Why the Honoree is receiving a GEM Award including dates:

Ms. Lane constantly goes above and beyond in her job duties. Recently, she identified a very large civil case backlog from as far back as 2007. She quickly notified the Judge and started a process to begin moving the cases through the system in an expeditious and efficient manner. Also, recently, she worked diligently with the Collin County Auditor's Office to identify and correct financial issues that occurred numerous years ago before both she and the Judge were at the office. Ms. Lane is a valuable asset to the office and I am honored to have her as part of my team.
