Why the Honoree is receiving a GEM Award including dates:

Deputy Green has gone above and beyond this year by volunteering to work Writs of Executions. Deputy Green stepped up and took these writs without hesitation. Executions are some of the most time consuming, in-depth orders that involve this office seizing property to sale at auctions that are also conducted by Deputy Green. Deputy Green took these duties very serious, attended classes to learn about proper service, the process involved and the liabilities that are included. Deputy Green has shown his professionalism and dedication to his work as well as to this office. Deputy Green works nonstop to make sure the job is done right and has proven to be an asset to Precint 3.
