

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Christopher Weiss

Honoree's Job Title: Animal Control Shelter Lead

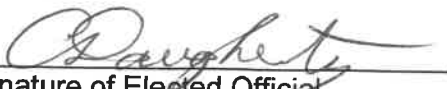

Department: Animal Services

Years of Service with the County: 8 yrs.

Why the Honoree is receiving a GEM Award including dates:

On 2/2/2022 our county was under a winter storm warning. This winter event lasted 3 days. The road conditions made it very unsafe, and sometimes impossible for employees to get to the shelter. Christopher Weiss knowing how important it was to make sure the animals and emergencies calls were answered made it into work each day during this winter event. Sometimes putting his own safety at risk to make sure the animals in the county were taken care of. With a minimal crew he not only managed to provide all the care for the animal needs, but also completed removing all of the play yard fencing so that the new improvements at the shelter would not be held up because we didn't remove them by 2/7/2022. Christopher Weiss is always willing to do what ever is needed at the shelter, and is another great example of the type of employees Collin County has working for them.
