Why the Honoree is receiving a GEM Award including dates:

Investigator Voigt went above and beyond during the months of December 2016 through February 2017. Not only did she diligently work her caseload as a misdemeanor investigator, but she also volunteered to work the entire misdemeanor Domestic Violence Unit intake and as well as help serve protective orders.

Investigator Voigt recognized that a co-worker needed help and stepped up to deliver. To volunteer initially for such a huge task when she already had her own caseload is commendable. She carried out the additional tasks in such an effective, efficient, and enthusiastic manner. Investigator Voigt is consistently quick to volunteer in different areas of the office whenever the need arises. She is an incredible team member and is a great asset to our office.
