Why the Honoree is receiving a GEM Award including dates:

I would like to recognize Angie McFarland for her dedication to the County Clerk's Office. Recently our Vital Statistics department has experienced numerous occasions where they have been extremely short staffed and needed extra help. Although Angie is currently an indexer in our Land Records department, she originally joined our office as a Vital Statistics clerk in our Plano office. Angie fully understands how important it is for our customers to have their transactions handled in a timely and efficient manner. She has shown extreme flexibility and has willingly volunteered not only to help in our McKinney Vital Statistics area but on many occasions has travelled to our Plano office, often on very short notice. Angie's helpfulness and knowledge of the Vital Statistics section ensures that the customers are getting superior customer service and that the office runs smoothly. During this time Angie has also successfully maintained all of her indexing and verifying goals. Angie is a very valuable asset to the County Clerk's Office and has earned this award.
