# Thank You!

From the Museum Coordinator

*Your support and suggestions have helped the museum grow and prosper.*

It has taken almost seven years, but I am excited to know that the Collin County Farm Museum's education programs are roaring full speed ahead. We started off slow, trying a few things here and there, moving at our Hart Parr tractor's snail pace. About three years ago, the programs started chugging along like a Poppin' Johnny. Today, we are rolling down hill and gathering speed. It is an exciting ride and I looking forward to seeing the museum and programs continue to grow.

We will continue to listen to all our visitors in order to offer programs that are interesting and relevant to the history of Collin County. The Museum's 2nd Annual Rural Heritage Fair is coming up the road and we are taking applications for merchants, demonstrators, volunteers and our new Kid's Marketplace (See page 4 for more information). With all of your input on our new classes, I cant wait to see what my 8th year here at the museum will bring.

## SELL YOUR HANDICRAFTS...

### THE MERCHANTILE & THE KID'S MARKETPLACE

The 2nd Annual Collin County Rural Heritage Fair will have two marketplaces. We are still looking for local artists and merchants who have handmade goods to sell at the Mercantile. (No multilevel marketing.)

There will also be a Kid's Marketplace where all the kid-friendly games, activities, and shopping takes place. This year's marketplace consists of goods made and sold by local youth, many of whom learned these specific crafts at the Collin County Farm Museum! To secure a booth, please contact [ccfm@collincountytx.gov](mailto:ccfm@collincountytx.gov).

## EXCITING EXPERIENCES

### FREE ADMISSION

- ◆ Hay Ride from Parking Lot to the Fair (Free!)
- ◆ Dutch Oven Cooking Demonstrations & Samples (Also Free!)
- ◆ Rides in a 1911 Ford Model T (That's Free too!)
- ◆ Watch skilled craftsmen demonstrations, such as Flint Knappers, Blacksmiths, Woodcarvers, Basket Weavers, Spinners, Quilters, Soap makers and more!

## VOLUNTEERS NEEDED

PLEASE CONTACT [CCFM@COLLINCOUNTYTX.GOV](mailto:CCFM@COLLINCOUNTYTX.GOV)

We need help during the event to count visitors, direct visitors towards parking and pick-up/drop-off location for the hay ride shuttle.

# 'Pop-Up' Programs

Following the trend of pop-up restaurants and stores, the Collin County Farm Museum is hosting **Pop-up Programs**. We began implementing these in October to allow us to respond quickly to suggestions and interest expressed by visitors. These programs are short-term workshops that tap directly into the interest of our visitors provided that time, space, and supplies are available. Because response time is quick, advertising relies on word-of-mouth, email updates and attention to the Collin County Farm Museum's Facebook page:
