RECYCLING OFFICE FURNITURE/REFRIGERATOR

The week of June 6-10, Mr. Combest took it upon himself to move several pick-up truck loads of used furniture from the probation office in McKinney to the Probation office in Plano. The furniture replaced even older, mismatched, damaged furniture that was being used by our staff in the office in Plano. He and recruited staff moved an estimated: 5 four-drawer file cabinets, one refrigerator, 5 desk chairs, the equivalent of three desks, 18 upholstered conference chairs, two conference tables and a few other odds and ends. As if this wasn't enough to do, he and helpers also moved back ALL the furniture pieces that these replaced and put them where purchasing could easily store or inventory the items.
