Why the Honoree is receiving a GEM Award including dates:

Corinna Walker is being recognized for her on-going efforts to provide support and assistance to our Juvenile Detention staff and residents. She has always been willing to provide help when called upon. However, in recent weeks, including the week of February 3rd, Corinna's efforts to support were on full display. Existing circumstances have resulted in certain detention shifts working at a personnel deficit. During this timeframe, while also managing her full probation caseload, Corinna has volunteered to assist with juvenile transports to offsite appointments, work in cluster control rooms, and relieve pod officers for breaks and lunch. This assistance helps avoid extended room time for residents and allows us to maintain the daily school, court, and counseling schedules. Corinna provides this assistance with a very positive attitude and a willingness to do whatever is required to take care of the staff and the kids in our care. Her spirit of teamwork and positivity is very much appreciated by our detention and probation administration.
