Collin County Historical Commission News

2022 CCHC Grant Program

The 2022 Collin County Historical Commission Grant Funding Program review process starts Feb. 7 and goes through March 25, 2022. Go to www.collincountytx.gov/historical_commission/initiatives for details.

The Collin County Historical Commission sets aside a total of \$26,000 of its annual budget for historical preservation projects. \$25,000 of the budget is dispensed through the CCHC Grant Program each year. \$1000 is set aside for emergency grants that may arise to help defray an unexpected urgent expense.

The mandatory meeting (the first step in the grant application process) for grant applicants was held on Monday, February 7, 2022. 18 members from 13 historical groups were present, which makes them eligible to apply for grants this year. The attendees represented the following historical entities: Allen Heritage Guild, Anna Area Historical Preservation Society, Collin County Genealogical Society, Collin County History Museum, Farmersville Heritage Museum, Farmersville Historical Society, Heard-Craig Center for the Arts, Heritage Association of Frisco, Heritage Farmstead Museum, Heritage Guild of Collin County (Chestnut Square), Military Heritage Collection, Stony Point Cemetery and Wylie Historical Society.

The groups have until **March 25, by 4:00 p.m.** to electronically submit an application to the Grant Committee for consideration.

Preservation Awards

Every year the county historical commission hosts an event that celebrates the historical preservation and education efforts in Collin County. Part of that celebration is the recognition of outstanding individuals and groups that have distinguished themselves in such efforts. The awards given are:

Collin McKinney Achievement Award

Excellence in Historical Education Award

Leadership in Preservation Award

Living Legacy of Collin County Award

Young Visionaries Award

Know someone or some organization deserving of any of these awards?
