Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Mike McLain

Honoree's Job Title: Animal Control Officer

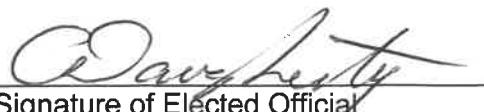

Department: Animal Services

Years of Service with the County: 6 Months

Why the Honoree is receiving a GEM Award including dates:

In late October/2023 until January/2024 the shelter was over 100% to the normal capacity that the shelter has kennels for. With the work load already at it breaking point due to the amount of animals needing care at the shelter, we also lost three full time employees at the beginning of this period. It was during this time that Mike McLain worked 7 days a week to make sure that all of the animals were taken care of, and took on extra on call duties to help with emergency calls at night. Mike McLain has done a great job during his short time working for Collin County and is always ready to help when needed.
