

Collin County
Going the Extra Mile (GEM) Recognition Form

Honoree's Name: John Daniels

Honoree's Job Title: Network Support Specialist

Department: IT

Years of Service with the County: I don't know this

Why the Honoree is receiving a GEM Award including dates:

John is the person I call whenever anything IT related goes wrong; he always makes himself available and is always willing to help. He goes way above and beyond what anyone could expect. I am not the most technologically knowledgeable, but John is patient and never seems to get frustrated with my ignorance. While I don't have specific dates of service to provide, if I had kept better records, the dates he has helped me would fill the page.

I wholeheartedly support John receiving the GEM Award. Please let me know if you need any additional information.
