Honoree's Name: Julie Monge

Honoree's Job Title: Teen Court Coordinator

Department: Admin Services

Years of Service with the County: 1 year

Why the Honoree is receiving a GEM Award including dates:

Julie coordinated a great teen court participants' reception held last Thursday, April 26th. She put an incredible amount of time into event and encouraged her coworkers to also volunteer with making food and assisting with the room setup. The reception was well attended and I received great feedback on the decorations, refreshments, and conduct of the event. Julie raised over \$6700 from private donors that was given as scholarships at the reception to teen court participants. In addition, Julie collected the service hours for the participants and submitted them for Presidential recognition and official citations. She went above and beyond normal expectations to put on a memorable event.

The County received notification last week that CoServ has selected the Collin County teen court to receive a \$10,800 grant to help fund teen court operations and scholarships. Julie was instrumental in assisting the Auditor's office in submitting and receiving this competitive grant.
