Why the Honoree is receiving a GEM Award including dates:

April became the SCORE officer in Oct 2009 and has truly enhanced the quality of the program through her hard work and dedication. She has worked hard to educate not only our staff, but Denton County on the benefits of the program in an effort to increase our capacity rate. She did this by assisting in preparation and completion of a webinar for Denton County on June 29, 2011 and June 30, 2011. Due to her efforts, our facility is now at full capacity and we also attained a score of highly effective on our recent CJAD audit. She has also assisted in "beefing up" the aftercare component of the program while working closely with our contracted treatment provider. She approaches her job daily with a lot of heart and dedication to doing the best job possible. She does these things in addition to her daily job duties. It is with no hesitation that I am honored to have her on my team.
