It has been an honor to work with Kim Quillin for 17 years of her 29 years with Collin County. I'm so privileged to have known Mrs. Quillin since the clerk's office, Aux Court, 366<sup>th</sup> DC, 401<sup>st</sup> DC, and now my court, the 468<sup>th</sup>. She single-handedly can accomplish any task given to her and do it with grace and efficiency. She is smart, ambitious, considerate, helpful, and kind. I'm not sure what I'm going to do with her retiring in less than 60 days. We are losing a jewel. Kim has always been a team leader, and as a great example, she recently from the end of 2024 through the beginning months of 2025 helped one of our new judges get her court set-up and running while that court worked to fill a coordinator position, then remained to assist in training that coordinator. Recently, with the budget changes, she helped several court coordinators in understanding the new tasks and procedures. She is always willing to help others, all while taking the best care of her own team (and she's a pretty awesome Kiki in her off-time!) She is truly an all-star. She volunteers to help others all while still running our court and as always, maintaining her reputation as the best coordinator in the courthouse! I'm so proud of her and we are all going to miss her so much.
