Why the Honoree is receiving a GEM Award including dates:

During the month of August, six staff in our Land Records section contracted COVID19. The section had just lost two staff, one retired and the other accepted another job. We had just hired a new clerk in Public Assistance, and assigned a temporary employee to assist until another vacancy could be filled. Daniel began training the new clerk, oversaw the temp's assignment and assisted the public with completing applications, researching property records and approving plats. Daniel also managed to assist with e-recording as much as possible to help his coworkers clear the recording queue.

Daniel stayed positive even when the situation was overwhelming. He is an excellent team player and I am proud he is a part of my team. Thank you Daniel we could not have gotten through this time without you.
