First Name Last Name Middle Initial

Honoree's Job Title: IT Operations Manager

Department: Information Technology

Years of Service with the County: 22 Years

### Why the Honoree is receiving a GEM Award including dates:

David received a coin and recognition from Caren this fiscal year for the way he handled financial situation, documentation and communication with cell phone user that did not follow county policy and exceeding costs. He provided documentation originally obtained from user stating that they knew of IT Policy in advance and is directly responsible for fee's incurred.

David and his Team lead and meet with approved departments regarding County Wide – Yearly Hardware Refresh and discussed in detail the process that occurs and reviews with them their current assigned departmental inventory. This year they were able to suggest using laptops in the chambers and then just purchasing docks and monitors for the courtroom. This saved the county over \$5,000 not having to buy desktop PCs for the courtroom.

David worked with his team to re-design Operations area to allow for better and more secure setup for his Team. David and his Team completely cleaned out the back office storage area, relocated the benches, power, LAN drops from the front area to create a more efficient workspace to image and maintain PCs. There is also a new waiting area at the front of the office to keep visitors from roaming around the office.
