Officer Luis Ceballos was able to identify a need for services for one of his probationers prior to his release from long term detention due to his adjudication for Arson. Luis did some leg work and was able to locate, secure and provide services for the child and his family by way of the Juvenile Fire Safety Program. Luis met with Fire Marshall Dudley who agreed to offer the services for "free" and requested the Juvenile Department provide referrals. Luis then provided our department's program coordinator with this information which resulted in obtaining final approval to submit referrals as needed.
