HUMAN RESOURCES

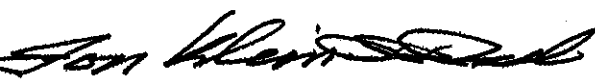

Why the Honoree is receiving a GEM Award including dates:

I would like Larry Trusty to be considered for the GEM award. Through the 25 years employed with Collin County, Larry has continuously proven himself as a vital member of the Public Works team.

Larry has done an unbelievable job as one of the primary Equipment Technicians working on Sheriff Office vehicles. The County purchased new Ford Taurus Sedans which did not have a console for the radios. Larry took it upon himself to design and fabricate the console which allowed the existing console to accommodate the radio and equipment. Larry's efforts allowed us to put the vehicles into service months before the manufacturer produced a viable option as well as saving the county money.

Larry has exhibited true initiative and a solid work ethic while performing his duties as an Equipment Technician. This dedication exemplifies just one of the reasons Larry remains a valued employee of Public Works.
