

Collin County Going the **Extra Mile (GEM)** Recognition Form

Honoree's Name: Ruth Henry

Honoree's Job Title: Nutritionist

Department: WIC-Women, Infant and Children Nutrition Program

Years of Service with the County: 1 year

Why the Honoree is receiving a GEM Award including dates:

During a formula recall crisis, Ruth took the initiative to call local vendors to check which exact type and sizes of formula they had available so that she could inform both staff and families. Her actions have helped our families on a daily basis and prevented them from having to use the little resources that they have to travel from store to store seeking the availability of formula. Ruth has demonstrated what it is to be a resource for our families during a very stressful time.
