Why the Honoree is receiving a GEM Award including dates:

Bethany is a valuable team member and leader for the Law Library. This year she was promoted to Law Librarian and while acclimating to her new role and responsibilities she also took on additional responsibilities assisting other departments in need. Bethany from the beginning of the COVID-19 Pandemic has helped Healthcare tremendously. She has done everything from contact tracing in the beginning to answering phone calls and e-mails and maintaining reports. Every time help is needed she has risen to the occasion and taken on the extra responsibility and never complained. When vaccines began to roll out in the winter she again stepped up and helped with vaccine questions and the waitlist. She has gone above and beyond her normal duties all while working to create a better environment for staff and patrons in the Law Library. Bethany is a true leader and a great example of what it means to be a team player.
