Why the Honoree is receiving a GEM Award including dates:

Ms. Hafner has worked for the county for 14 years. She is currently the evictions clerk for JP3, and has spent most of her career with the county working the evictions desk. The evictions desk for JP3 is the busiest desk in the office. This one desk could be staffed with more than one person due to sheer volume, however; Ms. Hafner has exceptional organizational skills and ensures that all cases are processed and heard in a timely manner according to state law. The pandemic has caused many challenges for Justice Courts. Many of those issues involve evictions. Ms. Hafner's skill set has been critical to the success of the JP3 evictions program. Ms. Hafner is a very dedicated county employee and she serves the citizens of Collin County well.
