Why the Honoree is receiving a GEM Award including dates:

I am recognizing **Crissy Bishop** for her initiative and attention to detail in handling complex juvenile cases. Crissy proactively works with deputy constables and juvenile probation to catch errors before they become problems, ensuring that unnecessary modifications or filings don't occur.

She also pre-prepares grand jury documents, certifications, and petitions without being asked, which has significantly improved our ability to expedite juvenile cases under strict deadlines. Her diligence ensures nothing falls through the cracks, keeping juveniles who need to remain detained in detention and preserving case integrity.

Crissy's dedication and thoroughness are prime examples of going the extra mile.
