

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Shelby Lee

Honoree's Job Title: Animal Control Officer

Department: Animal Services

Years of Service with the County: 2 yrs.

Why the Honoree is receiving a GEM Award including dates:

On 2/2/2022 our county was under a winter storm warning. To make sure that all of the animals would be taken care of, Shelby Lee made plans to stay at the shelter until the weather got better. After her normal work hours each day, she stayed at the shelter and kept management informed of any problems. Shelby Lee did this until 2/5/2022 when the road finally became safe enough to travel. During this time there were several employees that could not make it in due to the weather. Without her unselfless actions, the care of the animals at the shelter would have been an even bigger problem for the few that did manage to be at the shelter for three days during this winter event. Shelby Lee is always willing to help when needed and is a great example of the type of employees Collin County has working for them.
