Honoree's Job Title: Administrative Assistant

Department: Health Care Services

Years of Service with the County: 4 Years

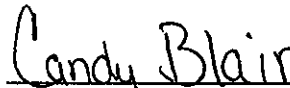

Why the Honoree is receiving a GEM Award including dates:

Health Care Services TB Department recent TB Audit yielded positive comments and excellent marks from the State Department of Health and Human Services. The TB Policy and Procedure manual as well as the way the audit was set up was recognized by the state as being one of the best they had ever seen. Joann was able to produce a TB manual that the State actually requested copies of so they could use as a State Template. Joann's exceptional ability to play close attention to details and her commitment to go the extra mile during the 3 month preparation procedure enhanced the department's performance which yielded a very positive audit. Joann took these additional duties on without complaining and worked the necessary hours to accomplish these tasks. Joann is committed to excellence and this commitment is reflected in the work that she produces every day.
