Officer Dwayne Golston has been recognized for going above and beyond by his supervisor. This is the primary responsibility of the Supervisor, not Officer Golston's. In performing this duty that is not in his job description, it allows for the supervisor to handle other issues such as court, conflict in pods, intakes, etc. Officer Golston performs disciplinary reviews for the supervisor when she is not able to do so in order for a resident to be placed on disciplinary seclusion within the allotted time (request has to be done in 90 minutes) per policy and procedure. Additionally, Juvenile Supervision Officer Dewayne Golston was recognized as one of the department's top overall performers during this year's PFP evaluations in July of 2018.
