Honoree's Job Title: Deputy County Clerk II

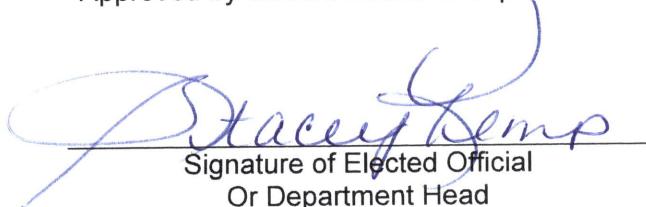

Department: County Clerk

Years of Service with the County: 2 years

Why the Honoree is receiving a GEM Award including dates:

Nick Precella started his career in the Land Department with Collin County on June 18, 2018. Prior to COVID-19 Stacey, the County Clerk, foresaw the importance of crossing-training her staff within the County Clerk's Office. With that being said, once the COVID-19 pandemic occurred, Nick was already familiar with how the processes and the procedures were handled in the Vitals Statistics Department. For instance, issuing birth/death certificates, assumed name certificates and processing foreclosure notices all while assisting customers waiting in their cars to purchase marriage licenses to ensure the health and safety of the public and our staff. For him to be able to assist in both the Vitals and Land customers, he has to be accountable for two work stations on a daily basis. He then processes the mail, checks the drop box in the foyer and assist the customers at the counter, while accepting land documents in the queue for recording as well as approving plats and scanning in documents. Nick's dedication has been ongoing for several months now in order to accommodate the citizens of Collin County with the best customer service during this extraordinary time. During this time, he has remained efficient, friendly and extremely professional. Nick is a incredible team player and is a great asset to the County Clerk's office. I would like to nominate Nick for the GEM Award for going the extra mile each and every day.
