Why the Honoree is receiving a GEM Award including dates:

Outstanding performance as part of the ERP team.

Alex has met or completed each deadline assigned to her early. With the GL conversion there is a workbook that is maintained. In this workbook there are 10 spreadsheets that have been submitted and 2 major spreadsheets that have to be maintained. In the submission of the GL conversion spreadsheet it had a total of 1,289,912 cells for the Munis team to load for the conversion that had 7 errors. The project ledger spreadsheet had a total of 1,724,892 cells that was also submitted to the Munis team to load for the conversion that had 69 errors. Alex works with Linda daily in keeping Munis and H.T.E. in sync which requires dual entry.
