Honoree's Job Title: Felony Criminal Investigator

Department: District Attorney

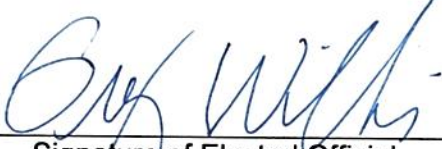

Years of Service with the County: 11 mos.

Why the Honoree is receiving a GEM Award including dates:

Investigator Coleman always demonstrates a positive attitude and consistently goes above and beyond what his required duties. This was especially noticed during the week of June 12, 2017 by the Domestic Violence Unit. Prosecutors Kim Kircher and Kailey Gillman had a trial and not only was he helping them with last minute requests, but he also sat in court the entire time during the trial and messaged them some of his observations and ideas. As it turned out, these ideas proved extremely helpful in closing arguments. He was greatly involved even though it was not asked of him.

The court also ordered last-minute redactions of digital video evidence, and Investigator Coleman eagerly and expertly completed the redactions within the hour, even though that was not his assigned court. He is consistently eager to help others outside his area of responsibility, especially when time pressing issues arise. Investigator Coleman enthusiastically embraces the opportunity to learn new things and goes the extra mile to ensure his work product helps the whole team. He is a great public servant and is beyond worthy of recognition.
