Honoree's Name: Christy Ware

Honoree's Job Title: Legal Secretary II

Department: District Attorney

Years of Service with the County: 8

Why the Honoree is receiving a GEM Award including dates:

Christy is always looking for ways to help others and to make the Crimes Against Children team more efficient. She took on the job of streamlining and analyzing CAC stats so that we could better understand how efficient CAC has been – even when it has been difficult during the pandemic. She ran reports, made charts and graphs, and changed them to meet our needs. This can be a tedious job, but she did the job quickly and anticipated additional analysis that might be helpful. She also took it upon herself to clean up a backroom that had been used as storage for a number of years. She quickly went through boxes of media, inventoried the items, and helped to clear out the room. It was a big job! She is a selfless and effective addition to our team because of her can-do attitude.
