Why the Honoree is receiving a GEM Award including dates:

I am recognizing **Shyla Franklin** for her exceptional organization and leadership in managing the name badge process for our annual Crime Victims Luncheon. This seemingly small task is in fact a massive logistical effort, with over 300 badges that must be accurate, alphabetized, and grouped by agency.

Shyla not only ensures this is done flawlessly, but she also manages onsite logistics, troubleshoots errors, and supports the entire event with efficiency and grace. Her strong organizational skills, attention to detail, and positive can-do attitude ensure that this important annual event runs smoothly.

Shyla's efforts make a significant difference in how our guests experience the luncheon and exemplify the extra effort recognized by the GEM Award.
