

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Jessica Shaw

Honoree's Job Title: Senior Financial Analyst

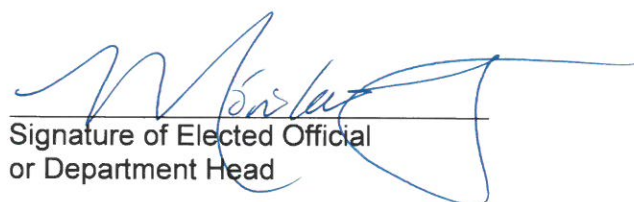

Department: Budget & Finance

Years of Service with the County: 2 ½ years

Why the Honoree is receiving a GEM Award including dates:

During the FY 2017 Budget Workshop the Assistant Director had to be out of the office. Under normal circumstances I would have handled the workshop myself. Jessica stepped into the roll without being asked to do so. She quickly got up to speed on what her role would be and what all she needed to do. She was quick with answers and was able to respond directly to Commissioners when questions were asked during the workshop. She stayed late during this time to make sure all documents and presentations were updated as well as handling research that was requested. These are items I normally would have done on my own. She was a great help to me during this process.
