

Collin County Going the Extra Mile (GEM) Recognition Form

Honoree's Name: Reggie Crawford

Honoree's Job Title: Business Analyst

Department: IT

Years of Service with the County: 3

Why the Honoree is receiving a GEM Award including dates:

Reggie led the project to develop our COVID Vaccination Waitlist. The County Judge asked for a waitlist on Dec 30th and we had it in production on Jan 5th.

In the CAAPS project, Reggie worked with the development and records teams to take the requirements gathered and create a Laserfiche forms and work flow project to collect data from the attorneys submitting payment requests and route them to the clerks, judges and Auditors office for approvals.

Reggie led a team that worked with the County Clerk, the Texas and Southwestern Cattle Raisers Association and five counties who participated in the design and testing of this application. We designed and build this to run in a cloud environment so that it could eventually be utilized by all counties in the state of Texas.

Reggie developed the PeopleSoft Image and Tools upgrade plan that was implemented this year. He uses MS Project to identify tasks and milestones so that the team and customers have a clear understanding of the process.

He also diagrammed and mapped out the tasks for the COVID Vaccine projects, Court Reports and Purchasing Buyer Requisition Reports.

Approved by elected official or department head on the 23 day of Sep, 2021
