**COLLIN COUNTY PLANNING BOARD**  
**March 9, 2023 – 6:00PM**  
**COLLIN COUNTY COMMISSIONERS COURTROOM, MCKINNEY, TX**

**1. Call Meeting to Order**

Meeting was called to order at 6:03 pm. The following members were present: Brian Reinhardt, Ben Hangartner, Bill Moore, Terrie O'Donnell, Bill Mills, Tim Bennett, Sammy Yang, Scott Manis, Mark Quinn, Steve Terrell, Doug Reece and Rusty Glover. The following members were not present: Joe Helmberger, Shep Stahel and Steven Wright. Collin County staff present: Clarence Daugherty, Tracy Homfeld and Bridell Miers.

**2. Approval of October 6, 2022 Minutes**

Doug Reece made a motion to approve, second by Bill Mills, which passed unanimously.

**3. Election of Officers**

Rusty Glover was voted in as Chairman; Mark Quin was voted in as Vice-Chairman.

**4. 2023 Bond Program Discussion and Possible Action**

Rusty Glover took over the meeting and introduced Clarence Daugherty. Clarence gave a brief introduction for Bill Bilyeu, County Administrator. Bill passed out the County's Debt Tax Rate Chart and explained the chart to the Board. Bill gave a brief explanation of what the County did for the last bond program. He explained to the Board that they will be making recommendations to the Court on what propositions should be included and how much each proposition should be. He explained that the County could issue up to \$630M without any tax increase. Bill asked the Board to reach out to their Court member and meet to discuss their individual thoughts on the program.

Bill gave the Board a presentation on facility needs. He gave a high-level summary on those needs and explained to the Board that over the next couple of months they will get a more detailed presentation from County staff on facilities, roads and open space needs.

Bill explained that the Commissioners Court has until August to officially "call" the bond election but Bill told the Board that they should have their recommendations to the Court by the end of June so that there is more time for public engagement before the election. The Board discussed that they will need to meet more often than monthly.

Clarence passed out a list that gave the Board examples of the types of roads that could be included in the overall dollar amount that would comprise the transportation bond proposition. He gave a high-level summary of the categories of roads such as unincorporated County Road projects that are needing reconstruction and or widening due to increased traffic. He also discussed examples of larger regional projects that could be included in the overall road project total. He told the Board that he and Public Works would be giving them a more detailed presentation on needs in the coming months.

The Board voted unanimously not to break into sub-committees for each proposition. They decided that they will meet collectively ("committee of the whole") and decide on the projects and amounts.

Bill Bilyeu explained that a quorum would not be needed at the collective committee meetings (actually Board meetings) but votes on decisions will need a quorum. We will post all committee/Board meetings even though a quorum isn't needed.

Bill Bilyeu told the Board that they will be asked to take over as the community advocates for the bond program after the election is announced.

## **5. Future Agenda Items**

By the next meeting, the board should have met with their individual Court members. The Board will share their Court member's feedback at the next meeting.
