Honoree's Name: Jim Adams

Honoree's Job Title: Inspector

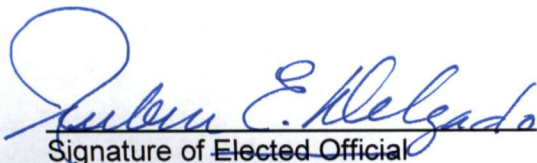

Department: Development Services

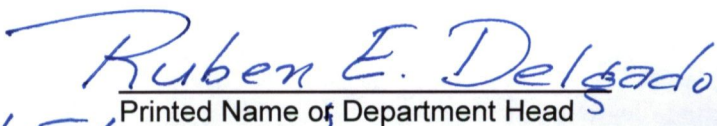

Years of Service with the County: 12

Why the Honoree is receiving a GEM Award including dates:

In June of this year, Collin County was part of the Metro Safe Room Rebate Program that was being offered through the North Central Texas Council of Governments. Residents wishing to apply for grant funds were required to obtain a Flood Plain verification form from a designated representative from the County. Jim Adams was designated as our contract person. Along with his regular duties, Jim issued flood plain verification forms and fielded calls and emails from hundreds of Collin County residents inquiring about the Safe Room Program. The bulk of the work encompassed a two week period. Due to Jim's expeditious completion of the verification forms, over 120 Collin County residents were successful in applying for the grant funding and many others have been placed on the waiting list. Jim continues to field calls and emails regarding the program.
