Tyler is on several implementation teams of software that integrates with Munis or provides financial data for our reporting. Tyler has taken the lead in implementing our new software that tracks the new reporting requirements for GASB 87 and GASB 96. He has vetted 100s of leases and contracts to determine what is required to be reported. He also is the lead on the Munis financial system for testing and updates as well as any problem solving issues. Tyler is also on the EnerGov team and responsible for identifying issues that pertain directly to the Auditor's Office and our business requirements. His broad knowledge of operational processes has allowed him to be productive in identifying any potential issues. Tyler is an asset to the Auditor's department as well as to the County. He is dedicated and committed to achieving excellence in his job duties and is always willing to assist wherever necessary.
