pleadings, and documents; and accurately entering such filings into the case management system, thereby serving the courts and citizens in an efficient and timely manner.
- Provide the State of Texas, Office of Court Administration and Texas Department of Public Safety with all required reporting.

PURPOSE

The District Clerk is the Jury Administrator for Collin County and shall summons jurors for the District Courts, County Courts at Law, and Justice of the Peace Courts at the request of said courts.

MAJOR PROGRAMS**JURY MANAGEMENT**

The District Clerk, as Jury Administrator, will promote the most efficient and expeditious use of citizens' time when they are summoned to serve as a prospective juror. In fiscal year 2015, the District Clerk's office finished implementation of a new jury system that can better meet the needs of the citizens as prospective jurors. The new system allows for prospective jurors to complete their questionnaire on-line and receive notification by text or email if their service is no longer needed. Persons who report for jury service and discharge their daily duty may be reimbursed \$6.00 for the first day of service, and reimbursed \$40.00 per day thereafter or they may donate all or a portion of their pay to the Victims Crime Fund, Child Protective Services, or a non-profit agency approved by the Commissioners Court. The County receives partial reimbursement from the State for the payment to jurors.

PURPOSE

The District Clerk is one of only two agents in each Texas County authorized to accept passport applications on behalf of the United States Department of State.

MAJOR PROGRAMS**PASSPORTS**

The District Clerk's office accepts passport applications according to the requirements set forth in the United States Code, Title 22, Chapter 4. In addition to processing an application for a U.S. passport, the District Clerk may also take passport photographs. Passport acceptance is not mandated, however, the District Clerk is the only acceptance agency in the county allowed by statute outside of the U.S. Post Offices, which are currently providing limited services in Collin County. In order to be designated as a passport acceptance agent, employees are required to pass an exam administered by the U.S. State Department and complete a six hour course annually. Passports are accepted in offices located in Plano and McKinney. Revenues received from processing passports and photographs are deposited into the county's general fund.

FY 2017 Goals & Objectives

PURPOSE

The Collin County Elections Department is responsible for conducting federal, state, county elections and provides election services contracts to political subdivisions for the conduct of local elections. The department is responsible for facilitating voter registration and for maintaining an accurate and up-to-date database of the registered voters in the county. Additionally, the department is responsible for maintaining campaign finance files, redistricting of voting precincts and maintenance/programming/testing of election equipment.

MAJOR PROGRAMS**VOTER REGISTRATION DATABASE MAINTENANCE**

The List of Registered Voters is maintained for 525,000+ voters in accordance with state law. Proper street file maintenance is critical for precinct and district assignment. The office interfaces with cities, school districts, special utility districts, the Central Appraisal district, and the County's GIS Department for current street information. The list is maintained and provided to jurisdictions prior to elections. Voter History is maintained for elections conducted by the county and provided to interested parties.

FY 2017 Goals & Objectives

ABSENTEE BALLOT BY MAIL DIVISION - Restructure and streamline the absentee ballot by mail division of the elections department to include new software and equipment for the scanning and indexing of all absentee mail ballot applications and the returned envelopes containing voted ballots. The updated software will be used to store, track and process the scanned documents. This method will provide for a more efficient and secure way to process all mail balloting documents including annual absentee by mail applications that are valid for each election in a calendar year. The enhancement will also allow the ballot board to perform the required duties signature verification of the ballot applications and returned ballots via scanned images of the documents verses the current process that results in excessive handling of the hard copies documents.

ELECTIONS

To conduct Federal, State, County and local contracted elections within the timeframe defined by statute. Ballots are prepared, election equipment and supplies furnished, and logistical and managerial components are coordinated by election staff. Polling locations, sample ballots, interactive maps and election information are posted to the County's website: publishing's are done in compliance with election law. Ballots are tabulated and election results are released to the entities and the public in a timely manner. Early voting by personal appearance, absentee ballot by mail and election day vote centers are conducted as prescribed by law. Quantities of voting equipment, polling locations, supplies and election workers must be adequate to accommodate anticipated voter turnout.

VOTING EQUIPMENT MAINTENANCE AND SECURITY

The preparation, maintenance and testing of each voting machine and tabulation equipment is required by statute. The security management and tracking of all components is essential for the integrity of the election processes. Thorough auditing and record keeping before, during and after elections is required.

FY 2017 Goals & Objectives

PREPARATION OF RFP FOR A NEW VOTING SYSTEM - Begin composition of a RFP for a new voting system to replace the current voting system that was purchased in 2003. Develop a timeline for completion of the RFP, public demonstrations from potential bidders and identify process and participants for reviewing the submitted RFP's. Implementation of a new voting system in Collin County is estimated for late 2018 or early 2019.

PUBLIC EDUCATION AND TRAINING

Public education and training programs are provided for citizens and voters in Collin County that cover election law, voter registration, polling place procedures and the use of the voting equipment. Volunteer Deputy Registrars are trained and deputized to conduct voter registration drives and assist in the voter registration processes. Election workers are thoroughly trained on proper procedures, legal requirements and use of equipment for conducting elections.

FY 2017 Goals & Objectives

DEVELOP AN ELECTION EQUIPMENT TRAINING VIDEO - Develop an election equipment training video for use in training classes for election workers. The video will show a reenactment of the proper procedures for setting up and securing election equipment at the polling location, trouble shooting for equipment issues and shutting down procedures after the polls close. If possible, also load the video on the E-Pollbook laptop computers used in the polling location for quick reference by the election workers.

CAMPAIGN FINANCE

Maintain campaign finance reports and campaign treasurer designations filed by county level candidates, office holders and specific purpose political action committees. Reports are maintained in both hard copy and scanned/indexed electronic formats. Campaign finance reports are maintained in accordance with regulations outlined under Title 15 of the Texas Election Code. Forms filed under Title 15 are public records and must be made available for public inspection.

FY 2017 Goals & Objectives

ELECTION SERVICES CONTRACTING PROCESSES - Develop new and improved processes relating to election services contracting procedures. Introduce new software that will enhance the end-to-end development of election services contracts including legal requirements, detailed costs for conducting the election and itemized cost apportionment for each of the participating entities. In addition, research ways to streamline and improve the turnaround time for completing election worker payroll entries.

PURPOSE

To reduce the risk to citizens of Collin County from threats of domestic and international terrorism, natural disasters, and man made disasters by collaborating with local, state and federal governments, local school districts, universities and appropriate private organizations to develop, implement and respond to security and emergency concerns while protecting the privacy, civil rights and civil liberties of all citizens.

MAJOR PROGRAMS**ADMINISTRATION/TRAINING**

Follow the goals, objectives, and standards set forth by the Collin County Commissioners Court and the Collin County Administrator. Collin County Office of Emergency Management ensures the hiring of qualified personnel. The administration will properly train and provide all resources necessary for personnel to efficiently function at a high level. This administration deals with daily operations of employee supervision, grant funding applications, internal and external reporting, planning, and writing policy and procedure manuals. Community Outreach which includes, exercises, training, presentations, tours of facilities, and public education are a large part of Emergency Management. Meeting with Federal, State, and Local jurisdictions make up a large part of the Emergency Management office. We have established a solid organizational relationship with numerous agencies which will benefit the citizens of Collin County for years to come.

EMERGENCY MANAGEMENT

The Collin County Emergency Operations Center (EOC) is a functional facility set up with operational, planning and logistical support to local jurisdictions during natural or man-made disasters. The EOC is on-call 24 hours a day 7 days a week and has a goal to be up and running within 1 hour of the emergency call.

PUBLIC HEALTH EMERGENCY PREPAREDNESS

Public Health Emergency Preparedness (PHEP) is a capabilities based grant that is set by the Centers for Disease Control and Prevention. The Texas Department of State Health Services closely monitors the grant and public health preparedness program. Funds are allocated to plan, equip, train, exercise and evaluate the following public health preparedness capabilities: community preparedness, recovery, emergency operations coordination, public information, information sharing, fatality management, mass care, medical countermeasures, medical material management, medical surge, non-pharmaceutical interventions, epidemiological investigations, volunteer management and responder safety and health.

DEPARTMENT IMPROVEMENTS

Emergency Management received funding for a part-time Administrative Assistant. The part-time Administrative Assistant position will be 25% county funded for Emergency Management administrative support and retaining 75% grant funded for PHEP administrative support to ensure grant compliance. Cost of this department improvement to Collin County is \$11,021 in recurring expenditures.

Emergency Management received funding for maintenance and operations. Funding needed to establish budget due to the department re-organization and transition from Homeland Security to Emergency Management. Cost of this department improvement to Collin County is \$2,920 in recurring expenditures.

Emergency Management received funding for training and travel. Funding needed to establish budget due to the department re-organization and transition from Homeland Security to Emergency Management. Cost of this department improvement to Collin County is \$7,200 in recurring expenditures.

Emergency Management received funding for a portable video projector. This will allow the department to provide presentations as a part of public emergency preparedness outreach. Cost of this department improvement to Collin County is \$600 in one-time expenditures.

DEPARTMENT IMPROVEMENTS CONTINUED

Emergency Management received funding for consultants (CASA Weather Radar). The CASA Weather Radar Project will provide real-time access to radar imagery and academic experts involved with this project. Cost of this department improvement to Collin County is \$10,000 in recurring expenditures.

PURPOSE

To provide quality, relevant outreach, and continuing education programs and services to the citizens of Collin County.

MAJOR PROGRAMS**FAMILY AND CONSUMER SCIENCES**

The areas of emphasis in the Family and Consumer Sciences program are prevention of chronic diseases, parent education, and early childhood educator education. Prevention of chronic diseases includes the prevention and management of heart disease, type 2 diabetes, high blood pressure, and overweight. Parenting education is needed in order to equip parents with the skills necessary to rear children to survive and thrive in today's society. These issues along with early childhood educator education were identified by the Family Advisory Board. Early childhood educator education is needed since educators have inadequate knowledge of child development, discipline, and age appropriate practices.

FY 2017 Goals & Objectives

- People with type 2 diabetes will manage their disease to reduce risk for complications and attain the highest possible level of wellness; target of 50% of participants reporting they are lowering risks for diabetes complications.
 - Early childhood educators will increase their knowledge of child development, guidance and discipline and age appropriate practices; target of 75% of participants reporting that they incorporated research based information learned in conferences to strengthen their child care program and improve the quality of care that they provide.
-

AGRICULTURE AND NATURAL RESOURCES

The Agriculture and Natural Resources program produces and implements educational seminars, programs, clinics, and workshops that provide small acreage landowners with the basic knowledge and skills for several different types of agricultural enterprises. This program is centered on research based information with conservation of county natural resources as a major focal point.

FY 2017 Goals & Objectives

- To provide educational seminars, programs, and clinics that will provide small acreage landowners with basic knowledge and skills for different types of agricultural enterprises that will include livestock, forages, crops, horses, and horticulture; 50% of participants increase their knowledge of fundamental concepts and management practices.
 - To educate Collin County residents to improve their stewardship of the environment and Texas' natural resources.
-

4H AND YOUTH DEVELOPMENT

The 4-H and Youth Development program is designed to prepare youth to meet the challenges of childhood, adolescence and adulthood, through a coordinated, long-term, progressive series of educational experiences that enhance life skills and develop social, emotional, physical and cognitive competencies. This is achieved in Collin County through 6 community 4-H clubs as well as ongoing curriculum enrichment programs with the 22 school districts that reach into Collin County. Highlights include character education, nutrition education, agriculture education, life science curriculum, Junior Master Gardener programs, environmental science, personal development of youth, and county, state and national leadership development.

FY 2017 Goals & Objectives

- To foster the development of responsible, productive, and self-motivated youth and adults by developing and encouraging life skills through all types of learning environments including community service, livestock shows, project activities, leadership opportunities and competitions. This year's goal is to grow and advance the 4-H organization by promotion, marketing and increasing enrollment numbers.

HORTICULTURE

Collin County Extension Horticulture is focused on improving the quality of life and environmental sustainability through education, research, and demonstration programs in the areas of landscaping, gardening, and farming. Increasing the understanding by the citizens of the principal and practices of Earth-Kind Environmental Stewardship will have a positive effect on environmental quality, beautification, and overall success in the landscapes and gardens. The goals of Earth-Kind are to conserve water, reduce pollution, reduce yard wastes, and conserve energy. These efforts extend into the area of Horticulture Crop Production. Extension is directly involved in improving the success of farmers growing horticulture crops. Through a multi-faceted educational approach we improve the ability of farmers to produce and market food crops and ornamentals, while remaining economically profitable. The Horticulture Program and Crops Committees help identify educational programming needs that will have an impact in our community.

FY 2017 Goals & Objectives

- The Collin County Extension Horticulture Program will help conserve and protect natural resources through the use of environmental friendly landscape and garden management system. Improve residents' ability to be successful in their garden and landscapes. Increase production and profitability of farming of horticulture crops while preserving and protecting the environment. Target of 75% of participants indicating increase knowledge of Earth Kind fundamental concepts. Target of 75% of participants adopting practices.

ADMINISTRATION

Administrative Assistants play a vital role: answering phones, assisting walk-in customers, answering questions, handling day-to-day activities, providing clerical assistance (preparing newsletters and correspondence, sending news releases, developing flyers and handouts, etc.), maintaining data bases, preparing special and routine reports, keeping track of the budget, coordinating volunteers and equipment. Administrative Assistants are responsible for running the office so that professional staff members can devote their time to educational activities, training volunteers, etc.

FY 2017 Goals & Objectives

- Provide quality customer service by telephone, in person, and by mail/email.

DEPARTMENT IMPROVEMENTS

The Collin County Farm Museum received additional funding for artifact photographing equipment. The new equipment will assist the Farm Museum in properly photograph the artifacts as a part of the cataloging process. Cost of this department improvement to Collin County is \$650 in one-time expenditures.

The Collin County Farm Museum received additional funding for a refrigerator for Cheese Workshops. The new refrigerator will help them to store the cheese at the right temperatures to prevent souring of the cheese. Cost of this department improvement to Collin County is \$1,000 in one-time expenditures.

The Collin County Farm Museum received additional funding for a refrigerator for educational supplies. The new refrigerator will be located in the Farm Museum to prevent the need to haul supplies back and forth. Cost of this department improvement to Collin County is \$500 in one-time expenditures.

The Collin County Farm Museum received additional funding to bring in a consultant/instructor for additional workshops. Cost of this department improvement to Collin County is \$480 in recurring expenditures.

PURPOSE

The Collin County Fire Marshal's Office offers a number of services which include fire investigations, resolving nuisance abatements, offers public education on fire prevention & performs inspections for commercial businesses in unincorporated areas in Collin County. The Fire Marshal's Office is dedicated to helping provide the highest quality of life sought by the Citizens of Collin County through the application of adopted codes and State statutes.

MAJOR PROGRAMS

ADMINISTRATION

This program is to run the everyday operations of the Fire Marshal's Office. The duties of the Fire Marshal's Office consist of fire investigations, planning reviews for commercial construction, certificate of occupancy inspections, fire prevention inspections and programs, nuisance abatement enforcement, emergency management duties, working with various fire departments (especially volunteer fire departments) in issues they may encounter, serving as the appointed County representative for three EMS Coalitions and assisting in contract negotiations for the private vendor service and cities furnishing EMS, serving as a member of the Local Emergency Planning Commission and receiving all Tier II reports under the Sara Title III Public Right To Know Act, enforcing the adopted International Fire Code and related codes and standards, and regulating outdoor burning. Funding for County EMS and protection as also a part of the Fire Marshal Budget.

FIRE INVESTIGATIONS

The Office of County Fire Marshal is established by a Commissioners' Court under the authority of Local Government Code 352 County Fire Protection, Subchapter A, Protection of County Residents. 352.013 Investigation of Fires, (a) The County Fire Marshal shall (1) Investigate the cause, origin and circumstances of fires that occur with the county, but outside the municipalities in the county and that destroy or damage property or cause injury; and (2) determine whether a fire was the result of negligent or intentional conduct. The Collin County Fire Marshal's Office is on call 24/7 to respond to calls of fires and to start an immediate investigation as required by statute.

FY 2017 Goals & Objectives

- Investigate the origin and causes of fires within 1 hour upon request 95% of the time in unincorporated areas of Collin County and within municipalities upon request in accordance to State Statute, LGC 352.

PURPOSE

To develop, modify, analyze and manage location-based information.

MAJOR PROGRAMS**RURAL ADDRESSING**

Assign e911 emergency response addresses to rural structures of Collin County. The responsibilities of this program are to assign addresses, update the statewide e911 address range database to reflect city annexations and communicate address and changes to the customer, Post Office, Sheriff's Office and other related agencies. This program is part of the Building Permit work-flow process of Development Services. This program is dependent on the Geospatial Database Management, Application Development, Cartography and Spatial Analysis programs of the GIS Department to be functional. The results of this program benefit Public Works, Auditor's Office (GASB 34), Sheriff's Office and the Elections Department. Each of these departments has a vested interest in the accuracy of roads and boundaries.

FY 2017 Goals & Objectives

- To Assign Addresses within 3 business days of receipt 95% of the time.
- To update Annex / Deannex information within 10 business days of receipt 90% of the time.
- To process Road Name Petitions within 21 business days of receipt 90% of the time.
- To update 911 Net system for rural MSAGs within 10 business days of receipt 95% of the time.
- To make City/County coordinated MSAG recommendations within 10 days for City 911 Net system updates 95% of the time.
- To communicate with City to update 911 Net system as recommended.
- Track acreage of land annexed by cities monthly.
- Track Collin County population.

GIS SERVICES

There has been some interest in hiring our GIS department for GIS services by other agencies. We started providing GIS Services to the City of Wylie in FY 2005. We have many resources that some cities within Collin County cannot afford, maintain or staff. We have an opportunity to leverage our GIS investment to support other County entities as well as generating revenue. This program is dependent on the Geospatial Database Management, Application Development, Cartography, Spatial Analysis and Web-Based GIS programs of the GIS Department to be functional. The result of this program is that the geospatial database that we develop for our customers is the same as ours. Thus, we do not have to convert or manipulate data to fit into our database schema.

GEOSPATIAL DATABASE MANAGEMENT

It is our department's goal to provide access to our GIS database to all employees and citizens. We have tiered our environment to three major components – Development, Power User and Web. Development is the GIS department. Power users are the departmental users and the web is for all. Mobile and Wireless GIS are now part of the architecture. All of the GIS Departments major programs are dependent on Geospatial database management. This program is the essence of GIS and requires hardware, software and network infrastructure.

FY 2017 Goals & Objectives

- To track the number of additions to the GIS database monthly.
- To track the total mileage of roads in Collin County.
- To track the total mileage of Collin County maintained roads.
- To track the total mileage of city boundaries in Collin County.

PERFORMANCE MEASURES	FY 2012 ACTUAL	FY 2013 ACTUAL	FY 2014 ACTUAL	FY 2015 ACTUAL	FY 2016 YTD ACTUAL
# of records received added to GIS Database	552	152	3,557	5,952	8,536
Mileage of roads added to the GIS Database	91	16	358	571	584

APPLICATION DEVELOPMENT

Automating tasks, improving operational efficiency, supporting major programs and customizations are all reasons for applications development. Our GIS team has been developing applications since its inception in 1992. Application development represents the flexibility of GIS and enables our office to design internal and external web applications; develop address and road range calculations for our Rural Addressing program; automate methods to manage geospatial data; derive population estimates; and automate methods to produce maps. The Application Development program utilizes software such as Visual Studio and a GIS. This program supports Rural Addressing, GIS Services, Web-Based GIS, Spatial Analysis and Cartography.

FY 2017 Goals & Objectives

- To develop GIS based applications using Agile methods.

SPATIAL ANALYSIS

Spatial Analysis is a set of techniques whose results are dependent on the locations of the objects being analyzed (Dr. Michael F. Goodchild, National Center for Geographic Information and Analysis University of California, Santa Barbara). The Rural Addressing, GIS Services and Web-Based GIS programs are all dependent on spatial analysis. This program requires the Geospatial Database Management program to function.

WEB BASED GIS

The Web Based GIS program allows Collin County to “give back” to our constituency all of the time and resources spent developing the GIS database. We continue to develop web GIS projects and any citizen can view our aerial images, 2' contours and other data at any time as most of our GIS layers are now on the web. This program is dependent on the Geospatial Database Management, Application Development, Cartography, and Spatial Analysis programs of the GIS Department to be functional. The result of this program is a cost-effective method for the citizens, County departments, agencies and business to access our geospatial data.

CARTOGRAPHY

Many may consider mapping the only thing the GIS Department does. However, cartography is often the end result of analysis that is performed. For instance, the Rural Addressing, GIS Services and Web-Based GIS all use cartography as part of their function. The Cartography program allows our office to creatively represent spatial information in clear and concise manner. We are an office of Geographers and cartography is our tool to creatively express ourselves. This program requires the Geospatial Database Management program (GIS software) to function.

FY 2017 Goals & Objectives

- To complete Jury Trial maps prior to trial date 95% of the time.

APPLICATION DEVELOPMENT

IT Department's Application Development Group is responsible for delivering working software on a frequent basis. We build projects around motivated individuals, giving them the environment and support they need and trust them to get the job done. Our highest priority is to satisfy the customer through early and continuous delivery of valuable software. Working software is the primary measure of progress (Principles behind the Agile Manifesto).

FY 2017 Goals & Objectives

- To develop working software that delights our customers.
- To collaborate daily with our business throughout the project.
- To encourage face-to-face conversations among developers and our customers.
- To allow self-organizing teams to emerge.
- To have the development team reflect on how to become more effective, then tune and adjust its behavior accordingly.

PURPOSE

The Justice Court in Precinct 1 presides over a Civil and Criminal Court. The type of civil cases the Court hears include, Repair/Remedy, Evictions, Credit or Debit Card suits and Small Claim cases where the amount of controversy does not exceed \$10,000.00. The Criminal Court handles many criminal matters that occur in the precinct and are punishable by a fine only [no jail time]. Some of those cases include, Traffic matters, Assaults, Thefts, Education Code and Alcohol/Tobacco Violations. The Judge in this Court also sits as a magistrate and presides over the jail cases each morning. Other magistrate duties include, juvenile warnings, felony warrants, examining trials and many other areas. The Justice Court also handles driver's license suspension, animal cruelty cases, disposition of stolen property matters and nuisance cases. This court also presides over hearings on deed restrictions and an assortment of other administrative magistrate functions.

This court is also responsible for the collection of fees for the court, warrant issuance, various types of civil processes, issuance of summons, assignment and monitoring of community service, monitoring compliance of mandatory drug and alcohol rehabilitation courses as well as probated sentences and driver's safety courses. This court also serves as the administrative court for all Justice Courts within Collin County.

PURPOSE

Justice of the Peace Courts were created by Section 19, Article V of the Texas Constitution with original jurisdiction in criminal cases punishable by fine only (or fine and a sanction not consisting of confinement) and exclusive jurisdiction in civil matters where the amount in controversy is two hundred dollars or less, and such other jurisdiction as may be provided by law. As part of the judicial branch of government, the courts are entrusted with the fair and just resolution of disputes in order to preserve the rule of law and to protect rights and liberties guaranteed by the Constitution and the laws of the United States and the State of Texas.

MAJOR PROGRAMS**CRIMINAL**

The courts have original jurisdiction in criminal cases punishable by fine only, or punishable by a fine and a sanction not consisting of confinement or imprisonment: traffic tickets, bad checks, minor in possession and others. These cases involve receiving payment, monitoring deferred and alternate sentencing, setting contested cases for trial, and pretrial hearings with the county prosecutor. Criminal procedures for these cases are found in Chapter 45 of the Texas Code of Criminal Procedure. Per Govt Code 103 courts have a variety of collection duties to perform.

FY 2017 Goals & Objectives

- Facilitate the timely disposition of cases through an open and understandable process.
- Conduct collection program as directed by the State of Texas.
- Provide quality customer service that continually improves and meets or exceeds public expectation.

CIVIL

The Justice Courts in Texas are set forth in Chapter 27 of the Texas Government Code. Justice Courts have jurisdiction of civil matters in which the amount in controversy is not more than \$10,000, exclusive of interest, these include the small claims and debt claim cases. The Justice Court has original jurisdiction in eviction cases and "Repair and Remedy" landlord-tenant issues. Justice Courts also have jurisdiction of suits relating to enforcement of a deed restriction of a residential subdivision that does not concern a structural change to a dwelling. Rules 500-510 of the Texas Rules of Civil Procedure cover actions in Justice Courts.

ADMINISTRATION

Communicate effectively with and provide needed services to families, law enforcement, the District Attorney, medical community, Homeland Security, the legal community, funeral directors, County administration, Auditor and Purchasing.

DEPARTMENT IMPROVEMENTS

The Medical Examiner's Office received funding for a full-time Assistant Medical Examiner Physician, eliminating the corresponding part-time position. The benefits of this change include: (1) maintaining its NAME (National Association of Medical Examiners) accreditation, (2) ensuring the quality of work by keeping each physician's examination numbers below 250/ year, and (3) grooming a successor to the current head of the Medical Examiner's Office. This department improvement is a recurring expenditure to Collin County in the amount of \$134,326.

The Medical Examiner's Office received funding to hire an Autopsy Technician, instead of using contract positions, which became undependable. The technician will be of assistance at autopsy for both pathologists. This department improvement is a recurring expenditure to Collin County in the amount of \$69,010.

The Medical Examiner's Office received funding for a full-time Field Agent. This position will better distribute the overall workload between current staff since the number of cases filed has increased from year to year. The cost of this department improvement to Collin County is \$68,810 in one-time expenditures, and \$16,745 in recurring expenditures. MiFi service (\$480) for one device is also included in this department improvement and it is funded in Telecom Shared.

The Medical Examiner's Office received funding for a new Autopsy Saw. This new piece of equipment is needed to avoid having to borrow a saw from a local hospital when the current saws break. The cost of this department improvement to Collin County is \$3,300 in one-time expenditures.

The Medical Examiner's Office received funding for getting customized permanent changes/improvements to their case management software; those modifications will be made by their vendor (VERTIQ). The cost of this department improvement to Collin County is \$10,000 in one-time expenditures.

The Medical Examiner's Office received additional funding to cover the increasing cost of Lab Services, Autopsy Services, and Histology Supplies. The cost of this department improvement to Collin County is \$200,000 in recurring expenditures.

PURPOSE

Minimum Security is a department under the supervision of the Collin County Sheriff's Office. Minimum Security is responsible for the safety of the citizens of Collin County by confining individuals accused or convicted of violating the law classified as non-violent and low risk. Minimum Security provides the following; Inmate housing, Infirmary Services, Staff Training and Inmate Programs.

MAJOR PROGRAMS**DETENTION OPERATIONS**

The Texas Commission on Jail Standards requires Collin County Sheriff's Office to operate this facility with minimum staffing levels to maintain safety and security of the inmates at all times. The facility houses low-risk offenders to be classified and housed separately from high risk inmates. Thus this facility accommodates this requirement by providing housing, laundry, food services, and medical services for each inmates assigned at the building.

FY 2017 Goals & Objectives

- To maintain a 98% staffing rate at all times by providing a safe and secure environment for staff and inmates.
- To score a 95 on the yearly Kitchen / Laundry inspection 95% of the time.

ADMINISTRATION

Minimum Security staff have many ancillary duties involving administrative tasks that must be completed daily, weekly, monthly, and annually. For example, daily reports must be submitted to supervisory staff that explain incidents involving inmate and staff. Observation forms must be completed to report inmate activities during a 24 hours period. Furthermore, paperwork must be submitted on cleaning issues, maintenance related issues, and daily shift reports. Finally, training must be offered and completed on all employees assigned to this area.

FY 2017 Goals & Objectives

- Training Measures in Jail PBM.

INMATE PROGRAM

According to the Texas Jail Commission, "Each facility shall have and implement a written plan, approved by the Commission, for inmate rehabilitation and education. The plan shall make maximum use of the resources available in and to the community in which the facility is located. The plan should include programs for voluntary participation by inmates." For example, alcohol or other drug abuse, and vocational rehabilitation. These plans are available to Minimum Security inmates.

DEPARTMENT IMPROVEMENTS

Myers Park received funding for folding chairs for The Landing. The new chairs will replace older chairs at Myers Park that have started to show signs of wear and tear. The cost of adding 252 folding chairs to Myers Park is \$9,393 in one-time expenditures to Collin County.

Myers Park received additional funding for two self dumping hoppers. The hoppers will replace multiple barrels at Myers Park. One hopper can hold up to eight times the amount of a barrel. The cost of this department improvement to Collin County is \$2,685 in one-time expenditures.

Myers Park received additional funding for two trash receptacles for the Pavilion. The trash receptacles will replace barrels at the Pavilion that rust and leave stains on the concrete. The cost of this department improvement to Collin County is \$1,824 in one-time expenditures.

DEPARTMENT IMPROVEMENTS CONTINUED

Myers Park received additional funding for sixteen new cattle ties. Due to the growth of the 4H, FFA and Collin County Livestock Shows, new cattle ties are needed to allow Myers Park the ability to accommodate all cattle during livestock shows. The cost of this department improvement to Collin County is \$14,767 in one-time expenditures.

Myers Park received additional funding for a chipper attachment. The elimination of burning at Myers Park has created a need for a way to dispose of broken limbs and downed trees. The chipper attachment will help reduce the amount of trash disposal and allow the limbs to be used as mulch. The cost of this department improvement to Collin County is \$10,340 in one-time expenditures.

Myers Park received additional funding for a auction sale ring. The existing auction sale ring is old and no longer fits together properly causing safety concerns. The cost of this department improvement to Collin County is \$5,656 in one-time expenditures.

Myers Park received additional funds for computer supplies. The funding is intended to allow for purchases of cords and connectors so that outside computers can connect to the audio visual system. The cost of this department improvement to Collin County is \$200 in recurring expenditures.

PURPOSE

The Collin County Sheriff's Office is responsible for law enforcement in the unincorporated areas of County and for management and operation of the various Collin County Adult Centers. Sheriff's Office provides the following services; Criminal Investigations, Patrol, Dispatch, Mental Health Services, Civil Services, Crime Prevention, Mental Health Services, In-House Training, Criminal Warrants and Judicial Services. The Sheriff's Office oversees various departments including Child Abuse Task Force, County Corrections, Jail, Minimum Security and Pre Trial Release and their functions.

MAJOR PROGRAMS

PATROL

Deputies are assigned patrol duties throughout the county with the responsibility of preventing criminal activity, apprehending perpetrators of offenses, responding to calls for assistance by citizens, and provide for the general peace and security of persons and property within the county. The deputies patrolling the county respond to situations that occur within their view or of which they are made aware by citizens as well as respond to situations to which they are dispatched. Deputies are also responsible for enforcement of traffic laws.

FY 2017 Goals & Objectives

- To maintain an average response time of 18 minutes or less 95% of the time.
- To complete patrol activities without exceeding 200 hours of comp time per month.

CRIMINAL INVESTIGATION

Provides the necessary investigations into allegations of offenses as well as verified offenses within the county, including Family Violence. In that process, investigators accumulate evidence related to specific crimes. Investigator's objective is to determine if crimes have been committed, the motives and methods of commission, assemble all available evidence, and assist prosecutors with testimony presented to Grand Juries and Courts. Narcotics investigators also work in the same manner but with a specialized effort focused on related offenses.

FY 2017 Goals & Objectives

- To contact complainant within 24 hours of receipt 98% of the time.
- To complete assigned cases within 90 days 95% of the time.
- To maintain an overall CIS clearance rate of 75% or better.
- To process 90% of evidence requiring processing within 72 hours of receipt.
- To complete assigned Narcotics cases within 90 days 90% of the time.

PURPOSE

The Substance Abuse Program provides alcohol and drug prevention and intervention services to all county residents by identifying abuse or dependence, making recommendations for treatment or giving information to concerned citizens.

MAJOR PROGRAMS**ASSESSMENTS & REFERRALS**

Alcohol/drug assessments (also called substance abuse evaluations) are an interview process to identify the extent of an individual's alcohol or drug use and make recommendations for abstinence, treatment or other appropriate actions.

FY 2017 Goals & Objectives

- To provide assessments to adolescents and adults in order to give the individual and the referring entity recommendations for treatment or other kinds of appropriate help.
- To increase the number of adolescent assessments for Teen Court and Juvenile Probation.

INFORMATION & REFERRALS

We receive many calls or e-mails from county residents with alcohol/drug questions, usually concerning a family member or friend. Those questions can range from identifying a particular drug found in the house, to where and how to get help, to how to deal with a family member who doesn't want to stop drinking or using drugs. Finding this information on the Internet, for instance, can be extremely time-consuming or simply unavailable for the individual and some county residents do not have a computer. In addition, citizens drop by our office asking for information or specific help. Addicts come in on occasion to get advice on where and how to get treatment or find local AA or NA groups. After seeing a counselor they leave with a sheet of paper with names and phone numbers and have been given specific answers to all their questions, answers they are often unable to get elsewhere, or only by calling numerous groups or agencies.

FY 2017 Goals & Objectives

- To provide information and referral over the phone or in person within 48 hours of the initial call or request 95% of the time.
- To provide information to county residents about alcohol/drugs and related issues.

PRESENTATIONS

In order to inform county residents about alcohol and drugs, trends and actions to take, county groups (such as schools, PTAs, churches, city councils and others) occasionally request presentations about these issues. We get these requests either specifically for our agency or for the Substance Abuse Coalition of Collin County, of which we are a part. Our expertise is in discussing drug trends in general, adult and adolescent use in Collin County and parenting information. These presentations are generally given free of charge. We bring handouts included with the presentation and we often have a display of drug paraphernalia or other items which suggest drinking or drug use. Our agency is the recognized authority on substance abuse in the county.

PRESENTATIONS CONTINUED

FY 2017 Goals & Objectives

- To provide presentations to community groups about alcohol/drug awareness within 4 months of request.
- To educate county residents about alcohol/drugs, thereby promoting and protecting public health by providing presentations to community groups.

ADMINISTRATION

The Substance Abuse Program has been in existence since 1990 and during that time has conducted 13,293 assessments and given help to thousands more, whether through information/referral or at presentations. Administrative tasks support those activities. They include making appointments, dealing with individuals and families who come in for their scheduled appointments or the members of the general public who have questions or problems, answering questions on the phone, preparing and maintaining client files, writing assessment reports, collecting fees, compiling monthly statistics, preparing for presentations and working with other programs/agencies.

FY 2017 Goals & Objectives

- To submit written reports to the referral entity within 2 weeks of request 90% of the time.
- To collect a fee for all Adult Probation and Juvenile Probation assessments.

PURPOSE

To provide mail drop off and pick up service to all County facilities; to coordinate with the U.S. Post Office and other postal services for Countywide delivery and pick up; to warehouse and provide supplies to all County departments as needed.

MAJOR PROGRAMS**MAIL DELIVERY AND PICK-UP**

This program encompasses receiving mail at the dock from USPS and certain courier services, delivery to and pick up of mail from the Post Office, running mail and interoffice correspondence between offices. Orders out of Central Supply are also delivered on the earliest route possible. Support Services currently makes "mail runs" to most of Collin County's staffed facilities daily. To minimize some costs, mail is delivered less frequently to more remote locations, such as Myers Park.

FY 2017 Goals & Objectives

- To deliver and pick up Countywide mail no later than 1:45 pm each day 95% of the time.
 - To provide next business day delivery on all interoffice mail 98% of the time.
-

METERING AND SORTING

Support Services sorts mail received to deliver to each office and sorts outgoing mail by the first 3 digits in the zip code to get discounted rates. Mail is metered and boxed for delivery to the post office. Special items including larger parcels are metered on site prior to delivery.

FY 2017 Goals & Objectives

- To work with departments and use presorted rate for over 75% of County mailings.
 - To provide next business day delivery on all outgoing mail 98% of the time.
-

ADMINISTRATION

The administrative function of Support Services coordinates Central Supply for the purchasing and arranging delivery of printer toner, fax toner, concession supplies and paper orders. The Support Services Supervisor also works with vendors to stay on top of postage rate changes and find cost-effective methods of delivery. Other standard functions of time coordination, office management and correspondence are completed under this heading. The Support Services Supervisor is also responsible for submitting monthly copier readings so the County is billed correctly for usage.

FY 2017 Goals & Objectives

- To deliver supplies from warehouse by next day after order is placed 95% of the time.

PURPOSE

To formulate policies and programs to ensure enforcement of the Texas Property Code and Texas Motor Vehicle laws. The basic duties and responsibilities of the Tax Assessor-Collector include: 1) assessing and collecting property taxes, 2) registering, licensing, and titling motor vehicles, and 3) maintaining accountability for public funds.

MAJOR PROGRAMS**MOTOR VEHICLE TITLE AND REGISTRATION**

The Motor Vehicle Title & Registration program is state mandated in the Transportation Code. We are required to register motor vehicles, prepare new and transfer motor vehicle titles for the state, provide disabled placards. We sell Special Plates as well as normal car, motorcycle, trailer and truck plates. We process internet registrations, mail registrations and walk-in customers. Our clerks are required to keep up with current legislation and any changes to policy made by TxDMV.

FY 2017 Goals & Objectives

- To process all motor vehicle transactions within 2 days of receipt by mail, 1 day of on-line receipt, 3 minutes per walk-in transaction, and 5 days by off-site receipt, 85% of the time.

PROPERTY TAX

The Property Tax Department is required by State and Local Property Tax Laws to collect taxes, comply with Truth in Taxation legislation while setting the tax rates, process adjustments, address changes and reevaluations as directed by the Central Appraisal District. All employees must keep up with legislative changes in order to efficiently serve the taxpayers and entities of Collin County.

FY 2017 Goals & Objectives

- To provide accurate and prompt tax information for owners of property in Collin County and ensure accurate mailing of bills, receipts, and posting of payments within 5 days of receipt by mail, 1 day of on-line receipt, and 5 minutes per walk-in transaction, 80% of the time.
- To collect all taxes due and ensure taxpayers pay their share of the tax burden by maintaining an 80% collection rate of current year taxes collected by January 1st; with a target minimum of 98% overall collection rate.

PERFORMANCE MEASURES	FY 2012 ACTUAL	FY 2013 ACTUAL	FY 2014 ACTUAL	FY 2015 ACTUAL	FY 2016 YTD ACTUAL

ADMINISTRATION

It is the responsibility of the Administration Department to ensure efficient over all performance of the Tax Office. The administration department is responsible for recruitment, testing and examination of applicants/employees. Also, for the maintenance and safekeeping of all employee records; maintenance of the time worked, vacation and PTO/CTO for each employee; provides support to each department in personnel matters.

DEPARTMENT IMPROVEMENTS

The Tax Office received funds for the annual update of the Truth in Taxation Software. This software accurately calculates Effective and Rollback Tax Rates for 43 entities. It enables the county to generate the required tax rate notices, the mandatory newspaper publications, and the necessary tax forms for the entities serve by the County, while following the legislative requirements. The cost of this department improvement to Collin County is \$2,160 in recurring expenditures.

The Tax Office received funds to get a new program (VIT2) for the Spindlemedia software. This program will automate the calculation of the UPT (Unit Property Tax) based on dealer's total sales for the month; it will also identify late dealer payments with their appropriate penalties, and create notices for Late Filing, Payment and Year-End Shortage. The cost of this department improvement to Collin County is \$12,500 in one-time expenditures.

The Tax Office received funds for a new large free-standing security/fire safe. Both Tax Office need more capacity to store cash drawers. With a significant growth expected in Collin County during year 2017 and in the future, the new safe will safely secure additional cash drawers needed in the Plano Office; its current safe will be moved to the McKinney location, increasing their capacity as well. The cost of this department improvement to Collin County is \$3,300 in one-time expenditures.

The Tax Office received funds for new task chairs in the Frisco Tax Office; their current worn chairs are older than 10 years. The cost of this department improvement to Collin County is \$5,250 in one-time expenditures.

The Tax Office received funds for iPP320 credit card machines with chip readers, which will make the Tax Office EMV compliant, and will allow it to provide more reliability, security, and convenience to chip-enabled card users. The cost of this department improvement to Collin County is \$13,200 in one-time expenditures.

The Tax Office received funds for motion detection security cameras in its Frisco, McKinney, and Plano locations. This improvement will not only provide better protection to the staff, customers, tax dollars collected, and county's assets, but it will help detect fraud and theft by reviewing counter status; it will also allow remote monitoring of number of customers in line to manage staff placement in those locations. The cost of this department improvement to Collin County is \$51,700 in one-time expenditures.

The Tax Office received funds for security camera video storage. Having the ability to store recorded video with details of a particular event or criminal incident will facilitate reporting a crime, confirming a chain of events, identifying illegal activity, and providing detailed information to law enforcement. The cost of this department improvement to Collin County is \$35,542 in one-time expenditures.

The Tax Office received funds for new mixed bill counter and currency discriminators. This fully automatic money value counter and currency sorter will increase efficiency, eliminate errors, and help recognizing counterfeit bills. The cost of this department improvement to Collin County is \$17,500 in one-time expenditures.

The Tax Office received funds for a new document scanner. The department will be able to scan the large batches of documents that are needed to be processed on a daily basis. The cost of this department improvement to Collin County is \$1,300 in one-time expenditures.

ANIMAL SHELTER

The Animal Shelter provides the highest level of humane and dignified care to all animals while at our facility by providing adequate food, water, shelter, and basic physical care as required by TH&S Code Chapter 823. Additionally, we must act as the Local Rabies Control Authority for our areas of jurisdiction and follow all State-required rabies control procedures, as specified in TH&S Code Chapter 826. Revenue generated comes from the contract cities' fees paid for Animal Shelter Program.

FY 2017 Goals & Objectives

- Rabies Shipping tests processed within 5 days 90% of the time.
- Process at least 40% of Animals for Ownership Change 80% of the time.

ANIMAL HEALTH

The Animal Health program will encompass measures to ensure that our Shelter will not be shut down due to disease. An outbreak of Parvovirus or other communicable disease could cost many animals their lives (death due to disease and a mass EU to stop contamination). An outbreak could force the Shelter to be shut down which would cost the County an undetermined amount of money. In addition to finding alternate housing for County animals, we would have to honor our Inter Local Agreements with municipalities and possibly have to pay for alternate location boarding of animals for weeks to months if the Shelter could not be used. It would also be very costly to follow disinfecting procedures following such an outbreak. Many Shelters across the country have been shut down for weeks to months due to outbreaks of communicable diseases.

FY 2017 Goals & Objectives

- Vaccinate all dogs and puppies within 2 hours of arrival to the shelter 90% of the time.

PURPOSE

The Mission of the Community Supervision and Corrections Department is: 1) to protect the community through supervision/incarceration of the offender; 2) to deter criminal behavior through the administration of sanctions; 3) to encourage positive change in the offender's behavior; and 4) to increase community corrections involvement. The CSCD strives to reduce the risk offenders pose to the community by actively reducing that risk through supervision, rehabilitation and incarceration when necessary.

MAJOR PROGRAMS

BASIC SUPERVISION

Community supervision means the placement of a defendant by a court under a continuum of programs and sanctions, with conditions imposed by the court for a specified time.

COMMUNITY CORRECTIONS PROGRAMS

The Community Corrections Program provides the judiciary one of the most restrictive sanctions available, requiring a term of confinement either as a condition of community supervision or direct sentence. The offender is placed in a highly structured and supervised environment that encourages mental and physical discipline. The program is designed to protect the community, provide community service and to promote offender responsibility.

PURPOSE

The District Clerk is a constitutional office created for the custodial care and management of all of the District Courts' legal records, filings, and indexes. This is accomplished by providing programs for the efficient and cost-effective management of the records for the District Courts of Collin County. The District Clerk is statutorily bound to retain records for minimum periods of time as set forth by the Texas State Library and Archives Commission.

MAJOR PROGRAMS**DOCUMENT PRESERVATION**

The District Clerk, as the custodian and manager of all District Court cases shall keep an index of the parties to all suits filed in the Courts. The District Clerk's office utilizes the Odyssey Case Management System to scan, capture, and manage the records for the District Courts of Collin County. Currently all new records filed in the District Clerk's office are scanned into the case management system, thus allowing for ease of access and viewing by the courts and the public. In addition, the District Clerk is bound by statutory requirements for records retention. The District Clerk follows the guidelines set forth by the Texas State Library and Archives Commission which require permanent retention of all case papers and trial dockets dated prior to 1950, and "case papers from any period that, because of notoriety or significance, might possess enduring value." Records preservation and restoration efforts are funded by the collection of statutorily required preservation fees added to specific types of cases filed in the District Clerk's office.

FY 2017 Goals & Objectives

- Capture and digitize documents for ease of use by the courts and the public.

PURPOSE

The Collin County Employee Clinic promotes employee health to all Collin County employees. By offering an Employee Clinic, employees are able to reduce lost time from work and to promote good health.

MAJOR PROGRAMS

EMPLOYEE/ DEPENDENT CLINIC

The clinic benefits all individuals who are eligible for care through the Employee Clinic. The eligible individuals include all current employees (regardless of insurance status); all Collin County retirees who elect to carry over their Collin County insurance following retirement; and all eligible dependents greater than seven years of age.

FY 2017 Goals & Objectives

PRE-EMPLOYMENT PHYSICALS

The Physician's Assistant and the RN, through the Employee Clinic, perform pre-employment physicals at the request of Human Resources. After the pertinent forms have been completed by the Employee Health Nurse, drug test completed, and all other information collected, the Physician's Assistant will review history, urine results, and perform routine physical exam. The Physician Assistant will make recommendations to Human Resources on whether applicant is able to perform specific job duties. Policies and procedures are in place that addresses all requirements for this process.

DEPARTMENT OF TRANSPORTATION PHYSICALS

The Employee Health Clinic assists the Public Works Department in the process of maintaining all employees who drive a county vehicle with a current Department of Transportation card. The Employee Health Clinic performs DOT exams on a monthly basis. The Physician Assistant reviews any positive history findings; note results of findings and their effect on driver's ability to operate a motor vehicle. The PA performs appropriate examination, including peripheral vision testing and hearing acuity. After physical exam and drug screen results are received, the client will be given a new/renewal DOT card and the client's department will be notified.

DEPARTMENT OF TRANSPORTATION PHYSICALS CONTINUED

PURPOSE

The Collin County Law Library was created by the Collin County Commissioners Court pursuant to Local Government Code Section 323.021. The law library's mission is to serve at a place that is both convenient and accessible and to maintain a legal reference for the judges, litigants, and the residents of Collin County. The Law Library Fund is provided by fees collected in connection with civil suit filings.

MAJOR PROGRAMS

REFERENCE SERVICES

Provide reference services to the judges, litigants, and the residents of Collin County in a quality manner and in a cost efficient way.

FY 2017 Goals & Objectives

- Provide prompt research services to library patrons.
 - Provide online and print legal support for judges, litigants, and the residents of Collin County to enhance access to current legal information.
-

COLLECTION MAINTENANCE

To fulfill the statutory requirement to maintain a county law library at the county seat.

FY 2017 Goals & Objectives

- Maintain and grow the print and electronic collection through the acquisition of books, periodicals, and other library materials for use by patrons.
 - Produce a quarterly newsletter to provide the public with current legal information and information on updates to the law library collection.
-

JAIL LAW LIBRARY

To maintain a current collection for inmates as mandated by the Supreme Court case *Bounds v. Smith*. The jail law library is funded by the inmate commissary fund. The Collin County Law Library provides collection development and the requisition of funds for payment of invoices for the jail law library.

FY 2017 Goals & Objectives

- Maintain the print and electronic collection for the inmates.
-

SPECIAL PROJECTS / TRAINING

To provide an updated fee schedule for the Commissioners and the public to be aware of newly adopted filing fees.

Collin County Budgetary Control Policy

1. This Budgetary Control Policy is to remain in effect until changed or otherwise repealed by Commissioners' Court.

2. Budget Amendments

The Director of Budget and Finance is authorized to amend the budget as needed for appropriated line items with an FYI Notification to the Commissioners Court for all amendments over \$5000 in accordance with Court Order 2005-589-08-01 and Local Government Code 111.070(c). In addition the Director of Budget and Finance is authorized to amend the budget within Capital Project Funds as needed for appropriated line items without an FYI notification to the court if: (1) the budget amendment will not increase or decrease the overall project budget, and (2) the budget amendment will not authorize an increase or decrease of any fund balance. The Director of Budget and Finance may require any budget amendment to be approved by Commissioners Court.

All budget amendment requests should be submitted on a form prescribed by the Director of Budget and Finance. The form should clearly identify the reason for the budget amendment. The following information must be included if applicable before a budget amendment can be processed:

- 1) a recommendation from the requesting department as to where to move the budget from;
- 2) all equipment should include pricing and availability verification provided by the Purchasing Department;
- 3) computer equipment and software should have a recommendation from the Information Technologies Department;
- 4) vehicles and gasoline powered equipment should have a recommendation from Equipment Services;
- 5) increases in payroll line items should have a recommendation from Human Resources.

Once all required documentation is received, the Director of Budget and Finance will review the request and process the request or make other recommendations. Once budget amendments are approved by the Director of Budget and Finance they are then forwarded to the Auditor's Office for processing or to Commissioners Court for approval.

3. Budget Categories

Budgets are adopted by major category. There are three major budget categories:

Salaries and benefits
Maintenance and operating
Capital Outlay

These three major categories are divided into sub-categories or project codes for budget control levels. Budget control levels vary by sub-category or project code depending on the characteristics of the line items. The budget control level for each sub-category is structured as follows:

<u>Category/Sub-category</u>	<u>Budget Control Level</u>
Salaries and Benefits	
Salaries and Fringe Benefits	sub-category level
Contract Labor	sub-category level
Maintenance & Operating	
Training and Travel	sub-category level
Administrative	sub-category level
Operating	sub-category level
Maintenance	sub-category level
Utilities	sub-category level
Other	line item level
Capital Outlay	line item level and project level

When budget control is held at the sub-category level transactions are allowed as long as the aggregate total transactions of all line items within the sub-category does not exceed the aggregate total of all line item budgets within that sub-category. Budgets may be exceeded at the line item level as long as the total of line item budgets within the sub-category is not overrun.

The budget for each line item may not be exceeded without proper approval when budget control is held at the line item level.

Capital outlay (other than capital project funds and grants) is restricted at two budgetary levels, the line item budget level and the project code budget level. Neither the line item budget nor the project budget may be exceeded without proper approval. Moving funds between project codes will require a budget amendment.

4. Capital Project Fund Budgeting

Capital project funds (fund numbers 400 through 498) require a different type of budgetary control because the budget is based on project lives and not on a fiscal year. The budgetary control level is at the line item level within each project code. The Permanent Improvement Fund, fund 499, requires an annual budget that must follow the same annual budgeting processes and procedures as other funds.

5. Grant Fund Budgets

Grant funds (fund numbers 100 through 199) also require different processes and procedures due to their unique nature. Grants often require budgets to be controlled by different fiscal years other than the County's fiscal year. Also budget categories for grants will typically differ from the County's budget categories. A project code is established for each grant budget category, and the budget control is held at the project level. Initial grant budgets and increases to the total grant budget should be approved by Commissioners Court; however, shifting budgeted funds between budget categories is allowed (with a notification to Commissioners Court), so long as it does not increase the overall grant expenditures.

6. CSCD Budgets

CSCD budgets are controlled on a different fiscal year than the County and have different budget categories than the County, so the budgets are controlled at a project code level similar to grants. Movement between budget categories must follow state guidelines and does not require Court approval or notification.

7. Non-Departmental Budget Expenditure and Authorization

All requisitions submitted for the non-departmental accounts must be forwarded by the requesting department to the Budget Department for approval.

8. Purchases

The Purchasing Agent is not authorized to allow any purchases that exceed budgeted funds without prior approval from the County Judge, Director of Budget and Finance, or Commissioners' Court along with a budget amendment. The County Auditor may allow budget overrides if the cause of the budget overrun will be cleared by an eminent accounting transaction or future grant funding.

The Director of Budget and Finance is authorized to purchase capital or non-capital replacement items if such item is in disrepair and funds are available in the capital replacement accounts.

Any requisition submitted by a department charged against an improper account number shall be returned to the department for correction. The Purchasing Agent and/or the County Auditor shall not change any account number on a requisition without first consulting with the Elected Official/Department Director concerned.

A purchase requisition shall not be submitted by any department without available funds within the budget category as prescribed. Such requisition shall remain at the department approval level until funds become available.

9. Training and Travel Expenditures

Elected Officials and Department Directors are not authorized to exceed Training and Travel funding without prior approval from the County Judge, the Director of Budget and Finance or Commissioners Court.

Prior to attending any function that would be classified as a Training and Travel expense, a County employee shall submit an estimate of the entire cost of attendance. The estimate should be submitted to the Auditor's Office and encumbered. Failure to submit an estimate of costs prior to attendance may result in loss of personal funds, or will require approval by Commissioners Court before a claim for any reimbursement can be paid.

10. Deficit Budget Balance

Any Elected Official/Department Director whose budget category ends in a deficit amount may lose funds in the following fiscal year equal to the deficit amount after evaluation by Commissioners' Court.

11. Annual Carryover of Funds

Requests for carryover funds that are not encumbered via a purchase order to a specified vendor shall be subject to rejection upon review. These requests shall be submitted, with justification, to the Director of Budget and Finance no later than August 31st. Each request will be reviewed by the Director of Budget and Finance, the County Auditor and the Purchasing Director and recommended to the Commissioners Court for approval.

Fund Balance Policy

Purpose: The purpose of this policy is to establish operating and reporting guidelines for the fund balances of the governmental funds of Collin County, Texas.

Fund Balance Classification: The county governmental-fund financial statements will present fund balances classified in a hierarchy based on the strength of the constraints governing how those balances can be spent. These classifications are listed below in descending order of restrictiveness:

- **Nonspendable:** This classification includes amounts that cannot be spent because they: (a) are not in spendable form (e.g., inventories and prepaid items); (b) are not expected to be converted into cash within the current period or at all (e.g., long-term receivables); or (c) are legally or contractually required to be maintained intact (e.g., the non-spendable corpus of an endowment).
- **Restricted:** This classification includes amounts subject to usage constraints that have either been: (a) externally imposed by creditors (e.g., through a debt covenant), grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.
- **Committed:** This classification includes amounts that are constrained to use for specific purposes pursuant to formal action of Commissioners Court.¹ These amounts cannot be used for other purposes unless the Court removes or changes the constraints via the same type of action used to initially commit them.
- **Assigned:** This classification includes amounts intended by the county for use for a specific purpose but which do not qualify for classification as either restricted or committed. The intent can be expressed by Commissioners Court or by a combination of the County Auditor and the Budget Officer.²
- **Unassigned:** This classification applies to the residual fund balance of the General Fund and to any deficit fund balances of other governmental funds.

Order of Spending: Where appropriate, Collin County will typically use restricted, committed, and/or assigned fund balances, in that order, prior to using unassigned resources, but it reserves the right to deviate from this general strategy.

Minimum Fund Balance: Collin County generally aims to maintain a minimum unassigned fund balance of 120 operating days at fiscal year-end of each year in the General Fund. This should provide sufficient funding to operate the county during the first quarter since most property taxes are not collected until the second quarter of each year.

1. A commitment of fund balance requires formal action as to purpose but not as to amount; the latter may be determined and ratified by the Court at a later date. This is often important near year-end, when a purpose or need is known but a cost is not.

2. An assignment of fund balance implies an intent of Commissioners Court, but operationally, the ability to implement the intent may be delegated to one or more persons.

COLLIN COUNTY
2016 Investment Policy

I. Investment Authority and Scope of Policy

Introduction

This policy serves to satisfy the statutory requirements of Texas Local Government Code (LGC) Section 116.112 **Investment of Funds**, and Government Code (GC) Chapter 2256 **Public Funds Investment** (PFIA) to define and adopt a formal investment policy. This policy will be reviewed and adopted by order annually according to GC Section 2256.005(e).

Scope

This policy applies to all financial assets of all funds of the County of Collin, Texas, the Collin County Housing Finance Corporation, The Collin County Toll Road Authority, and the Collin County Health Care Foundation, unless expressly prohibited by law. Idle funds required to be kept in a non-interest bearing account by agreement with Commissioners Court are not subject to investment.

This policy establishes guidelines for: 1) who can invest County funds, 2) how County funds will be invested, and 3) when and how periodic reviews of investments will be made. In addition to the requirements of this policy, bond funds (as defined by the Internal Revenue Service) shall be managed in accordance with their issuing documentation and all applicable state and federal law.

All investments made with County funds that become unacceptable under GC Chapter 2256 guidelines shall be held or liquidated as determined by the Investment Committee to be in the best interest of the financial well-being of the County. According to GC Section 2256.017, an entity is not required to liquidate investments that were authorized investments at the time of purchase.

Investment Strategies

As permitted by GC Chapter 2256, the County has established three pooled investment funds groups: 1) the Operating Pooled Investment Funds Group, 2) the Non-Operating Pooled Investment Funds Group and 3) the Capital Projects Pooled Investment Funds Group. In accordance with the Public Funds Investment Act, GC Section 2256.005(d)(1-6), a separate written investment strategy has been developed for each of the pooled fund groups under Collin County's control. Each investment strategy describes the investment objectives for the particular fund or groups of funds using the following priorities of importance:

1. Understanding of the suitability of the investment to the financial requirements of the entity
2. Preservation and safety of principal
3. Liquidity
4. Marketability of the investment if the need arises to liquidate the investment before maturity
5. Diversification of the investment portfolio
6. Yield

II. Investment Objectives

General Statement

Funds of the County will be invested in accordance with federal and state law and this investment policy. The County will invest according to investment strategies for each pooled investment funds group as they are adopted by order of the Commissioners Court in accordance with GC Section 2256.005(d)(1-6).

Safety of Principal and Maintenance of Adequate Liquidity

GC Section 2256.005(b)(2)

Collin County is concerned about the return of its principal. Therefore, safety of principal is the primary objective in any investment transaction.

The County's investment portfolio is structured in conformance with an asset/liability management plan which provides liquidity necessary to pay obligations as they become due.

Diversification

GC Section 2256.005(b)(3)

It is the policy of Collin County to diversify its portfolio to reduce the risk of loss resulting from over concentration of assets in a specific maturity, a specific issuer, or a specific class of investments. Investments of the County shall always be selected that provide for stability of income and reasonable liquidity.

Yield

GC Section 2256.005(b)(3)

In accordance with Government Code and PFIA, it is the County's goal to earn the maximum rate of return allowed on its investments within the policy imposed by safety and liquidity objectives, investment strategies for each pooled fund group, and state and federal law governing investment of public funds.

Maturity

GC Section 2256.005(b)(3)

Portfolio maturities will be structured primarily to meet the obligations of the County, and subsequently to achieve or obtain the highest return. When the County has funds that exceed current year obligations, maturity restraints will be imposed based upon the investment strategy for the non-operating investment pooled funds group. The maximum allowable stated maturity of any individual investment owned by the County in the non-operating pooled investment funds group is five years from settlement date, with the exception of Mortgage Backed Securities (MBS), which shall not have a stated final maturity date of greater than 10 years

County Investment Officer's Responsibility and Controls

In accordance with GC Section 2256.005, the Commissioners Court shall designate, by resolution, the County Auditor and Budget Director as investment officers to be jointly responsible for the investment of its funds as defined in this investment policy.

The County Auditor shall deposit, withdraw or transfer funds in/out of an investment pool, money market mutual fund, or depository institution to meet the daily operational needs of the County. These transactions shall have approval of the County Judge, County Auditor, and County Budget Director. The governing body of the County retains ultimate responsibility as fiduciary of the assets of the County according to GC Section 2256.005(f).

Investment Committee

The Investment Officers, together with two members of Commissioners Court, shall be members of the Investment Committee. The Investment Committee shall review the investment portfolio's status and performance, advise appropriate portfolio adjustments, monitor compliance with the Investment Policy and Investment Strategy Statement, and perform other investment related duties as necessary.

Training Requirements

The investment officers and members of the Investment Committee shall:

- attend at least one investment training session containing at least 10 hours of instruction within 12 months after taking office or assuming duties,
- and attend at least one investment training session to receive at least 10 hours of investment training at least once in a two-year period that begins on October 1st and consists of the two consecutive years after that date.

All investment training sources must be approved by the County Investment Academy with the Texas Association of Counties and the training source must be independent of Commissioners Court. Training must include education in investment controls, security risks, strategy risks, market risks, diversification of investment portfolio, and compliance with the Section 2256 of the Texas Government Code.

Investment training for the members of the Investment Committee shall be paid out of the Non-Departmental budget.

Investment Officer Disclosure

If an investment officer has a personal business relationship with an entity, or is related within the second degree by affinity or consanguinity to an individual seeking to sell an investment to the County, the investment officer must file a statement disclosing that personal business interest, or relationship, with the Texas Ethics Commission and the Commissioners Court in accordance with GC Section 2256.005(i).

III. Investment Policies

Authorized Investments

The Collin County Investment Officers shall use any or all of the following authorized investment instruments consistent with governing law under GC Section 2256.009(a) and the County's investment objectives:

1. Obligations, including letters of credit, of the United States or its agencies and instrumentalities
2. Direct obligations of this state or its agencies and instrumentalities
3. Collateralized mortgage obligations directly issued by a federal agency or instrumentality of the United States, the underlying security for which is guaranteed by an agency or instrumentality of the United States
4. Other obligations, the principal and interest of which are unconditionally guaranteed or insured by, or backed by the full faith and credit of this state or the United States or their respective agencies and instrumentalities, including obligations that are fully guaranteed or insured by the Federal Deposit Insurance Corporation or by the explicit full faith and credit of the United States
5. Obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to investment quality by a nationally recognized investment rating firm not less than A or its equivalent
6. Bonds issued, assumed, or guaranteed by the State of Israel
7. Certificates of deposit issued by a state or national bank, a savings and loan association domiciled in this state, or a state or federal credit union domiciled in this state and is:
 - a. Guaranteed or insured by the Federal Deposit Insurance Corporation or its successor or the National Credit Union Share Insurance Fund or its successor
 - b. Secured by obligations that are described by Section 2256.009(a), including mortgage backed securities directly issued by a federal agency or instrumentality that have a market value of not less than the principal amount of the certificates, but excluding those mortgage backed securities of the nature described by section 2256.009(b)
 - c. Secured in any other manner and amount provided by law for deposits of the investing entity
 - d. Solicited by bid or offer orally, in writing, electronically, or any combination of methods outlined under GC Section 2256.005(c)(1-4)
8. Money market mutual funds registered with and regulated by the Securities and Exchange Commission and fully conforming with GC Sections 2256.014 and 2256.016(b) and (c) relating to the eligibility of investment pools to receive and invest funds of investing entities.
9. Investment pools, as discussed in the Public Funds Investment Act, GC Section 2256.016-2256.019, are eligible if the Commissioners Court, by order, authorizes investment in the particular pool. An investment pool shall invest the funds it receives from entities in authorized investments permitted by GC 2256.016. An investment pool may invest its funds in money market mutual funds to the extent permitted by and consistent with GC 2256.016 and the investment policies and objectives adopted by the investment pool. The County, by contract, may delegate to an investment pool the authority to hold legal title as custodian of investments purchased with its local funds.

The County expressly allows money market mutual funds and eligible investment pools authorized by the Commissioners Court to invest to the full extent permissible within the Public Funds Investment Act.

Prohibited

As outlined under GC Section 2256.009, the Collin County Investment Officers have no authority to use any of the following investment instruments, which are strictly prohibited:

1. Obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pay no principal.
2. Obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security collateral and bears no interest.
3. Collateralized mortgage obligations that have a stated final maturity date of greater than 10 years.
4. The interest rate of which is determined by an index that adjusts opposite to the changes in a market index.
5. Repurchase agreements even though they are allowable within limits by GC 2256.011(a)(1-4).

IV. Investment Responsibility and Control

Investment Advisors and Providers

The Collin County Investment Officers shall invest County funds consistent with federal and state law, the County's Investment Policy, and the current depository bank contract with any or all of the following institutions or groups:

1. Depository bank.
2. Other state bank, national bank, savings and loan association, or a state or federal credit union domiciled in Texas insured in full by either Federal Savings and Loan Insurance Corporation or Federal Deposit Insurance Corporation.
3. Public Funds Investment Act Pools passage of a resolution by the Commissioners Court, as well as the required inter-local agreement.
4. Government securities brokers and dealers approved by Commissioners Court (See Attachment B—Approved list of Agreement in Principal Candidates).
5. Money Market mutual funds reviewed and recommended by the Investment Committee and approved by the Commissioners Court.

Qualifications of Approval of Brokers/Dealers

Investment advisors and investment providers shall adhere to the spirit, philosophy and specific terms of this policy and shall invest within the same "Standard of Care" whereby the primary objective is the preservation and safety of principal.

In accordance with GC Section 2256.005(k), a written copy of this investment policy shall be presented to any person seeking to sell to the County an authorized investment, including investment pools and money market mutual funds. The registered principal of the business organization seeking to sell an authorized investment to the County shall execute a written instrument substantially to the effect that the registered principal has:

1. Received, reviewed, and agreed to adhere to the investment policy of the County.

2. Acknowledged that the business organization has implemented reasonable procedures and controls in an effort to preclude investment transactions conducted between the County and the organization that are not authorized by the County's investment policy.
3. Provided audited financial statements.
4. Provided proof of National Association of Securities Dealers (NASD) Certification.
5. Provided proof of state registration.
6. Completed Broker/Dealer Request for Information (Attachment C).

Selected Investment Advisors and Investment Brokers/Dealers shall provide timely transaction confirmations and monthly activity reports.

The investment officers may not buy any securities from a person who has not delivered to the County an instrument substantially in the form provided above according to GC Section 2256 (See Attachment A).

Approval Process of Broker/Dealer

Upon meeting the requirements established under GC Section 2256.005(k), which includes the execution of a written instrument as described above, any person offering to engage in an investment transaction with the County may present a written request to the Investment Committee. The Investment Committee shall review the request and if appropriate present the request to Commissioner's Court for approval.

As specified under GC Section 2256.025, the designated Investment Committee shall present annually a list of qualified investment brokers/Dealers to the Commissioners Court for review, revisions, and approval. Once the list of qualified brokers/dealers has been adopted, only those named brokers/dealers shall be approved and qualified to engage in investment transactions with the County.

Standards of Operation

The County Investment Officers shall develop and maintain written administrative procedures for the operation of the investment program, which shall be consistent with this investment policy.

Delivery vs. Payment

GC Section 2256.005(b)(4)(E)

All investments except PFIA investment pools, or operating investments, shall be purchased using the "Delivery vs. Payment" (DVP) method through the Federal Reserve System. By so doing, County funds are not released until the County has received the securities purchased through the Federal Reserve wire.

When competitive offers are sought, the County will send a Request for Offer form to at least three approved and qualified broker/dealers. If a specific maturity date is required, offers will be requested for instruments which meet those purposes. The County will accept the offer, which, in its sole discretion, is determined to best provide the highest rate of return within the maturity required. Offers will not be accepted which do not meet the specified criteria in the request for offer or where the deadline specified on the request for offer(s) is not met.

For those situations where market conditions may dictate a change in the offer process noted above, the County may accumulate at least three unsolicited offers of investments for consideration to purchase. The investments considered must be comparable in structure, term, maturity, and rate. Furthermore, the offers accumulated must be no older than 5 business days prior to the date of purchase notification.

Offers may be solicited in any manner provided by law, including e-mail. All offers must be from brokers/dealers previously approved and qualified by Commissioners Court. All offers received and considered which lead to an acceptance of the offer must be documented and filed for auditing purposes.

Audit Controls

The Investment Officers shall prepare investment processes and forms to establish accounting and audit controls. The Commissioners Court will have an annual financial audit of all county funds by an independent auditing firm, as well as an annual compliance audit of management controls on investments and adherence to the County's established investment policies in accordance with GC Section 2256.005(m).

Standard of Care

In accordance with GC Section 2256.006, investments shall be made with the judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of a person's own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived. Investment of funds shall be governed by the following investment objectives, in order of priority:

1. Understanding of the suitability of the investment to the financial requirements of the entity
2. Preservation and safety of principal
3. Liquidity
4. Marketability of the investment if the need arises to liquidate the investment before maturity
5. Diversification of the investment portfolio
6. Yield

In determining whether an Investment Officer has exercised prudence with respect to an investment decision, the determination shall be made by taking into consideration:

- The investment of all funds, or funds under the County's control, over which the Investment Officer had responsibility rather than a consideration as to the prudence of a single investment; and
- Whether the investment decision was consistent with this written investment policy of the County.

V. Investment Reporting and Performance Evaluation

Reporting

In accordance with GC Section 2256.023, not less than quarterly, the Investment Officers shall prepare and submit to the Commissioners Court a written report of investment transactions for all funds for the preceding reporting period, within a reasonable time after the end of the period. The report must:

1. Describe in detail the investment position of the County on the date of the report.
2. Be prepared jointly by all Investment Officers.
3. Be signed by each Investment Officer.
4. Contain a summary statement of each pooled investment funds group that states:
 - a. Beginning market value for the reporting period.
 - b. Ending market value for the period.
 - c. Fully accrued interest for the period.
5. State the book value and market value of each separately invested asset at the end of the reporting period by the type of asset and fund type invested.
6. State the maturity date of each separately invested asset that has a maturity date.
7. State the account, fund or pooled group fund in the state agency or local government for which each individual investment was acquired.
8. State that compliance of the investment portfolio of the County complies with:
 - a. The County's investment policy;
 - b. Relevant provisions of GC Chapter 2256; and
 - c. Changes in ratings by Standard & Poor's or Moody's of investments owned at the end of the reported quarter (GC Section 2256.005b).
9. The County shall seek a third party independent pricing source to determine the value of the County's investment portfolio.

Notification of Investment Changes

It shall be the duty of the Investment Officers to notify the Commissioners Court of any significant changes in current investment methods and procedures prior to their implementation, regardless of whether they are authorized by the policy or not.

VI. Investment Collateral and Safekeeping

Collateral or Insurance

The Investment Officers shall ensure that all County funds are fully collateralized, or insured, in a manner consistent with this investment policy and with federal and state law; and that current bank depository contracts hold one or more of the following:

1. FDIC insurance coverage.
2. Obligations of the United States or its agencies and instrumentalities.
3. Allowance under GC Chapter 2257 *Collateral for Public Funds*.

Safekeeping

All purchased securities, as well as pledged securities by the depository bank, shall be held in a safekeeping account subject to the control and custody of the County, specifically in a third party financial institution with the Federal Reserve Bank or the Federal Home Loan Bank of Dallas.

All certificates of deposit purchased outside the depository bank shall be held in safekeeping, by the issuer, in a County account; and all investments must be fully collateralized at 102 percent of face value.

VII. Investment Strategy by Pooled Investment Funds Group

Operating Pooled Investment Funds Group

The objective of the Operating Pooled Investment Funds Group is to maximize earnings on short term idle cash (needed to meet obligations in less than one year) while preserving the safety of the principal invested. Liquidity must be maintained to ensure adequate access to meet operating and payroll requirements. Investments of this Pooled Funds Group shall not exceed a maturity of greater than one (1) year and must maintain a weighted average maturity of not more than 90 days. This Group shall invest in the types of investments authorized under this Investment Policy to maximize earnings with emphasis on safety of principal and liquidity. Any County fund may participate in the Short-Term Pooled Funds Group.

Non-Operating Pooled Investment Funds Group

The objective of the Non-Operating Pooled Investment Funds Group is to strategically maximize earnings on longer term investments. The maturity of any investment within the Non-Operating Pooled Funds Group may not exceed five years (60 months), unless the investment type is a mortgage backed security. Mortgage Backed Securities are not authorized to have a stated final maturity date of greater than 10 years. Non-Operating Investments shall be conducted in a manner to create a ladder strategy of maturities to perform the following: 1) match cash flows with the demand for cash, 2) manage the flow of money, ensuring a steady stream of cash flows throughout the year, and 3) reduce the risks of changing markets. This Group shall invest in the types of investments authorized under this Investment Policy to maximize earnings with emphasis on safety of principal. Only County funds with idle cash not required to meet obligations within one year may participate in this fund group.

Capital Projects Pooled Investment Funds Group

The objective of the Capital Project Pooled Investment Funds Group is to maximize earnings on idle cash that is not needed in the short term to meet obligations to fund capital project fund activities while maintaining the safety of the principal. The maturity of any investment by the Capital Project Funds Group may not exceed three years, but any investment over one year must be scrutinized to ensure liquidity of funds to meet all obligations for payments of capital projects. This Group shall invest in the types of investments authorized under this Investment Policy to maximize earnings with emphasis on safety of principal and timing of liquidity. Only capital project funds which are primarily funded with debt proceeds may participate in this fund group. MBS Investments are not allowable under this fund group.
