

## Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Lily Metzler Tick

Honoree's Job Title: Epidemiologist

Department: Health Care Services

Years of Service with the County: 2 years

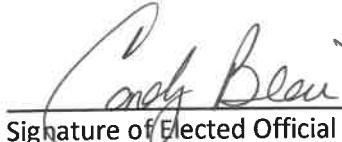

Why the Honoree is receiving a GEM Award:

---

Lily has demonstrated the ability to be highly effective in her work and shown willingness to help other co-workers in her team. When another staff member left the department, she took on a great deal of responsibility and was able to complete a large amount of work in a short amount of time. Lily is always willing to take on additional roles and her contributions to special projects she partakes in have been remarkable. She is quick to offer help while also maintaining her heavy workload and produces extraordinary work. In the past year, another program at Health Care faced a vacancy during a period of high demand and she offered her help to go through specialized training and assist the other team's casework. Lily is greatly appreciated by her team and colleagues at the department and is a deserving recipient of this award.
