

Collin County 'Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Musa Khan

Honoree's Job Title: Epidemiologist

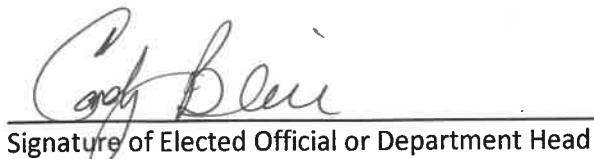

Department: Health Care Services

Years of Service with the County: 1 year

Why the Honoree is receiving a GEM Award:

Dr. Khan has demonstrated exceptional dedication and commitment to his work by going above and beyond his normal job duties. In the previous year, Health Care has launched a new Disease Intervention Specialist (DIS) program that has required staff with a specialized skillset to complete the program's objectives. In Spring 2023, a vacancy in the program added to Dr. Khan's existing high volume of work and required the ability to handle multiple projects at once. Throughout this challenging time, he has shown remarkable resourcefulness and creativity in finding ways for the program to function more efficiently. Despite the departure of a team member, Dr. Khan has willingly taken on additional responsibilities, worked efficiently, and produced high quality work. His outstanding contributions to the program in the last year deserves recognition and appreciation for the excellent services provided to Collin County.
