

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: David M. Holcomb

Honoree's Job Title: Deputy Sheriff/Traffic Unit

Department: Sheriff's Office

Years of Service with the County: 8+

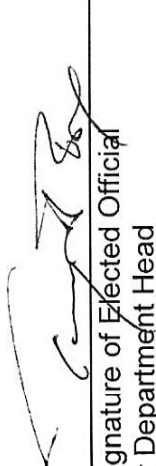

Why the Honoree is receiving a GEM Award including dates:

Deputy Holcomb has gone above and beyond his normal duties within the traffic unit. He has become a trainer for the NAPP driving school and is the NAPP instructor for the sheriff's office. He will be tasked later this year on certifying all patrol personnel in the driving course. Further, he has assisted with the new e-ticket writing systems with input on the software design. He is the administrator on our online CRASH reporting system, senior motorcycle deputy, and assists me as an "Officer in Charge" of the traffic unit, including duties of collecting monthly reports from the unit. He will be attending a master radar instructor school this month so that he can train the rest of the traffic unit as trainers. He has done most of this in the last 6 months, from December 2012 to May 2013. I, Lt. Andrew Hawkes, would like to recommend a GEM award for Deputy Holcomb's hard work and dedication.

5/6 Deputy Holcomb seeks opportunities such as those described
above, regardless of pay or personal benefit. I recommend
