Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Josh Parrish

Honoree's Job Title: Sr. Network Administrator

Department: Information Technology

Years of Service with the County: 4 years and 6 months

Why the Honoree is receiving a GEM Award including dates:

Josh has done an outstanding job on all the email request and pulls. It has been an overwhelming amount of request with a lot of detail drill downs or they are just extremely large in nature. He managed for most all the time to have these pulled within the same day requested. He had to work hard on getting these done on top of his daily work.

He communicates extremely well with management and is prompt in getting back to the requestors. He ran into an issue on our OCR process on attachments in email and stayed on top of it with the vendor until we understood what happen.
