---

I am recognizing **Debbie Harrison** for her outstanding leadership and relentless dedication as Civil Division Chief. Debbie manages a wide range of responsibilities, from coordinating civil cases across 14 different courts to supervising her team and serving as designee for the Bail Bond Board.

She also supported the rollout of the AXON program while simultaneously managing grants, budgets, and Commissioners Court interactions. Earlier this summer, she volunteered and has embraced yet another role of monitoring and troubleshooting secretarial workload across the entire office.

Debbie balances this heavy workload with professionalism, grace, and a calm, can-do attitude. She is approachable, cheerful, and always willing to help, even under pressure. Her ability to juggle competing demands and still deliver excellence makes her a model of the GEM Award's purpose.
