Why the Honoree is receiving a GEM Award including dates:

I have received numerous emails giving praise and thanks for the work Pat has done on her grant writing. One of the most recent was on a grant application submission to TJJD for the amount of \$1.3 million. She had the opportunity to assist in renegotiating the terms of the grant which secured the grant for 2 years and doubled the funding to \$2.6 million. Pat is amazing with her skills and the impact she has with the departments. She always goes above and beyond what is expected of her. She consistently has a pleasant attitude and willingness to assist with whatever is needed. She is an asset to the Auditor's department as well as to the County.
