## Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Jessica Shaw

Honoree's Job Title: Senior Financial Analyst

Department: Budget & Finance

Years of Service with the County: 3 Years, 4 months

Why the Honoree is receiving a GEM Award including dates:

Jessica was assigned to three extra projects for the Budget Department this year along with another analyst to help. When one of the analysts left the department, Jessica not only took on leadership of the projects, but also had to do the majority of the work that was involved in two of those projects. Her work on the Space Study with Bill Burke was outstanding and involved many late nights and some weekends. In addition to the project work, handling extra departments during the busy season for budget, and assisting while the Assistant Director works on ERP, she has also received compliments from I/T and Purchasing for great customer service. Jessica has gone above and beyond for the Budget Department!
