

Collin County Going the **Extra Mile (GEM)** Recognition Form

Honoree's Name: LEILA OLIVARRI

Honoree's Job Title: COURT COORDINATOR

Department: 199TH DISTRICT COURT

Years of Service with the County: 11 YEARS

Why the Honoree is receiving a GEM Award including dates:

Leila has been the Court Coordinator for the 199th District Court since I took office in 2012. She manages all of the daily demands of my general jurisdiction court - civil, criminal, family, and CPS. In 2016, we started a Family Preservation CPS Drug Court. In addition to her normal duties, Leila is also the Drug Court Coordinator. As a member of the Specialty Court's Advisory Council (Governor's Office), I am aware that most drug court coordinators receive a salary or stipend to perform the extra duties. Leila does not receive any additional compensation for all of the extra work she does daily for our FDC and has done for the past 7 years. She manages all of the paperwork, works with CPS and the drug testing labs, permits participants to contact her anytime they needs something – night or day, attends annual trainings, and misses lunch every Thursday to participate in Drug Court staffing and docket. Thus, I am nominating her not only for the hard work she does for our regular docket, but for the extra time and effort she puts in for our specialty court. I couldn't do it without her!
